Please allow four weeks for the fellowship to be processed and issued.

All Sturm Humanitarian Fellows will be listed on a traveling poster board that will be on display at all District Cabinet meetings and at the District Conference. There will also be a listing of the Fellows on our District Website.

The Fellowship will include a Black Walnut personalized plaque, a patch for your vest, a gold pin and a letter of congratulations from the Board of Directors. There will also be a suggested script included for the presentation.

However, any one of the nine Board of Directors of the Sturm Humanitarian Foundation would be most honored to make the Fellowship presentation.

Sturm Humanitarian Foundation Fellowship

The Sturm Humanitarian Foundation is an affiliate humanitarian organization of Lions District 27B2 of the Lions of Wisconsin. It was organized as a non-profit 501C3 organization for the benevolent purposes within the District 27B2.

The Sturm Humanitarian Foundation's Board of Directors has now established the "Sturm Humanitarian Foundation" Fellowship program.

This Fellowship is the foundation's highest form of recognition that can be presented to an individual that has gone beyond the normal acts of Humanitarian service. While we as Lions do not need awards, but, are truly entitled to be recognized for their Humanitarian efforts in their club and/or community.

This Fellowship may be obtained by filling out the form on this flyer with a \$1,000 donation. This can be a one-time donation or be spread over up to four years. Once the full \$1,000 is received, you will want to have the recipient named at the time the Fellowship is ordered. While making the payments, simply list the Name of recipient or To Be Named. We will need the Name before the Fellowship can be issued.
