District 2-S5

## Governor's Message

If you have ever tried to recruit volunteers to serve as a Lion, there is a good chance you said something like *"You will feel good when you do it."* You said that because it's true. We do in fact feel good when we serve. But why? Why do we feel good when we serve? Is it simply a warm feeling somewhere deep inside that is hard to describe but we know it when we feel it?

It turns out we are hard wired to serve. There are *biological* reasons for why we feel good when we serve. Medical science has long known that volunteering contributes to better health. The most recent contribution to this knowledge is Marta Zaraska's [Growing Young: How Friendship, Kindness, and Optimism Can Help You Live to 100](#). Zaraska has replaced the conventional thinking of diet and exercise as keys to a healthier life with convincing arguments and ample evidence that social engagement, kindness, and/or serving do more for longevity.

Ask someone you know to be a Lion. It will make both of you feel good!

## Global Membership Team Report

PDG Ron Gay, District GMT

Lions,

It's winter, it's cold, and our recruitment of new Lions in District 2-S5 is growing just as cold.

We finished the month of January in the plus column by one member. With 25 clubs reporting, we recruited 17 new Lions and dropped 16 Lions for a net gain of one (1). For the Lions year we are still reporting a net loss of 36 members.

Kudos to those clubs for keeping membership active during the Month of January. The District was led by the **Washington County Ladies** with a net gain of 4 new members, followed closely by the students at **Blinn College** with a net gain of 3 members. **Giddings New Horizons**, **La Grange Noon** and **New Baden Camp Creek** reported 2 new members each. They were followed by **Bryan Noon**, **College Station Noon**, **Columbus** and **Giddings Breakfast** all with one (1) new member each.

Lions, time is running short, we need to shake off the frost and bring some more folks into the sunshine of community service through your Lions Clubs. Let's not wait any longer, let's start today.

Ron Gay, PDG

## Our Global Causes

### Humanitarian\*\*

The humanitarian efforts of Lions have been notable and celebrated for more than 100 years. Working together, Lions identify the world's most crucial needs and LCIF supports them in their efforts to provide humanitarian aid where it's needed most.

### Global Statistics

- **15%** of the world's population experience disability; prevalence higher for developing countries; ≤190M experience significant disability.
- **~20M** people need hospice care annually ~3M receive it.
- **High social connectedness** = 50% increased change of longevity.

Humanitarian spirit is at the core of every Lion. Helping Lions take this spirit of kindness to their communities is Lions Clubs International Foundation (LCIF), uniquely privileged to provide clubs and districts with grant funding to create a healthier, happier world. Since 1968, LCIF has funded service so Lions Can deliver solutions.

## Lions Clubs International Global Causes

From [Our Global Causes](#) at the Lions Clubs International web site.

Lions Clubs worldwide have over 1.4 million members and has an opportunity to truly change our world. That's why LCI has united its global service around five areas of need.

1. Vision
2. Diabetes
3. Hunger
4. Environment
5. Childhood Cancer

And these are coupled with existing service areas, including

1. LCIF Disaster Relief
2. **LCIF Humanitarian Efforts**
3. LCIF Youth
4. Eyeglass Recycling
5. SightFirst
6. KidSight

It has been said that ***Where there is a need, there is a Lion*** and that is truly the case with these Global Causes. The Lions motto is **We Serve** and there are plenty of areas where each and every Lion can get involved.

Each month our newsletter will highlight one of the global causes or service areas. For many of these, District 2-S5 has a coordinator or chairperson. Please consider asking them to visit your club for a program.

## From the Mid-Winter Conference

### Youth Coordinator Lion Pat Jackson

Many times, we underestimate our youth! However, they really shone this year, displaying extraordinary talents, from Peace Posters to Opportunities for Youth Contests. We tend to desire the very best for our youth and supporting them wholeheartedly was the key to their success this year! Many Clubs have been more than supportive in donating to the scholarship fundraisers to ensure that our youth have many opportunities in the future. Thank you so very much for all YOU do as Lions.

The **Peace Poster Contest** was held in November 2021 with four winning posters selected to represent the District. Alana McLeod (on right in this picture), sponsored by the Bellville Lions Club, took home first place and represented our District at the State level. Second place went to Emma Koeth (not pictured), sponsored by the Weimar Encore Lions Club, with third place being awarded to Leslie Jimenez (on left in this picture), also sponsored by the Weimar Encore Lions. Honorable Mention was given to Silas Littlejohn (not pictured), sponsored by the Lexington Lions Club. Each of these winners were presented monetary awards for winning. There were ten (10) contestants total. Each participant was given a flash drive of the PowerPoint presented during the Mid-winter Conference held on Saturday as a token of appreciation for participating this year.

