

PIP Judge Brian Stevenson Contest
District Club Recognition Program

Greetings Club Presidents and Secretaries,

My name is Bill Stecewicz and I am the coordinator for this recognition program in District C-2.

Recently there were changes made to the scoring for this contest. I have attached a copy of the most recent criteria and what will be eligible for scoring.

The main components for this program are the MyLCI Membership and Activity Reports that club secretaries complete for LCI.

These reports should be saved on your computer and in turn forwarded via email, to me, in accordance with the guidelines.

I would ask you please to review the scoring requirements to ensure that the reports you complete in MyLCI and in turn forward to me contain all the information to enable me to give the best scores possible. For example, #8 - Zone Chair official visits and #10 - District Governor Team official visits require the number of members in attendance. On your MyLCI Activity Report please ensure you advise how many club members were present at these official visits. Likewise, when reporting on attending Zone meetings, indicate which club executive and members attended.

If you have any questions, please do not hesitate to contact me at zwsone@gmail.com or text me (referring to this program) at 403-660-5076. Or call me at 403-660-5076.

Cheers

Lion Bill Stecewicz
