## A Message From the District Governor

**District Governor  
Galen  
Burkholder**

**We SERVE!**

**Mission 1.5:  
We Be That:  
Mission Possible**

### **District Convention**

Maybe you missed the District Convention. Your loss. ID Wineman was outstanding. He wasn't just a speaker, but he interacted with the attendees. He spoke about "Aha Moments" in our personal Lions life. He spoke about the Lions Triangle of Membership, Leadership, and Service, and in the center, it's about having fun.

### **2026 District Convention**

Watch for a new theme and format for next year. We want to increase the number of attendees. I am excited about potential change. I want to see a 50% increase in attendance. I am confident that members of the District can make that happen.

## **MD14 State Convention**

By the time you read this Newsletter, the State Convention will be over. Since I have already challenged you to attend next year's District Convention, now comes the challenge to attend the 2026 State Convention. I am encouraging all Cabinet members to attend, even if it is only the Friday and/or Saturday night Banquets. Experience bringing 17 Districts together and realizing how big Lionism is in Pennsylvania.

## **June Banner Exchange**

All member within the District are encouraged to attend, but registration is required for the meal. Club members within Zone 2-A and Zone 4-A are especially encouraged to attend.

Obviously, many members from the Shippensburg and The Brogue Clubs should be in attendance.

An email will be sent soon with information and registration instructions. Together we can make this a "big" outing as we welcome in DGE Doug Nace.

Get ready to **roar!!!**

## **Lions SERVE.**

Let's let the world know.

## A Message From the 1<sup>st</sup> Vice District Governor

**1st Vice  
District Governor  
Doug Nace**

Spring has finally arrived and things are starting to heat up, not only the temperatures outside but our Lions schedules. At the District 14-C Convention held in April, I was honored to be elected as District Governor for next year. Thank you for having the confidence in me for a leadership role in this great District. Recently PDG Kerry McKnight and I were discussing the amount of training one goes through as a Second and First Vice District Governor on the journey to become a District Governor. Jokingly PDG Kerry said that I have been preparing for 40 years. I guess that is not far from the truth. My sister Lion Sharon, brother Lion Eric and I were blessed to grow up in a Lions family, with two Grandfathers, an Uncle and our Father, who were all Lions.

Our family has been part of District 14-C since 1938. My siblings and I got to know the meaning of the Lions Moto "We Serve" at an early age. Our family took us along to Lions events and we attended a Lions State Convention in 1966. We got to know the leaders of the District at this early age, which you know it was a long time ago since some of them referred to me as Little Dougie. At the District 14-C Convention this year I was blessed to have my sister, brother and my partner in service, Lion Terry in attendance along with a 50% turn out from my home club "The" Brogue Community Lions Club. On this life long journey I have found an extended family...all of you Lions. This is why it is so special to me to continue on this journey in Lionism, and to serve as District Governor of District 14-C. With the District Convention behind us, we are now off to the State Lions Convention in Scranton, PA and the International Convention in Orlando FL.

The biggest goal I would like to obtain this coming Lions Year is to have the clubs in the District reach out to the communities they serve. We need to reacquaint ourselves and inform our communities who we are and what we do. My second goal is for all of us to have FUN and enjoy being a Lion. Let's keep it simple and the hard items will fall into place. I am overwhelmed by all your support and I am looking forward to continue to make District 14-C a great District as so many leaders have done before me.

Thank you so much for everything you do!

Yours in Lionism,  
Lion Doug Nace

## A Message From the 2nd Vice District Governor

2nd Vice  
District Governor  
Patti Wurzbacher

Greetings Lions and Leos of District 14-C!

**WOW! Can you believe it's May already?** This month is bursting with celebration—**Cinco de Mayo, National Nurses Day, prom season, graduations, Mother's Day, National Mint Julep Day**, and of course, the unofficial kickoff to BBQ season! We will honor those who gave their lives in service to our country this Memorial Day. Let's also take time to reflect and rejoice in the many accomplishments of our Lions family.

At our **District 14C Cabinet Meeting/Convention on April 5, 2025**, we were thrilled to welcome **ID Dave Wineman and his wife, Lion Lindy**.

Their visit was nothing short of inspirational. ID Dave delivered an incredible presentation and expressed his excitement for all the positive momentum happening in our district—**new members, impactful service projects, the formation of a new LEO club, and a branch club**. The energy and dedication in our district is truly contagious!

