A Message From the District Governor

**District Governor
Doug Nace**

IT IS GREAT TO BE A LION! Lions Clubs International is entering its 108th Year of service and is the largest membership service organization in the world. As we continue to move further into our second century of service, our commitment to taking action and making a positive impact on the world is stronger than ever.

What an exciting time to be a Lion! I am excited and above all, honored to have the opportunity to serve as your District Governor in District 14-C this year. My home club, "The" Brogue Community Lions Club has been very supportive in my journey to become District Governor. My girlfriend and partner in service Lion Terry has been understanding and supportive though this whole process along with my family.

Being a Lions member for over 30 years, I have had the opportunity to meet a lot of great Lions. These Lions have helped me hone my leadership skills along the way, while serving on many of their Cabinets and as a Chairperson. I look forward to their input and encouragement as we work together as a Team to grow and strengthen our District.

My theme this year is "Driving Innovations". I used my two Shelby Mustangs to illustrate, as seen on my District Governor's pin.

The 1966 Shelby Mustang was on the cutting edge of technology back in the day. Jumping ahead 40 years to the 2006 Shelby Mustang, there are so many advancements in technology. This same thought process holds true for our Lions Clubs today. What was done to promote our Clubs 40 years ago may not be the best in today's world, especially due to newer technologies.

It is nice to reminisce about the old days and I get that feeling when I drive my 1966 Shelby, but I have to tell you, it is nice to get into the 2006 Shelby with air conditioning, a great sound system and other conveniences. Today we have a multitude of technology at our fingertips, so let's take advantage to help us promote our Clubs and the fantastic work we do. Our goal in District 14-C this year is to get our Clubs noticed and be known in our communities once again. We, as Lions need to work together to make this happen and live up to our 108 year legacy of Lionism.

I am so proud of our District for what we have accomplished in the past. But more excited knowing we are going to increase our service opportunities this year and make this a better world in which to live. Thank you for your support and I look forward to working with everyone. So let's open the floodgates to New Members, New Clubs and New Service Opportunities.

We can do it!

Yours in Lionism,
Lion Doug Nace

A Message From the 1st Vice District Governor

**1st Vice
District Governor
Patti Wurzbacher**

Lions, LEOs of District 14C

You know what they say—"Time flies when you're having FUN!" And believe it or not, that phrase is credited to Albert Einstein. I have to agree—it's true! My year as Second Vice District Governor *flew* by in what feels like the blink of an eye. It seems like just yesterday I was sitting at my keyboard, staring out the window, watching the birds flutter through the tree branches, and typing out my first article for the District Newsletter. And now, here I am again—same window view, same birds keeping me company—but with a heart full of excitement as I write to you as your First Vice District Governor.

Each year on July 1st, we close one chapter and open another in the Lions' journey. Leadership transitions at the club, District, Multiple District, and International levels bring fresh energy, new ideas, and renewed purpose. We welcome new officers, new members, and new opportunities to serve our communities with creativity and compassion.

I'm deeply honored to continue this journey alongside District Governor Doug, Second Vice District Governor Ray, and the incredible team that DG Doug has assembled. Their passion and dedication are contagious, and I'm excited for what we will accomplish together.

But more than anything, I'm inspired by all of YOU—the Lions across our District—who show up, give back, and lead with heart. You are the reason this organization continues to shine as a guiding light in our communities.

So let's embrace this new Lion year with enthusiasm, purpose, and plenty of FUN.

Together, let's make a difference—and enjoy every moment along the way!

A Message From the 2nd Vice District Governor

Hello Lions and LEOs throughout District 14-C

As we start the new Lions Year, I am honored to serve this year as the 2 Vice District Governor for district 14-C.

I have been a Lion for a long time but have truly embraced Lionism over the past years serving as President of the Carlisle Lions Club and the last 3 years as the 2a Zone Chair. I have been around Lions since the 1960s and can tell you growing up around Lionism has been an honor and a privilege, but I have also learned that Lionism is changing constantly.

As we begin this new year with new officers in the clubs, districts, and International levels, we must all remember we do this for our towns and those around us. Serving is a privilege and an honor, and we all volunteered to be Lions. In fact, we pay dues to serve others, and I asked all Lions to take a moment and remember why you joined Lionism and use that to spark a fire in someone else to become a Lion and see what it means when we Roar "We Serve".

Lionism gives all of us so much opportunity to grow and serve and it is my honor to serve on this year's district cabinet as the 2VDG helping District Governor Doug have a strong and service filled year.

Yours in Lionism
2VDG Ray Highlands

Reflections from IPDG Galen Burkholder

Reflection

1. A rapid year

Warning—DG Doug, VDGs, as I was told, I pass it on to you, it will go quickly.

