Hello Lions of District 11D-1,

Wow!!!! Is my year as Governor down to the last 30 days? As of July 1st, Lion Jack will be our District Governor, and I wish him and his cabinet the best. I know that our district will keep on growing as we have done this year. We made it to over 1100 members for the first time in a long while. Great job done by all clubs. Thank you.

I know times are tough for a few clubs, but if we hang in there together we can make Great things happen and just think of how many people we can help throughout our Great District.

All the kids that we help see better with project Kidsight and all of the people that we are helping to hear better through the Foundation.

We also helped a few people make it through the winter by paying for heat and electric bills. Thank you again, we would not have made such a difference in people's lives if we didn't do what we as Lions do Best, "Service".

We still need a few clubs to put in their officers for next year on MyLion, We had 28 of the 36 clubs reporting officers for next year. And I have two more clubs to add, so we will be at 30 of 36 clubs reporting officers. If any club needs help reporting please let me know, and together, we can get it done.

June 4th, 2022 Noon-5pm?
Linden Lions Club's 50-year Celebration, to be held at Hope Lutheran Church in Linden

A little shout out to my home club of Linden without all of the support that they have given me throughout my year as Governor, I would not have made it all the way through.

After losing my Beautiful Wife Lion Roberta in September, I was going to walk away from being a Lion. She was and is my everything, but thanks to a Great Lions family that I have, I made the decision to continue on as Governor. Good choice, and I hope that I did the District proud.

If any clubs needs my help, please don't hesitate to email, text, or call me, and I will help in anyway that I can.

When a club needs help with volunteering, don't forget that we are all here to help one another, so when the smaller clubs need a helping hand, don't be afraid to reach out to your club next door for a little help. That's what we do as Lions, help someone when they need a helping hand.

Officers training is coming up fast, be on the lookout for times and dates of training. Also region and zone chair training is on the

“BE HUMBLE AND BE KIND”

From District Governor Elect Jack Frost

SUMMER IS HERE!

The Lions of District 11D-1 have resumed their normal activities of cookouts, fund-raising, and service projects. WE SERVE! We had many challenges during the past year and still had a very successful year of fun and service by finding new ways to adapt to our changing world. Coming off our successful District and State Conventions, I am pumped up about the coming year. Let's all work together to find greater ways to serve, and SERVE WITH HEART!!!

We are fortunate to have many great Lions who continue to serve, year after year, and we are grateful for them and their years of service. However, none of us are going to live forever here on Earth. Nor will our great organization of Lions live forever if we fail to develop new leaders! Nobody should be continuing in the same office year after year without mentoring and training a successor! We need new Lions to step up and train to take over the reins! In addition, experience in my own club has shown me that new leaders bring new ideas and changes that enable us to improve in many areas. So I am calling for more Lions to step up to the plate and serve in some new role! Sure, it will take some time and

will have a fun time visiting clubs and being around other Lions that just love to give back to their communities like you.

So here's another Big Thank You to the Greatest District in the State

effort, but it is not as hard as you think or fear!

The idea is to start in some office in your local club and learn and move up the ladder. Once you are a past president of your club you are eligible to move into the District as a zone chair or region chair. After that, some of you will run for Second Vice District Governor!

Our District Governors do not ride off into the sunset, but continue to serve on committees and as mentors to those who follow. We are blessed with the best Past District Governors in Lions Clubs International, and I appreciate their service!

One of the hardest tasks of an incoming District Governor is to fill the offices and committee chairs. I still have a number of openings on committees, which do not require you to be a past anything! You just need an interest in the subject matter. A little outside experience in the subject would be helpful, but not required.

To all of you Lions who are past presidents, I still need some zone chairs and region chairs! Please call me soon at 989-295-4714, or email me at cato41@currently.com. Your service would be appreciated!

SERVE WITH HEART!!!

From 1st VDG Elect Bill Bauder

Hello fellow Lions of 11D1,

We are having a great year. The district numbers are up on membership. We still have a long way to go, but I just know that we can still get new members and maybe bring back some that have left us.

Now that summer is here, we need to remember that our service is still needed. Some of our clubs take the summer off, and others do most of their projects during this time. Which ever way your club does it, we still need to look out for the people in our communities and stay helping where we can.

If you know of any club that is doing summer projects, call and see

if they could use your help or visit them at their project and support them. We all can use extra help during these times.

The new officers will soon be taking charge, They will need help adjusting to their positions from those that were just in those offices.

There will be training for the Zone Chairs and Region Chairs. Please attend and learn the new stuff that the Lions International has to pass down to us. There will be training for the new officers of the Clubs. Please attend this training. I am looking forward to a great year and having fun with those that I will be visiting.

Lion Bill Bauder, 2nd VDG

From 2nd VDG Elect Jonathan VanTol

Prayers, please for 2VDG Jonathan Van Tol for the loss of his sister.

He met with Jack, Bill, Toby, Jerry via zoom to decide on district goals, and are looking forward to a successful year.

At the District MD Convention, the Group Service Project was Planting Seeds of Service.

Each District was asked to bring 1000 seeds. Each District was assigned a vegetable, 11D1-Summer Squash. Some Districts bought bulk seeds and others bought seed packets. We then assembled seed packets. We received about 100 seed packets with seeds from each District.

Information put in each packet

Example of a Packet

I contacted leaders from our District, and they distributed them in their local areas. I then contacted Crossover Outreach Executive Director Denise Diller, and she agreed to share the seeds. She contacted Joshua Fields, Director of the Genesee County Community Gardening Network who needed seeds for his Network

Lions putting packets together

Denise Diller shared this message with me

Thanks to a generous donation from the Lions Clubs of Michigan, 600 bags of seed packets are available to community gardens/food pantries in our community through Crossover Outreach. There are additional packets of squash seeds, great northern bean seeds, and red bean seeds available as well. Thank you for helping us help the Lions with "Planting Seeds of Service" in our community! What a wonderful blessing! A special thanks to Denise Diller at Crossover Outreach and the Lions Club of Michigan for this incredible opportunity!

Club On April 22-23, began their 2022 Tag Days campaign by taking to the streets and storefronts to collect donations from our community. Under the direction of 3rd Vice President and Fundraising Chair Patti Reaume, nearly 45 club members pounded the pavement for 2 days. Several support people were back at headquarters making breakfast and lunch for the workers, preparing a delivery plan, and getting ready for the donations to roll in. Other members collected donations from friends and local businesses. Over 100 Bay City Lions have contributed to the campaign raising about \$44,000 so far!
