From District Governor Harold DeMott

Happy July 1st. I can't believe my time has arrived. I am now officially the District Governor. I will do my very best to make you all proud to call 11 D-1 your District!

I know the beginning of this fiscal year may still hold some challenges, as was the ending of IPDG Lion Steve's fiscal year. With the talk of a relapse of Covid-19 we may still face some challenges. But, I also know that the Lions in our great District are very resilient. We have really great Lions in our District who are imaginative and are planning some great activities. It will take all of us working together to get things rolling again.

Lion Matt Tetloff is helping all of our District Clubs with opportunities for all to prosper. Thank you Lion Matt. We are and will still need other ways to grow and prosper. If you have an idea of a new way to grow and or prosper please share with others, the more we put our thoughts together the better and easier it is on everyone to make it happen.

I am sorry that IPDG Lion

Steve and his First Lady Lion Deb missed out on having their Convention. They had many hours involved in planning a very nice, as well as fun convention. Lion Mary and I missed going to the Singapore Convention. And because of technical difficulties I was unable to be sworn in on Kudo (like Zoom) as our District Governor, but I am told I will still be the District Governor lol.

I am truly looking forward to serving you as District Governor. If you ever have any questions or concerns feel free to contact me and I will do my best to answer them. If I don't have the answer, I will find out who does. Email: hlmd012@charter.net or call 248-408-0508.

So lets "Move Forward" (IPDG Lion Steve VanTol) and "We serve through Diversity" (Dr. Jung-Yul Choi).

WE COULDN'T DO WHAT WE
DO WITHOUT YOU!! THANKS
FOR ALL YOU DO!!!

Lion Harold DeMott DG

MAKE IT FUN AND WE WILL MAKE IT HAPPEN TOGETHER!!!

From 1st Vice District Governor Duane Wilcox

Hello fellow Lions,

July 1st is the start of another great Lions year. It will be a little different this year until we can get a hold on this COVID 19 virus. Social distancing and face masks are the new normal while out in public.

A lot of clubs are out doing what Lions do best - serving our communities, and the people that live in them. Where there is a need, there is a Lion ready to help.

Please help your club out by paying your dues as soon as possible. That way, your club will keep on running smoothly in the new year. If you are having trouble paying all of your dues at one time please contact your treasurer and work out a payment plan that will work for you.

Installation of new officers can be

done via zoom, if your club would like to do so. The district has a zoom account. You can call our district administrator IPDG Lion Steve, and he would be happy to help any club that would like to do a zoom meeting.

If your club would like someone to install your new officers, DG Harold, myself, and 2VDG Lion Jack are available and happy to install them. Just contact one of us with a date, time, and place.

Here's wishing all clubs a great year of fundraising and community service. If any club needs any help or has a question please don't hesitate to call one of us. We have a great support team in our district.

*Your friend in Lionism,
1VDG Lion Duane.*

HUMBLE AND KIND

From 2nd Vice District Governor Jack Frost

Thank you for your confidence in me in electing me as your 2VDG. I look forward to serving you and District 11 D-1 to the best of my ability.

I plan to attend the training for VDGs which is scheduled for July 31st in Mount Pleasant, and look forward to learning more from District Governor Harold DeMott and 1st VDG Duane Wilcox.

Thanks to IPDG Steve VanTol for his leadership during the current pandemic. Our Lions District has already made a significant contribution to the flood relief effort in our area. We will surely face more challenges in the coming months, but as Lions we will continue to serve and we WILL get through this!

Please feel free to contact me on my mobile number 989-295-4714 if you have any questions or concerns, or if there is any way I can be of assistance to your Lions Club.

*Sincerely,
Lion Jack Frost*

Four-in-One Event

September 13

From Immediate Past District Governor Steve VanTol

Lions of District 11D1,

I would like to thank you all for supporting my year of service as the 2019-2020 District Governor. These past four months have been a challenge for your club and our district due to the Covid crisis. How sad!

