GENERAL

The PDGHC operates under the guidelines of the current version of the referenced document and as properly approved through this procedure.

The PDGHC is made up of all District 14-C Past District Governors (PDG). The Immediate PDG will be accepted into the Committee upon completion of his/her Governor's year. The Committee also includes any PDGs who reside in other districts provided that they maintain their fees for this Committee.

While all leadership positions are nominated and voted on, the chairperson is normally the PDG serving in their fourth year as a PDG (based on the district having four regions), followed by the next PDG in line who will serve as the vice chair. The secretary and treasurer are nominated and voted on.

The Pennsylvania Counselors funds that are held in reserve for the November State Council meetings supported by District 14-C each five years are maintained in the PDGHC account and are subject to audit by the District.
