What is that saying? "The older you get the faster time goes!" It is certainly true in my world. I am two months away from completing my first six months as Governor of District 2-A3! It has been most rewarding, and I look forward to the rest of my term.

We had our 2nd District Cabinet Meeting on October 18th in Mercedes. The members of the **Mercedes Lions Club** know how to put on a meeting! Not only were the accommodations first class, but the food (*cooked by a member of the club, and it was her birthday!*) was great. The speakers, Connie Vega (*the representative of The Rainbow Room*), Thomas Cronnan (*attorney and non-profit specialist*) speaking on the importance of the IRS 990, the Mayor Pro-Tem, and the stock show manager (*who happens to be the Mayor's*

brother), showed a lot of love to the Lions of Mercedes and District 2-A3. There were one hundred (100) Lions present, and twenty-two (22) clubs represented.

\$117 was donated to Mercedes Basketful, the local food pantry, and \$144 was donated to The Rainbow Room, along with items donated by attendees.

The **Mercedes Lions Club**, which had not hosted a cabinet meeting in seventy-three years, did a wonderful job. Thank you again!

Congratulations to the **Weslaco Lions Club** for achieving the **Club Excellence Award** for 2024-2025! And, extra congratulations to the **Odem Area Lions Club** for achieving the **5-Star Club Excellence Award**!

We are awaiting additional information regarding more club awards being designated, and we'll let you know the outcome.

At the cabinet meeting, Lions voted to apply for an LCI grant to get two more Welch Allyn SPOT vision screening machines. The district will pay for one and will use the grant for the other. Thank you, Lions, for supporting the vision fund and activities.

Peace Poster Contest Information:

For 30 years, Lions Clubs around the world have invited young artists to share their vision of peace through a powerful, creative tradition. The Peace Poster Contest encourages students to express hope, unity, and understanding, using art as a universal language that inspires communities and connects hearts across borders.

November 15 is the postmark deadline for a club to send one winning poster with the original sticker from the peace poster packet (no copied stickers will be accepted) to the District Governor. Please send your club's winning art to me at - District Governor Lynde Todd, 115 Lone Oak, Portland, Texas 78374

December 1 is the postmark deadline for a District Governor to send one winning district poster to the Multiple District Council Chairperson.

December 15 is the postmark deadline for the Multiple District Council Chairperson to send one winning poster to the LCI Brand & Creative Department.

On October 7, 2025, the Portland City Council met and filed a proclamation that October 20, 2025, would be known as White Cane Day. If your club has not met with your city's council to promote this, please do.

November 14, Friday, is World Diabetes Day and that will be soon, so now is the time to Act. Encourage your clubs to explore Diabetes Programs and to plan impactful service projects focused on awareness, education and prevention. Use the Diabetes Service Program Over on the LCI website to get started.

District 2 (Texas) is still positive in membership growth. Since July 1, 1,298 New Members have been added. After some members being dropped, the state is still up by 338 New Members. Let's keep the momentum going.

Thanks Lion Nick!

On September 24th, I read a post in the Global Lions Forum where a Lion from Massachusetts asked if a Lion from around Robstown, Texas could help his stepdad out in getting a thoroughly needed haircut. His dad is blind and didn't have any way to get to the barber. I sent the request out to 2nd Vice District Governor William, asking him if he could find someone to help this gentleman out. Within a couple of hours, Lion Nick Mierkey, of the Corpus Christi Downtown Lions Club, had contacted the man and had made arrangements to get it done. The next day, Lion Nick picked him up and took him to the barber. Shortly thereafter I received this note from the man's stepson.

"My father had an absolutely great experience. I will absolutely make sure that I say something on the Lions forum about this. I do appreciate also your quick and swift actions on this. He doesn't look like a mountain man from Kentucky anymore and Lion Nick paid for his haircut, which was not intended or expected. My father was very touched. Now Lion Nick and my father are going to churches together. But I do appreciate everything you did. Thanks Lions!"

Thanks Lion Nick!

As you can see in the goals above, to develop our Lions membership across the district, a goal has been set for each Lion to complete three (3) courses in the Lions Learning Center before June 30, 2026.

Additionally, Lions in leadership (Presidents, Vice Presidents, Secretaries, Treasurers and Zone Chairpersons), the district has a goal for your leadership development as well. Please start now, if you have not already, to complete the training.

The training available in the Lions Learning Center is not just about developing skills to be a successful Lion; it is great training which can help you develop personally and professionally. And the training is free!