2. Thank yous:

- Thanks to my home Club as I missed a number of meetings during the year.
- Thank yous to my Cabinet that was supportive and gave me a great year.
- Thank yous to the many people that served on committees.
- Thank yous to multiple clubs that dramatically increased membership.
- Thank yous to the 1100+ members that made me feel welcome as I did my visitations.
- Thank yous that created or sponsored fundraisers for Childhood Cancer.
- Thank yous for those who offered suggestions, including constructive criticism.

3. Beyond my wildest dream:

- Most of you know by now, that serving as DG was a long-term “*bucket list*”.
- There is an old adage that you get back what you put into it—I GOT MORE.
- I enjoyed making many new friends (you became my extended family; I am an only child).
- I enjoyed sitting in my DG seat at MD14 State Council.
- I enjoyed serving as MD14 State Chaplin (Thank you for your help PDG Marty and to DG Nate Fister who nominated me).

Looking to the Future (The Lion head in our logo facing right)

1. I now have added 2 letters before my position (IPDG).

- IP does not stand for “In Pasture.” I will still be involved.

2. I will serve on District Cabinet another year.

3. I will support DG Doug and his TEAM.

4. I will contribute a monthly article for the District Newsletter.

5. I will serve on Long-Range Planning for the next 4 years.

6. I have already been appointed to a MD14 position.

Thank you Lions, one and all, for a great year!!!!!!!!!!!!!!

Get ready to **roar!!!**

Lions SERVE.

Let's let the world know.

Wildfires

Wildfires can happen any place at any time and just recently fires in Adams and Cumberland Counties burned over 3,000 acres.

Fireworks

Each July 4th, thousands of people, most often children and teens, are injured while using consumer fireworks. Despite the dangers of fireworks, few people understand the associated risks - devastating burns, other injuries, fires, and even death.

TAKE THE CHALLENGE

I challenge all Lions Clubs in District 14-C to raise money and have established funds set aside for Disaster Relief. We know that it is **not a question of if a disaster will occur** in 2025, **but the question is when and where** it will happen. As a district, let us all work together to get ready to support those affected by the next disaster. If each club establishes funds within their club to support the next call for disaster relief, we can react quickly to provide relief rather it be within or outside our district. By having funds earmarked for disaster relief we will all be ready to step up once again in 2025 when disaster strikes.

Readiness focuses make a great club program or discussion for a meeting.

If you have questions or want to learn more; please reach out to the DRP Chairperson, Ray Highlands at carlislelionray@comcast.net.

MAKE MONEY FOR YOUR CLUB AT THE YORK FAIR

There are still York Fair shifts available for District 14-C Lions and Lioness/Lions. This is an easy way to make money for your club. Scanning tickets at entrance gates is simple and easy. You can pick your day and shift. Couples can work together at the same gate.

New Freedom Wins Leader Dog Award

WELCOME TO THE TOP DOG CLUB

Clawson Lions Club

New Freedom Lions

Oak Creek Lions Club

Stephenson Lions Club

Francis Scott Key Lions Club

Prescott Sunrise Lions Club

Rockton Lions Club

Scottsboro Lions Club

Thiensville - Mequon Lions Club

The New Freedom club announced that it was honored as one of only nine Lions clubs welcomed into the [Leader Dogs for the Blind](#) Top Dog Club!

This recognition is awarded to clubs that contribute \$5,000 or more in a single fiscal year—support that directly empowers Leader Dog clients to live with greater independence and confidence.

This achievement wouldn't have been possible without incredible community support. The community's generosity at the Dime Pitch at their annual carnival, through collection jars at events throughout the year, the White Cane Day event, the auction held during their Zone Social, and through individual donations made a meaningful difference. Together, we are helping others be unstoppable.

Clubs Honor Lions of the Year

Recently, the York Springs Lions Club awarded “Lion of the Year” award to Lion Wayne Weidner, who oversees the Club’s food trailer & ensures that it travels to the correct location, & then spends much time in setting up the trailer to ready it for food preparation, such as the Club’s various Fruit Events (Strawberry, Blueberry, Peach, & Apple) at Peters Orchards Fruit Stand.

Lion Wayne receives his award from Lion President Tom Hart, Jr.

The Arendtsville Club awarded Lion Hailey Light (left) its Lion of the Year Award from last year’s recipient, Lion Alan Dudley. Lion Alan recalled that Lion Hailey began helping the club during the South Mountain Fair and the Apple Harvest Festival while she was still in elementary school. Lion Hailey officially joined the club in 2022 after graduating from high school. Along with her grandmother and aunt, Hailey helped get the club’s milkshake trailer up and running this past year.

