

Lion Terry Kozma
Edmonton Host Lions Club
District C-1

Lion Terry was born and raised in B.C. She relocated to Alberta in 1982 when her husband received a job offer he couldn't refuse. To this day, they both say it was one of the best decisions they ever made.

After several years of helping Roger in his business as well as a short stint in real estate, Lion Terry joined Shell Canada and spent the next 24 years as a manager and retailer in their network. She also worked as a contract trainer for new retailers as well as the occasional stint doing forensic operations and bookkeeping analysis for Shell.

In 1997, she joined the Edmonton Host Lions Club just to help out. Since joining, she has served as a club director, vice president, president, secretary, treasurer as well as chair of the Lions Dream Home project. At the District level, she has served as Cabinet Secretary, Leader Dog Chair, Youth Chair and is currently serving as LFC Chair for the second year. She has helped with club officer training for several years and firmly believes that you can always learn more, regardless of how many times you go. She has attended Lions Leadership Institute and is a Certified Guiding Lion.

Lion Terry has attended District Conventions every year since joining Lions and most of the MD Conventions, business permitting. She has also attended 11 Canada/USA Leadership Forums and 6 International Conventions.

She is a Melvin Jones Fellow, Jack and Denise Isaman Fellow, and a Dr. Patti Hill Fellow. She has received a District Governors Certificate of Appreciation, a Certificate of Excellence (Secretary) and an Extension Award for helping to start a new club.

Lion Terry is also active in the Central Lions Seniors Association and is the Past Chair of that organization. She served for six years on the Board of Safe and Caring Schools and Communities, an organization that was founded by the Lions and the Alberta Teachers Association working in partnership with other interested community groups.

She served as a member of the provincial task force charged with reviewing the Blind Person's Rights Act and recommending changes to improve the protection of the rights of our blind and visually impaired citizens.

Now that she and her husband, PDG Roger, have retired they look forward to many more years of service to their clubs and their community.
