Our special guest:

International Director Karla Harris

Karla Harris, from So. Milwaukee, Wisc. USA, was elected to serve a two-year term as a director of Lions Clubs International at the association’s 97th International Convention held in Toronto, Canada, July 4 - 8, 2014.

Director Harris is a retired executive director for a non-profit service organization.

A member of the South Milwaukee Lions Club since 2002, she has held many offices within the association, including club president, district governor, Council chairperson, GMT Club Success Team Member, District GLT Coordinator, Multiple District Centennial Coordinator and Leadership Institute faculty member.

In recognition of her service to the association, she has received numerous awards, including the Leadership award,

Membership Advancement Key Award, the Knight of Sight Fellowship and one International President's Medal. She was honored by the White House as a "Champion of Change" for her work to raise awareness for the visually impaired and helping to create the Lions "Rockin' the Vest" Rap Video. She is also a Progressive Melvin Jones Fellow.

In addition to her Lions activities, Director Harris is active in numerous professional and community organizations, including the South Milwaukee Community Center, South Milwaukee Performing Art Center, AFS International, American Red Cross and the Blind Outdoor Leisure Development (B.O.L.D).

Director Harris and her husband, Clarence, also a Lion and Melvin Jones Fellow, have two daughters, both of whom are Lions.

Director Karla gave a tremendous presentation at the Banquet and was well received.

Summary:

The 2016 MD5 Convention was based at the Travelodge South, 4177 Albert St., Regina and the staff were amazing along with the meals. Their hospitality added to the success of this convention. The spouses tour received many great comments and the participants were treated to a personal greeting by Saskatchewan's Lt Governor Vaughan Solomon-Schofield at Government House.

The only problem that arose was the Memorial Service being moved from Friday to Thursday due to time restrictions and although we sent out notices via email and the Lions papers. The web site was not updated in Saskatchewan and it created some unhappy people who missed it.

Overall I feel the Convention for 2016 in Regina was successful and well received.

I wish to thank the many volunteers that helped to make it happen. Also the sponsors who financed our coffee breaks contributed to our financial success.

The Canadian / U.S. dollar exchange was a concern and I would expect will be a major reduction in Canadians heading south to Deadwood in 2017. I hope not but it currently sits at being \$0.75 of the U.S. dollar. Each U.S. \$ costs \$1.34 in Canadian.

I thank the Council for giving me the opportunity to Chair this event