Carlisle Lions and the Carlisle Area LEO Club had a busy spring.

Lions and LEOs worked the gates of the Spring Carlisle Car Showing raising \$2,005.00 for disaster relief. Special thanks to the Boiling Springs Lions Club for helping staff gates for this event as the Carlisle Lions and LEOs had several other events that same weekend.

Lions raised money by parking cars for Carlisle Car Shows in April and June, raising funds for disaster relief.

On April 25, Carlisle Lions Screened over 200 new students at the Carlisle School District 2025-2026 school year kindergarden signup day.

On April 26 Lions and LEOs staffed a booth doing vision screening and gaving away popcorn at the 2025 Safety Kids Day at the Carlisle YMCA.

On May 10th the Carlisle Area LEOs placed over 180 veterans markers on veterans graves at Westminster Cemetery in preperation for the Carlisle VFW to place American Flags in remembrance of Memorial Day.

Mike, Kassi, Malik, Carter, LEO President Lydia, Carlisle VFW Commander Dick, Jasmine and her mom Patricia.

Carlisle Lions and Carlisle Area LEOs provided no-sew blankets for veterans attending the New Hope program at Beacon Lodge. Each blanket contained a special thanks to the veterans.

Newsletter Guidelines:

- Articles should be Word or PDF documents.
- Send all pictures separately and send the originals, not copies downloaded from Facebook or social media. This helps me resize and re-render them to fit our guidelines.
- Pictures should be JPG or PNG files.
- Include the names of everyone in the picture. Pictures without identifying information will be the first ones cut for space.
- Tell us something about the event or organization you're supporting. The more information you provide, the better chance of your article being included.
- You **MUST** include your name and the name of your club in the email submission. This isn't related to size requirements but ensures your email will be read. Emails that contain nothing but an attachment often get sent to a Spam folder or blocked altogether. By putting your name in the email, I also have someone to contact if I have questions.
- Flyers, posters, and brochures cannot be more than one page. You may send a longer piece, but it will be cut down to be only one page and it's always better if the submitting club makes those changes instead of me.

Clubs Award Melvin Jones Fellowships

Plainfield awarded current President Ron Garman a Melvin Jones Fellowship. Ron received the award for his actions in promoting both the Plainfield Lions club and LCI organizations. Some of his actions include purchasing and donating the fruit used for the Plainfield Club's annual Christmas baskets for the last 3 years, and donating chicken corn soup and sandwiches to the less fortunate in the community. PDG Galen presented Lion Ron with his award.

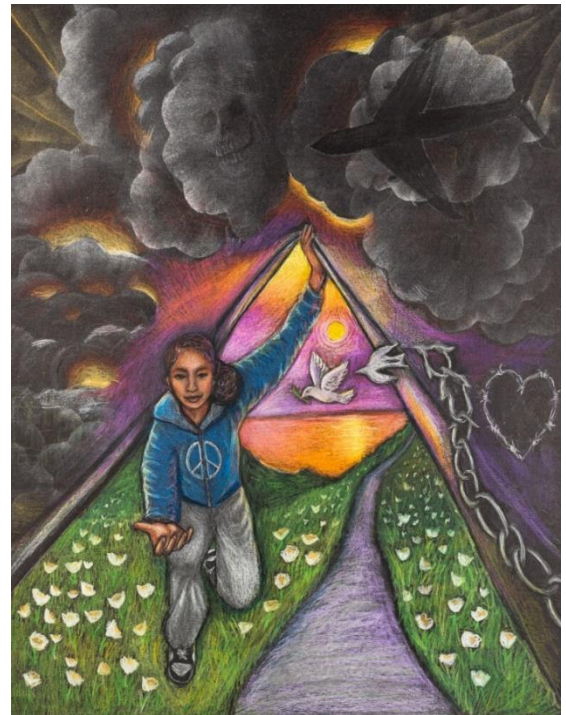

Lion James Bittle (Left) was presented with a Melvin Jones Fellowship at the Arendtsville Lions Club's Charter Night celebration. The award was presented by last year fellowship recipient, Lion David Eisenhart. While presenting the fellowship, Lion Dave noted that Lion Jim's has served as Club President twice, presented programs to the club on fighting wild fires, and been a consistent worker at the club's South Mountain Fairgrounds Restaurant.

Lions International Peace Poster and Essay Contest

Please revel in this beautiful and impactful peace poster created by Ava Simone Durden, a thirteen year old from New Hampshire and sponsored by the Nashua Lions Club. Ava is demonstrating how beyond the curtain of darkness there is peace without limits. Ava was one of the 23 merit winners from this past year's contest in which the theme was "Peace Without Limits." For Ava's hard work and creativity, she was awarded a prize of \$500!

