Training Benefits

Training is vital to the growth, health and future of the Lions organization. Yes, "We Serve," but the quality of our service depends upon the quality of training.

Training can also influence membership. Through sharing ideas, success stories, and humanitarian endeavors, training unites Lions and solidifies their commitment to service. Today's volunteers view opportunities for personal and professional growth as a primary motive for volunteering. Organizations that provide training enhance the volunteer experience by meeting the needs of the community and the member simultaneously. Training is just one more way Lions Clubs can enrich the lives of members.

Through training, individual Lions can grow personally and professionally, expand their knowledge and skill base, and enhance leadership and organizational skills.

Presentation Skills

Training involves more than "stand up" delivery skills, but those skills are extremely important in conveying your message. Learn critical delivery skills for effective trainers including:

- Eye contact and movement
- Tone, pace, and expression
- Movement and posture
- Appropriate language usage

Leadership Skills

Leadership is a key skill for all Lions. Being an effective leader means taking initiative, being open to diverse opinions and encouraging creativity and innovation.

Lionistic Skills

Part of being an effective leader is knowing how to talk about the Lions organization. Learn how to communicate who Lions are, what they do and how their services enrich lives.

Training equips Lions with the motivation, knowledge and skills to ensure that a high level of service is provided. It develops more leaders, and more leaders translates into greater service. Training makes Lions more effective.
