LIONS FACTOID

1920: Going International Just three years after our founding, Lions became international when we established the first club in Canada. Mexico followed in 1927. In the 1950s and 1960s international growth accelerated, with new clubs in Europe, Asia and Africa.

LET ME ASK . . .
WHY DID YOU BECOME A LION?
DOES THAT SAME ZEAL THEN STILL RESIDE IN YOU?
WHY DO YOU ATTEND YOUR MEETINGS?
ARE THEY FUN? IS THERE CAMRADERIE?
WHAT IS YOUR FAVORITE SERVICE PROJECT?

Among the objects adopted in our early years was one that read, "No club shall hold out the financial betterment of its members as its object." This plea for unselfish service to others remains one of the association's main tenets.

CLUB CONTEST RULES

This Lions Year we have only one club contest rule. It is simple and straight forward, and it addresses membership. The contest rule is as follows:

The District 1-CS Governor's Cabinet will purchase and serve a meal to the club that has the highest net percentage increase (a minimum of ten percent (10%)) in membership at the end of the current Lions Year (June 30, 2020). Further, the new members must be a Lion in good standing for one year and one day. Additionally, the District will reimburse the winning club up to \$60.00 for each aforesaid new member's dues.

This contest begins July 1, 2019 and ends July 1, 2020 (A year and a day). All net gains are based upon Lions Clubs Internationals monthly Membership Register Summary, Form MBR0009.
