

Rocky Mountain Lions Eye Bank  
District 6-SE Cabinet Meeting Report  
PCC Dr. Ron Smith

November 18, 2023

The second board of directors meeting of the Lions year was held November 10<sup>th</sup> at the Rocky Mountain Lions Eye Institute.

The surgery fund continues to help with eye surgeries. Two applicants were approved for cataract surgery. Investments have been down, but are recovering which will allow added money to be put into the fund.

Tissue donations are down slightly at the beginning of the year, but October was one of the best months since the pandemic.

Personnel continues to be a real challenge. Issues including finding applicants that are the right fit for the work and finding people who are committed to staying after training.

The annual appreciation dinner for the staff and board was held that evening. This was a very nice event and it was great to meet staff that we never see and reward them.

I am available to come to clubs to discuss the eye bank. This project of the Lions of Colorado and Wyoming is really something to be proud of.

Yours In Lionism,

PCC Ron Smith  
District 6 SE Trustee