We, also, want to express a sincere congratulations to Robert Hunt, an 11 year old from New Zealand, sponsored by the Lower Hutt Host Lions Club, who won the grand prize in the Lions International Peace Essay Contest for the year 2024-2025! I was very impressed with how Robert regarded his visual challenge as a roadmap in allowing himself to get to know people without making judgements, but, helping him to be respectful of our likenesses and differences.

“Peace Without Limits” by Robert Hunt
“Beauty is in the judgement of the beholder”

Many people in this world long for peace for themselves and for others. Sometimes it feels like there will never be peace. Whether that is peace between people within a country or between countries the presence of disharmony is not beautiful.

Shakespeare stated that "beauty is in the judgement of the beholder" and many people use the phrase, "beauty is in the eye of the beholder". What this means, is that the person who is seeing is judging something's worth by their vision. Scientists believe that between 75% and 90% of what we learn is from our vision. This means that we are taught to value things by how we see our family and friends, our teachers, social media and news, and government treating others. Our judgement is clouded by what we have been taught to see and value.

I was born with severe low vision. This means when I meet people, I do not know what they look like. I cannot see and cannot judge them by my eyes' perception. I do not know if they are old, if they have fair or dark skin. I do not know if they are big, or tall, nor their hair colour. I do not know if they wear clothes that demonstrate spiritual beliefs, nor necessarily, if they are male or female. I do not know if they are missing any limbs, or in a wheelchair or blind like me. I do not know if they are different or the same as me. Instead, I have learned to value people by listening to them and considering their actions to me and others.

I have never thought being blind was either an advantage or a disadvantage. But I do think, that not being able to judge someone's worth in a blink of an eye is a great advantage. To me, not seeing, is just natural and I hadn't really understood that others don't live in a non-seeing world like I do, until I was nearly 8 or 9 years of age. Of course, I knew they weren't blind like me. But it surprised me, that people were seeing and deciding how alike or different people were to themselves with their vision. Possibly what I am describing seems odd to you. However, it would probably feel odd to you to not use your eyes.

If we believe that everybody is equal in dignity and rights this means we need to learn to stop judging or being afraid of other people, because they look different to us, or we see them as not of the same value. Only when we respect and do not judge people by differences, will there be peace. I strongly believe if we could all close our eyes when we meet people, even if this was figuratively, there might be a chance we could get to know people before we judged them. Then we might just achieve peace without limits.

The theme for the 2025-2026 Lions International Peace Poster Contest and Peace Essay Contest is "Together As One." Please consider offering the opportunity of creating a poster or writing an essay (for visually impaired children) by sponsoring an organized group of students to participate. The organized group of students could be from a public/private school, a scouting group, homeschool group, church youth group, teen volunteer group, etc. Students must be 11, 12, or 13 on November 15 to be eligible to participate. You can order a physical peace poster kit online at www.lionsclub.org or order a digital kit and download it and print it to save on the shipping costs. The digital kit can, also, be ordered at www.lionsclub.org. Or, you can order by phone by calling Club Supplies Sales at (630) 571-5466 or 1-800-700-7822. The kit includes the contest rules and guide for the club, the contest rules and guide for the participating students, a participating flyer (this flyer shares the information about the contest with the parent/s), a winner sticker to be placed on the back of the winning poster, an achievement award certificate, and a certificate of appreciation for the participant. The essay contest rules and application form are available on the LCI website.

As said by Fred Rogers, ***"We all have different gifts, so we all have different ways of saying to the world who we are."*** With your help, let's enable our youth to share who they are by sponsoring them to create a poster about peace.

If you would like to discuss how to sponsor a Peace Poster Contest/Essay Contest for your club, contact Lion Patti Hullmann, Jacobus Lions Club District 14-C Peace Poster Contest Chairperson. For more information, email me at hullmann@aol.com or call (717) 600-7642.

District 14-C Vision Screening Chairperson needs your help!

As your District 14-C KidSight/Vision Screening Chairperson, I am asking for you to please report your vision screening being conducted.

Everyone doing Vision Screening please remember to report your hours through your Lions Club to Lions International.

BUT, also, please send me your Vision Screening Report using the 2025 form attached, either by email or regular mail (750 Pine Road, Carlisle, PA 17015) so it can be recorded with KidSight directly for the District to get credit.

Clubs do not have access to enter information into KidSight. I don't need much information, so please take a couple of minutes and send me your information on your vision screening.

I have attached the form that collects the little bit of information needed for me to report on the great things you are doing.

If you have any questions or need any assistance, please reach out and let me know.