We have so much to be proud of, and it all starts with **YOU**—our members! Whether you're new, seasoned, young, or just young at heart, every one of you plays a vital role. Let's continue to **welcome new members warmly**, invite them into our service, encourage their ideas, and tap into their talents. They bring fresh energy, diverse perspectives, and a passion that will help propel our clubs into the future.

Let's keep that momentum going! As the world evolves, so must we. Let's support one another, grow together, and keep our mission alive and thriving. So go ahead, dust off that grill, turn up the music, and in the words of Kool & the Gang, "**CELEBRATE GOOD TIMES, COME ON!**"

**"Alone we can do so little, together we can do so much." Helen Keller**

# Paws for Thought

By LD Puppy Raiser Robbie Teal

Well Folks, I've done it again. I would like you to meet, Stella Artios. The fourth Future Leader Dog for the Blind that I am raising with my co-raiser Lion Vera Krall. Vera and I drove to Leader Dogs and picked her up on April 12<sup>th</sup>. Stella is a mix and was born on Feb. 6<sup>th</sup>. Her mother is a Golden Retriever named Sunny, and her father is a Chocolate Lab named VanGogh. Stella is settling well at both households, although the cats had to remind her of her manners. Leader Dogs have their own breeding program and breed for certain traits than for purebreds.

Stella means Star and Artios was providence in Northern France near Leedy many years ago. So, we have a star from a northern providence. I will keep you updated as to how her training is going, and maybe a few humorous stories over the next year. So here is to FLD Stella Artios. May you shine as brightly as your name.

The Hanover Club participates in the NexTrex Plastic Bench Project. Interested organizations can trade in recycled plastic and for every 1,000 pounds connected, Trex provides a bench for the community. Hanover has partnered with local businesses, included R. F. Fager, who saves their used shrink wrap plastic. The collected plastic is stuffed in 55 gallon bags, weight, and taken to a Food Lion collection location in McSherrystown. Food Lion then ships the collected bags to a NexTrex affiliated recycling center.

Over the past two years I have tried to bring something different and educational. This year will be no exception to the continuing different things I bring to the table for those who attend the 2a Zone Social.

If we are lucky we will never know what it is like to be involved in Domestic Violence.

BUT, would you know what to do if you were.

Join the Domestic Violence Services of Cumberland & Perry Counties as we walk a simulated walk through the thoughts, considerations, and consequences of your decisions as you try and escape your abuser.

Talk about the barriers that come with leaving an abusive relationship, shame and stigma when leaving, and community response, to include how we can make a difference.

It is not just as easy as say "I HAVE HAD ENOUGH", it can take much more courage, stamina, and work then you may think to run from the violence.

### Directions:

Carlisle VFW is at 2104 W Trindle Road, Carlisle; across from Burger King.

Please use the entrance closest to the street. No worries of rain, wind or anything else this year as I have moved the social inside.

# Lions International Peace Poster and Essay Contest

**Congratulations** to Shuwen Wang from China for creating this thought provoking peace poster representing the theme, “Peace Without Limits!” Shuwen was the grand prize winner in the Lions International Peace Poster Contest for 2024/2025. A beautiful world beyond the barbed wire fence, framed in the shape of a peaceful dove, is the peace without limits the children are about to experience. What a creative and impactful way to display this theme! Shuwen is 13 years old and was sponsored by the Dalian Delong Lions Club in China. Shuwen attends the Haibin Fine Arts School and says she loves to use her brush to convey beauty.

The Lions International Peace Poster Contest allows children around the world the opportunity to express and share their visions of world peace along with inspiring the world with their art, creativity, and sense of hope and encouragement for each of us. Our Lions Clubs are, also, given the opportunity to extend this gift of sponsorship to the children in local schools or youth groups. Make this year be the year to become involved with this amazing contest for our children!

The theme for the 2025-2026 contest is **“Together as One.”** As quoted from the LCI website: “When we come together, we can do amazing things. This year, we’re inviting students around the world to envision what can happen when a diverse group of people unites around a common cause or goal. Imagine a world where we all come together as one!”