Saturday morning started out with a lot of excitement and nervousness for our Opportunities for Youth contestants at the public library. A brief orientation was presented where all were reminded of the rules and encouraged to perform at their very best. Judges were escorted to their rooms followed by contestants. There were three contestants in each of the three contests. The winners were not announced until during the luncheon at the Venue on Main. The first-place winner from the **"Diabetes Awareness Essay Contest"** was Adelaide Kuespert (on the right in this picture), sponsored by the Bellville Lions Club. Katherine Melnyk (on the left in this picture) placed second and was sponsored by the College Station Noon Lions Club. Third place winner, sponsored by the Giddings New Horizons Lions Club was Malia Droegemueller (not pictured). Judges for this contest were: Darrecia Johnson, former student contestant winner in 2011 in all three contests; Dr. Vance Bradford and new Lion Samira Noori, both educators.

Contestants participating in the “**Drug Awareness Speech Contest**” were on fire! The judges stated that they had a difficult time determining winners for this contest. However, first place winner was Kylee Svinky (on the left in this picture), sponsored by the Bellville Lions Club. Jaime Doggett (on the right in this picture) received second place and was sponsored by the Giddings New Horizons Lions Club. Keeley Loyd (not pictured) placed third and was sponsored by the College Station Noon Lions Club. Judging this contest were: Casey Goetz, Sheriff of Lee County; Lisa Campbell, medical assistant; and Brian Francis, Executive Director of the Texas Department of Licensing & Regulation. Timekeeper was Lion Katherine Everett, Giddings New Horizons Lions Club.

The “**Outstanding Youth Contest**” saw three participants at their very best. Six current event questions were posed to each contestant with answers to be given within two minutes. Each participant received the same six questions. Other criteria had been scored before the interview session. Cole Helmcamp (on right), sponsored by the Bellville Lions, won first place. Harper Rose Cunningham (middle) placed second and was sponsored by the College Station Noon Lions. Third place was awarded to Daniel Selvey (on left), sponsored by the Giddings New Horizons Lions. The three amazing judges were: Frank Malinak, Texas Rangers Assistant Chief, Retired; Dennis Roberts, retired State employee; and Bill Weems, Chief of Giddings Police Department.

All contestants were awarded a Gold, Silver, or Bronze Medal for placing in the fore-mentioned contests. These awards, along with a certificate of participation, were presented to each contestant by 2<sup>nd</sup> DG Jane Istre in the absence of our other Youth Coordinator, PDG Dr. Johanna Elliott. Thank you all, especially the parents and judges for taking time out with our youth! All winners will be notified in June as to the amount of the scholarships they won and how to go about receiving them. The first-place winners from all three contests will advance to STATE in May, held in Abilene this year. However, the contests will be via ZOOM with the winners being requested to attend the STATE Conference on Saturday, May 21, 2022. Winners will be notified via email in April 2022 as to what will be expected in preparation for the STATE contests. Congratulations to all participants and thanks to everyone for allowing me to serve and entrusting me with your youth!

## Closing the Loop on Vision Screening

### College Station Noon goes to Calvert

This story begins with a toy drive for children in Calvert, Texas and ends with twenty-five children each receiving a brand-new pair of eyeglasses. It demonstrates what Lions can accomplish by closing the loop on vision screening.

Each year College Station Noon supports a Calvert Toy Drive, led by CSNLC Lion Bill Lartigue. The drive is sponsored by the Calvert Conflict Resolution and Tutorial Center, a non-profit run by Shereka Waldon (at right with Lion Meredith Childs), her sister, Tamara, and their mother, Carolyn.

Each year College Station Noon contributes to the toy drive and attends the gift exchange to provide vision screening for the children in the Calvert ISD. This year the festivities began at 8:00 AM, December 17, 2022, with students coming into the school's auditorium, one grade level at a time. Each student receives a vision screening and then they can pick up their present, meet with Santa and have their picture taken. The team from College Station Noon screened about 100 children with 40 referrals. Lion Glenda Schneider, who leads the KidSight program for College Station Noon, returned to Calvert in early January 2022, to screen students who were absent the day of the gift exchange.

But the story doesn't end there. The principal of the school asked if we could assist in getting eye exams for the students who needed them. Lion Glenda Schneider contacted College Station Noon Lion Dr. Matt Greene at Urban Optics in College Station to arrange for the examinations and they were all aboard with the project. On January 21, 2022, twenty-five students boarded a "yellow hound" in Calvert to make the drive to College Station. Dr. Greene and his staff started the exams shortly after Noon and finished by 2:30 PM. While waiting their turn, the students watched movies and ate

snacks in the Urban Optics lobby. When the exams were completed, 25 students had selected new frames to go with their new prescription and the glasses were ordered.

PHOTO BY DAVID TRAVIS ON UNSPLASH

The happy ending to this story is the glasses were delivered and the students, parents and teachers are happy and excited about the project. CSNLC is looking to do a follow-up for those students who could not make the trip on January 21. College Station Noon sends a huge THANK YOU to Dr. Greene and the entire staff of Urban Optics.

