

6SE Global Leadership Team Coordinator
Cathy Valenzuela
Report November 18, 2023

Training for current and emerging leaders has been offered and promoted through multiple communications via our district Facebook page, emails to district leadership and all club presidents and secretaries, and in person.

We had five members of District 6SE attend the USA/Canada Forum in Reno, and want to encourage members of our district to plan now to attend the next one in Louisville, KY. The dates are September 5th to 7th, 2024 and the district has set money aside to offer \$500 scholarships for first time attendees to help cover the cost of your registration and room! Put this on your calendar now! <https://lionsforum.org/>

Zone chairs and potential zone chairs have been contacted, and we have completed one training program in Wiley.

We are planning for a zone chair training at the district convention, and have received a grant from LCI thanks to FVDG Lisa.

Our training in Wiley packed a lot of information into one evening! With a large group that included Lions from Wiley, Lamar and Swink clubs, we held a "Building a Vision" session with a call to action for each club to set SMART goals and create action steps based on what they identified as areas for improvement. Then we broke out for Club President/Vice President training in one room led by FVDG Lisa, and Secretary/Treasurer training in another with me. A wide range of experience was represented in each session, so mostly what we covered was how to access resources to support leaders in their roles. Questions were answered and e-books handed out.

I invite all zones to set dates for a visit to let us bring learning to you!

Thank you.

PDG Cathy