However, Lions are resilient. Plans are being made by the Auburn-Williams Lions Club to conduct events which would have taken place at the District Convention. Stay tuned for more information about the "2020 Four in One Event." This brings together the important stuff from 3 events into one. Plans are to make it dressier with a nice plated dinner. Unfortunately, the cost increases due to COVID brings the price up slightly. Additional staff must be paid to keep the guests and staff safe and follow the State of Michigan Governor's guidelines. Remember, this is a "Four in One Event" so you have saved money. It is also a good time for those who have not attended the District Convention to get a taste of what they have been missing at a much more economical price. This event is a break-even event.

Disaster Relief Fund (update)

Thank you, Lions and friends of Lions, for your donations to the NEW District 11-D1 Disaster Relief Fund! The fund received \$5,330 to assist in the disaster relief caused by the Edenville and Sanford Dam failures. This

is over the \$3700 goal. Since the last newsletter article, donations were received from Montrose, St. Charles, Cass City and Buena Vista Lions Clubs. Individual Lions donations were PDG Dennis Poirier, ZC Vaugh Begick, Frank Davis, Matt Tettloff and DG Steven VanTol. Also, a donation was received from Jean and Gerry Christensen, Lion Debra VanTol's sister and brother-in-law. The Disaster Relief Recap will come with the next newsletter because some details are still outstanding.

NAMI (North America Membership Initiative)

Our district has joined the NAMI program. To get a detailed overview of the program follow this link <https://lionsclubs.org/en/nami>. The program was started in 2019 as a test program in Constitutional Areas CA1 and CA2. The program has now been expanded to allow all the districts to participate.

DG Harold DeMott has asked me to be the NAMI Champion but help is needed. I am looking for assistance to implement the program. There are four primary areas of focus: 1) New clubs. 2) New members, 3) Member satisfaction, 4) Leader support. Each of these areas need a team leader as well as other Lions to assist the team leader. Included in this newsletter is a shortened version of the NAMI Frequently Asked Question Sheet for your review.

continued next page

Please e-mail lionsteventantol@gmail.com or call 989-430-9500 to express your willingness to assist with the NAMI initiative. We will start meeting as a team using the district ZOOM account. A ZOOM invitation will be sent to those interested in helping.

Virtual Events Center

The Lions Club International's website is chuck full of information. As NAMI Champion for the district, I was directed to this page of the website. <https://lionsclubs.org/en/virtual-events-center>. This page was

new to me and has all kinds of information available in video recording or PowerPoint format. It makes the information more interesting and is a valuable tool for Lions and Lion leaders.

We Lions have kept "Moving Forward," during this Covid crisis. I look forward to continuing working together to increase membership in the world's greatest service organization. Together we can keep Moving Forward. Stay safe friends.

Membership and Recruitment Public Relations & Social Media

Hello Lions and welcome to the new Lions Year!

Dennis Poirier and I are working together to hopefully make a bigger impact for our district. We have some new ideas for publicity and membership, but we also want to hear from you and listen to your ideas! As we move along this year, we want to start off strong and want to help where we can. Your club is a very valuable part of our district and we need all of our parts to be as successful as possible.

I will be making a quick 5-minute survey that the clubs can send their members to update their files and get a little more insight to the member's social circles and public interaction. This will help tremendously with creating more engagement for membership, fundraising, and activities. There will be more information coming soon.

We also want to be able to set up a round table with the presidents, secretaries, and members that are recruiting to understand the process better and be able to make great suggestions to clubs with informed information. We have so many Lions making great strides in recruitment and we want to be able to pick their brain and help get more Lions involved to be good Lion recruiters as well. We will be also working on some free publicity tools that can be helpful for recruitment opportunities.

I hope everyone is having a great summer and we will be reaching out soon. If you have any questions, please reach out to us. We look forward to another successful year and working with you all.

The Defense Against Diabetes (D.A.D.) program is an eight-week lifestyle change program developed from the CDC's year-long National Diabetes Prevention Program (NDPP) curriculum. District 11 D1 Lions Clubs

Hello Lions!