## Paws With a Cause

From Lion Meredith Franks

Fellow Lions,

I started a program called Paws for a Cause for pediatric cancer. While I was not aware of it at the time, just so happens National Cancer Day is the 24<sup>th</sup>. The spouses of DGs decided we wanted to do a service project while in Kerrville last week. For \$20, my cost for all of the purchases, people could assemble a Lions imprint bag, sign a Lions card with their name and club to be delivered to Cooks Children's Hospital in Fort Worth. All contents were researched beforehand and were mostly sensory/fidget toys, activity books and each received a [Squishmallow](#). These were all cleared with the hospital beforehand. It was also a

work in progress as we had some of the contents to be made on the spot such as glitter tubes and yarn octopus kits. They will also be available at the State convention. The contents of a younger boys 3-6 is shown in the bottom. It was well received as people said that there has never been anything like it. Our group works so well together, and we will continue with other service projects.

Blessings.  
Meredith

On 01/06/2022 College Station Evening Lion Terry Bohler proudly showed his Jack Wiech Fellow Award with the Texas Lions Camp Letter.

Lion Terry Bohler joined the College Station Evening Lions Club as a charter member in 2015 (over 6 years ago). He is well-known in our community through his efforts to chair the College Station Evening Lions' annual Sporting Clay Shoot, which is the club's most important fundraiser. Our club would not be able to make the impact that it does without our new Jack Wiech Fellow, Lion Terry Bohler. Congratulations!

## College Station Noon Lions Club

### Fall Festival Contribution to Texas Lions Camp

Using the proceeds from its 'I Love America Fall Festival' fundraiser, College Station Noon almost doubled the contribution to the Texas Lions Camp by providing matching grants for Jack Wiech Fellowships. Twelve members of College Station Noon took advantage of the matching funds to become first time Jack Wiech Fellows or to add to their progressive fellowships. For their help and support in making the Fall Festival possible, the team presented Santa's Wonderland with a Jack Wiech Fellowship as well.

**LIONS CAMP SUPPORTERS.** College Station Noon Lions used matching funds from the 'I Love America Fall Festival' for \$1,000 Jack Wiech Fellowships supporting the Texas Lions Camp. Among them are, from left, Katina Osth, Bob Wolfert, Judy LeUnes, Patricia Burchfield, Floyd Kaigler (event chair), Tom Haycraft, Bob Gilmore, and Richard Talbert. The multiple-Lions-club event, plus a big gift from Santa's Wonderland, raised \$23,000. Not pictured is Betty Lou Allison, Loren Skow, Mary Parish and Philip Garrett. Photo by Lion Bob Beals.

### Christmas Tree Sales

During this pandemic period, finding a good supply of Christmas trees proved to be a challenge; however, College Station Noon persevered and had a great sale, raising over \$20,000 for its charitable causes.

# Sign Up, Step Up, Catch Up

## Sign Up, Step Up, Catch Up

### For Century Club - It's "Service from the Heart"

If you aren't a member of the TLC Century Club, please "Sign Up"; if you are a member, consider "Stepping Up" to the next level; and if you were a member but dropped out, consider "Catching Up" (i.e., come back in).

**What is Texas Lions Camp Century Club?** It's an individual annual giving program, and as such, it is giving from you own heart, independent of Club budgets or fund raisers. It is one of the life bloods of our operating budget, that in normal times sends 1500 children with special needs to Texas Lions Camp every year, and yet less than 5% of Texas Lions are members.

**Who can be a Century Club Member?** Anyone can be a member. You don't have to be a Lion. It can be family or friends. You can even be a non-Texan, but it is our Texas Lions who are the backbone of the Century Club.

**What does it cost to be a member?** You can give your gift annually, or you can give monthly. A Bronze member is \$100 (\$10 if monthly); Silver is \$250; Gold \$500; Diamond is \$1,000; & Ambassador is \$5,000. Membership automatically renews each year, so members should join with the intention of making their same gift each year or even increasing their level.

**How do I enroll or Step Up?** Go to [www.lionscamp.com](http://www.lionscamp.com), click on "Get Involved" and go to "Donate Now". There you will find "Ways to Give". Click that open and select "Century Club". If you scroll down, you will see the option to enroll online or to download and print out the form to send to the Camp directly.

**Sign Up, Step Up, Catch Up** is a 3-year drive to beef up our Century Club membership for the Texas Lions Camp, as a birthday present to Texas Lions Camp on it's 75<sup>th</sup> Anniversary in 2024. Today we have half the number of Texas Lions, supporting twice the number of campers at twice the cost, as we did some 30 years ago. If we reach our goal of **2 new Century Club members/club/year** over the next 3 Lions years, we will generate an additional annual income of \$500,000, which would generate 15% of our operating budget, and help us keep serving our special children into the future.

Two per Club (6 over 3 years) is doable. "Signing Up" as a new Bronze member at \$10/mo. (\$120/yr.) counts as one; but a new Silver (\$250) counts as 2; Gold (\$500) is the same as 4 Bronze; etc. Likewise, "Stepping Up" from Bronze to Silver counts as a +1; Bronze to Gold adds the equivalent of 3 new Bronzes; going from Silver to Gold is the same as 2 new Bronzes, etc.

**\$500,000/year – now that's some 75<sup>th</sup> Birthday present!**

There's a saying at TLC that **"ALL CAN DO"**. Yes, Texas Lions, 2/Club/Yr. **WE CAN DO IT.**
