

***THE INTERNATIONAL
ASSOCIATION OF LIONS CLUBS***

LIONS OF ILLINOIS DISTRICT 1-CS

**DIRECTORY OF
CLUB AND CABINET OFFICERS
FOR
LIONS YEAR 2016 – 2017**

**BISHOP DEREK
EURALES
DISTRICT GOVERNOR**

“Guardian That Serves”

LIONS CODE OF ETHICS

**To show my faith in the worthiness of my vocation
by industrious application to the end that
I may merit a reputation for quality of service.**

**To seek success and to demand all fair
remuneration or profit as my just due, but to accept
no profit or success at the price of my own self
respect lost because of unfair advantage taken or
because of questionable acts on my part.**

**To remember that in building up my business
it is not necessary to tear down another's, to be
loyal to my clients or customers and true to myself.
Whenever a doubt arises as to the right or ethics
of my position or action towards my fellowmen, to
resolve such doubt against myself.**

**To hold friendship as an end and not a means.
To hold that true friendship exists, not on account
of service performed by one to another, but
that true friendship demands nothing, but accepts
service in the spirit in which it is given.**

**Always bear in mind my obligation as a citizen
to my nation, my state and my community, and to give
them my unswerving loyalty in word, act and deed.
To give them freely of my time, labor and means.**

**To aid my fellowmen by giving my sympathy
to those in distress, my aid to the weak and my
substance to the needy.**

To be careful with my criticisms and liberal

with my praise, to build up and not destroy.

This year, International President Chancellor Bob Corlew encourages Lions to climb new mountains and achieve our Centennial goals. Reach the summit of service by joining Lions in the Centennial Service Challenge to help 100+ million people; build your club by inviting for impact; connect with communities through Centennial Legacy Projects and promoting your activities; and lead Lions over the next mountain.

How will your club and your members meet President Corlew's theme?