As we all know, the Corona Virus has made things difficult for ourselves, community, and Lions Clubs. Then to make matters worse, we received heavy rains which caused flooding due to over filled dams and broken dikes. There is so much damage along and within 3 of our districts. The rebuilding will be a slow process and many of us aren't sure of what type of help will be made available in the near future. Many have already been denied insurance claims from their insurance providers for various reasons.

Our Bay City Lions President Steve Goss took a ride out into Midland and surveyed part of the area. He reported back what he saw to our District Governor Lion Steven VanTol and a discussion was started on what we as Lions could do to be helpful in this situation. As the conversation grew, a few more Lions joined in. 1st Lady Lion Debra VanTol and myself were asked to help to organize and help with submitting a grant to International through the LCIF fund. I volunteered to help write the grant, Lion Debra jumped on the phone along with Lion Steve Goss and we were in the end able to get some immediate initial supplies free of charge from Sam's Club and Target. However, there may or may not have been a small accident with water bottles disbursed upon the concrete. We may never know. These items were brought out to the Midland area and dropped off at a designated location along with some supplies brought into the Freeland Sports Zone to the chosen United Way Location. The United Way seemed grateful but has not recognized our district for the donations as of yet.

Once we received the grant for our district, plans were made very fast. We worked with 3 local restaurants in the Freeland and Shields area for Food Vouchers for the people affected by the flood. We also bought pallets of water and bleach. Buckets were donated and we were ready to go. By now, we had accumulated several volunteers from the post on the district Facebook page and did not have a need to send out an email to the clubs for this round. We were shocked at much of the devastation and property damage, but the people were in overall good spirits and appreciated the small part of help we were able to give. They seemed very grateful that someone cared and wanted to do something nice for them. We saw a lot of smiles, some tears, and lots of hugs were freely given out.

There was a lot of destruction in the Freeland, Shields, and Saginaw Township areas following the course of the river. Here are just a few more pictures of the destruction caused by the flooding.

The following week we were able to go to the Spaulding area and assist them in the same way that we were able to do previously. These residents also seemed very grateful and appreciative that someone was thinking of them and welcomed our help.

North America Membership Initiative

1) What is the North America Membership Initiative (NAMI)?

NAMI is a focused program designed to address and reverse the decline in Lions membership in Constitutional Areas 1 and 2 (CA1 and CA2).

2) Why is this program important?

Evidence of similar membership declines is appearing in other parts of the world. We need to establish a solid plan for revitalization and growth before our organization's ability to serve humanity—our core mission—is fundamentally compromised.

3) What are the NAMI objectives?

1) Rejuvenate districts with new clubs, 2) Revitalize clubs with new members, and 3) Re-motivate members with new fellowships and exciting service.

4) What are the goals of NAMI?

The goals for the pilot districts are positive membership growth and the development of scalable best practices. By June 2021, we expect 200 new clubs and 44,000 new members in CA1, and 20 new clubs and 5,000 new members in CA2. The goals for June 2023 are 315,000 total members in CA1 and 38,000 total members in CA2.

5) How is progress being reported?

Key stakeholders receive monthly status reports. Progress is also being shared at International Board of Directors meetings and at the USA / Canada Forum.

6) How will districts in North America indicate they will participate in 2020-21?

First Vice District Governors will complete a form, which will be available from the NAMI webpage, lionsclubs.org/nami, after attending the FVDG/DGE seminar in February 2020.

7) What happens after a district decides to participate?

Leaders from each district will meet to build a team, develop their own goals and a plan for achieving them.

8) Who leads the initiative in NAMI districts?

Part of building the NAMI team is identifying a NAMI Champion for the district, a leader who will promote and manage the initiative, foster execution and report results. The NAMI Champion works side-by-side with the district governor team, GAT coordinators, region/zone chairpersons, and other district leaders on plan development, implementation and accountability.

9) What are the roles and responsibilities of district governor teams in NAMI districts?

District governor teams are directly involved in planning, promoting and supporting NAMI activities throughout their districts. Individual roles are identified during the team building process within each district.

10) How are clubs of NAMI districts involved?

Clubs are the foundation of NAMI success. Club members will participate in NAMI projects throughout the year, including leadership development, club marketing and welcoming new members into their clubs.