The Peace Poster Contest kit costs \$11.95. You may order the physical kit online at [www.lionsclub.org](http://www.lionsclub.org) or order a digital kit and download it and print it to save on the shipping costs. The digital kit can, also, be ordered at [www.lionsclub.org](http://www.lionsclub.org). Or, you can order by phone by calling Club Supplies Sales at (630)571-5466 or 1-800-710-7822.

Lions Clubs around the world are, also, encouraged to sponsor students in the Lions International Essay Contest. The essay contest was created to offer the opportunity to visually impaired young people to express their ideas of world peace. Students who are visually impaired and who are of the ages 11-13 as of November 15 are eligible to participate. The essay contest rules and application form are available on the LCI website.

Please let me know if there is any way I can assist you in encouraging your club to become involved in the Lions International Peace Poster Contest. Contact me at [hullmann@aol.com](mailto:hullmann@aol.com) or at (717)600-7642.

## Shiloh Hears From Special Olympian

The guest speaker for the April 2025 monthly meeting of the Shiloh Lions Club was Loretta Claiborne, a lifelong Yorker, American global speaker and multi-sport athlete who has competed continuously in the Special Olympics since 1970 at age 17. She has been honored with the 1996 Arthur Ashe ESPY Courage Award and is the first Special Olympics athlete elected to the Special Olympics International Board of Directors. In 2000, Claiborne's life was the subject of "The Loretta Claiborne Story", a television film, and a book about her amazing and inspirational life will be published next year.

Loretta also spoke about her vision screening by Lions Club International at one of the Special Olympics, which she said was the most thorough vision screening she had ever received and actually discovered a small cataract in one eye. # District Disaster Relief Program

## Wildfires

Wildfires are unplanned fires that burn in natural areas like forests, grasslands or prairies. These dangerous fires spread quickly and can devastate not only wildlife and natural areas, but also communities.

DID YOU KNOW THAT A WIND PUSHED WILDFIRE CAN MOVE MORE THAN 70 MPH. You can be impacted by wildfire at home, at work, or on vacation, would you know what do. Learn more at <https://www.ready.gov/wildfires>

## Severe Weather

Severe weather can happen anytime, in any part of the country. Severe weather can include hazardous conditions produced by thunderstorms, including damaging winds, tornadoes, large hail, flooding and flash flooding, and winter storms associated with freezing rain, sleet, snow and strong winds.

Tornadoes

Floods

Thunder and Lightning

## TAKE THE CHALLENGE

**I challenge all Lions Clubs in District 14-C** to raise money and have established funds set aside for Disaster Relief. We know that it is **not a question of if a disaster will occur** in 2025, **but the question is when and where** it will happen. As a district, let us all work together to get ready to support those affected by the next disaster. If each club establishes funds within their club to support the next call for disaster relief, we can react quickly to provide relief rather it be within or outside our district. By having funds earmarked for disaster relief we will all be ready to step up once again in 2025 when disaster strikes.

**Readiness focuses make a great club program or discussion for a meeting.**

If you have questions or want to learn more; please reach out to the DRP Chairperson, Ray Highlands at [carlislelionray@comcast.net](mailto:carlislelionray@comcast.net).

# IMPORTANT NEWSLETTER CHANGES

As Cliff Clavin would say, “it’s a little known fact that there is a maximum size to our newsletter.” This is set by the service used by the Lions and can not be changed. Clubs have been fantastic at sharing photos and flyers, but unfortunately that has led to issues that are too large to send. That leads your newsletter editor to make some new changes to our submission guidelines that will be taking place immediately.

- **Flyers, posters, and brochures can not be more than one page.** You may send a longer piece, but it will be cut down to be only one page and it’s always better if the submitting club makes those changes instead of me. Most event flyers will also only run in one issue.
- **Most articles will only feature one picture.** Keep sending me multiple pictures however. If space permits, I’ll use more.
- **Send all pictures separately and send the originals, not copies downloaded from Facebook or social media.** This helps me resize and re-render them to fit our guidelines.
- **Include the names of everyone in the picture.** Pictures without identifying information will be the first ones cut for space.
- **You MUST include your name and the name of your club in the email submission.** This isn’t related to size requirements but ensures your email will be read. Emails that contain nothing but an attachment often get sent to a Spam folder or blocked altogether. By putting your name in the email, I also have someone to contact if I have questions.

## The usual stuff:

Articles for the June issue must be submitted by May 24, 2024.

