Dear District Governor:

We have some GREAT news! The Executive Officers and the 2017-2018 and 2018-2019 International Boards of Directors have given their unanimous endorsement to Canada's PID Dr. Patti Hill as their choice to be elected as International Third Vice-President at our International Convention to be held next July in Milan, Italy.

However, there is another candidate who is also competing for that same position.

Our Patti Hill Campaign Committee believes that it is vitally important for Patti to travel to all of the Constitutional Area Forums, plus the All-African Conference to firm up electoral support in Milan. Those Forums, beginning in September, will be held in Wellington, New Zealand; Columbus, Ohio, USA; Skopje, Macedonia; Haiku, Hainan, Peoples Republic of China; Dubai, United Arab Emirates; and Rosario, Argentina. The All-African Lions Conference will be held in Morocco, North Africa.

Patti and her husband Greg will also be visiting with Lions and their leaders in other Multiple Districts around the world.

It has been 30 years since Canada has had an International Executive Officer. Now is the time for another Canadian. Patti Hill is the most qualified candidate for Milan. Attached is a resume of Patti's extraordinary background, outstanding qualifications and exceptional leadership skills.

We are asking your District Cabinet to provide some financial assistance to help us get Patti elected.

We are aware that you, your District Cabinet members, and many of your Lions may have met Patti over her many years of service, and we are confident that all, as we are, impressed to have such an outstanding Canadian committed to leading our Association as we begin our second century of service to humanity.

Please support our campaign to the extent that your District funds allow.