Submit articles to the following email:

[district14newsletter@gmail.com](mailto:district14newsletter@gmail.com)

**Thank you all for all of the great submissions! Having too much information for a newsletter is a great thing to have happen!**

## Where's Waldo (a.k.a. PDG Marty Zimmerman)

Lions club members once again showed up to plant trees and provide refreshments at Alliance for the Chesapeake Bay tree plantings in April. The Alliance held two events this spring in District 14-C communities. PDG Marty Zimmerman was the only Lion to participate in both events. Can you find him in these pictures?

The first event was held in Spring Grove on Saturday, April 5th, from 6:00 to 9:00 p.m. Three Lions and one Leo from three clubs were among approximately 40 volunteers who planted over 350 trees. With rain on the way, the group completed the task in just over two hours, allowing volunteers and staff to head home before the rain drops started to fall. The clubs represented were Arendtsville Lions, Stewartstown Lions and Apple City Leo. The Arendtsville Lions Club provided snacks and drinks for this event.

The second event was held in the Seven Valleys area on Saturday, April 12th, from 10:00 a.m. until Noon. Three Lions representing Brogue Community Lions Club and Stewartstown Lions Club participated in this event, which included about 25 volunteers.

Dear Lions, Lion Secretary, and Presidents

As in the past, the Beacon Lodge Golf Outing is coming up in August. Again, we are asking your Lions Club to sponsor a hole. The cost is only \$100.00. Our District has a great reputation for their support of Beacon Lodge. DG Galen Burkholder and I want our district to be the first 100% contributor to this great project. That means that each club in the district will be the sponsor of a hole, and the district also contributes. We unfortunately did not reach 100% last year. This year let's make it 100%

If your club sponsors a hole, there will be a placard on display at the hole. Let us show the rest of Pennsylvania how our District comes through when needed. I will also be calling in May to remind you of this much needed support. As you can see below, there are other sponsorship levels as well.

Your checks can be sent directly to me at the above address. Do not send them directly to Beacon Lodge. Make your checks out to: PA Lions Beacon Lodge Camp and please consider adding this to your club's yearly budget.

Sincerely,  
PDG Tom Jones  
Beacon Lodge Board Member

These supplies supplemented the supplies the club collected from students and staff the following week. The other half of the funds will be used to purchase prizes for the club's activity stand at the school's annual "Cannerval" celebration.

## York Springs Uses Fruits From Breakfasts for Community

The York Springs Club held three Community Breakfasts & proceeds were earmarked for Hope Walks, Lions Beacon Lodge, & York Springs Fire Company. Hope Walks' international headquarters are located in little York Springs. This organization provides treatment for children born with club feet in Africa & Latin America. For about \$500, children can be treated with casting & braces that completely treat this disability. The children & their families can live a normal life, free from social shame, including having the mother being thrown out of her house or out of her community. It's a win-win-win for the affected child, the mother, & the family.

## **We Serve!**

***From the desk of PDG Dennis Cope, Global Service Team (GST) Coordinator***

The 2024-2025 Lion year is winding down, and it's time to make sure your club has all of the necessary information reported in Lion Portal before the portal rolls over to the new Lion year, including your club officers, club information and club activities.

It is critical that your club's 2025-2026 officers are reported prior to the rollover so that your Club President, Club Secretary and Club Administrator have access to the system on July 1, 2025. Failure to enter these officers in Lion Portal prior to June 30 will result in loss of access, probably until late July or early August. Ideally, your officers should be reported by May 31st.

While you are at it, be sure all of your club's meeting information is up-to-date in Lion Portal. Check that your meeting time(s) and location(s) are correct, as this is the information that will be used when the 2025-2026 District 14-C Directory is prepared.

Also of importance is entering all of your club's activities for the 2024-2025 Lion year, to include SERVICE PROJECTS, FUNDRAISERS, DONATIONS and MEETINGS. All of these activities involve volunteer hours and/or people served. Providing this information helps clubs maintain a record of their activities, helps the District 14-C leadership team establish goals and monitor progress, and it helps Lions International show the world the valuable work we do as an organization. The data also helps LCIF show other non-profit organizations that Lions are reliable and valuable partners in providing services to those in need.

If you need assistance to complete your club's reporting of its officers and activities, please do not hesitate to contact me. I'll be happy to help!