A Big Thank You goes out to District 2-A3 for reaching 65% of the clubs reporting to Lions Clubs International through the Lions Portal. Of course, our goal for the year is 75% and although I had my doubts, I don't have those any more. I know we as a district can complete that goal and go above and beyond that before the end of the year.

I have seen a few changes that need to be corrected. When you feel you have finished your report you must click the 'report complete' button at the top near the dates, then click 'save', afterwards there is a bar that says 'report to LCI'. If you have a red bar across the top you need to go back through your report and fill in the part that is marked. Once you finish that part repeat the above part till you have clicked 'report to LCI' and there is a green bar, 'success'.

You can always check when you go back into the portal each time, if you look at the 6th column it should say 'REPORTED'

If it says 'DRAFT' or 'REPORT READY' you have not finished the report or not finished sending it to LCI.

Another one is the Volunteer Hours. You need to multiply the number of members involved by the number of volunteers hours you used. If it a club meeting and you have 12 members present with 2 hours at the meeting. You should enter 24 hours of volunteer time.

If your club is a sponsor of a Leo Club, make sure you let them know they need to enter their projects and meetings they attend in The Lions Portal. They are a part of the Lions Portal reporting to LCI, also. On the scheme it shows we have one of five Leo Clubs reporting so far. If they need help they can call Lion Hector Rendon at 956-456-2133 or text him. His club has stepped up and learned how to report and use The Lions Portal already this year.. Thank you for your help this year.

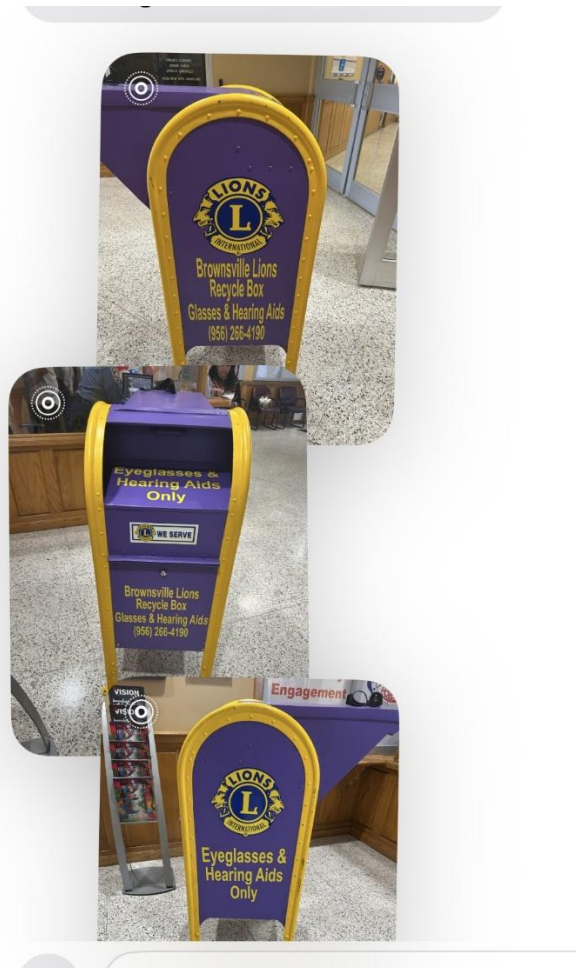

If you need help with your reporting call or text me, PDG Connie E. Swartz, GST at 361-362-5656 or Lion Alex Ambriz, GLT at 956-342-1982. We are ready to help you and can walk you through the process over the phone or in person if needed.

As they take on the city's iconic five-borough course, Team Charlie will join more than 50,000 runners from around the world as one of only 11 duo teams. Their journey to the marathon has been fueled by 15 weeks of training, teamwork, and encouragement from their community. Support has been so spectacular, in fact, that the team was able to make a \$5000 donation to Wings of Texas based on the success of their fundraising efforts. We wish Team Charlie the best of luck as they take on this incredible challenge. Go Team Charlie—your community is cheering you on every step of the way!

- Just installed four new members
- Continuing to serve the community through projects such as:
 - partnering with Salvation Army of Cameron and Willacy Counties;
 - serving meals at Loaves and Fishes;
 - donation of items (such as backpacks containing fun pastimes to hospital pediatric patients; hygiene kits to veterans; school supplies, food, and children's clothing to families).
- And of course, we were happy to participate in the recent 2-A3 meeting in Mercedes!

- **Kingsville Noon Lions Club**

- “Kingsville Family Fun Fest & Chili Cook-Off” On Saturday, September 7, 2025, the Kingsville Noon Lions partnered with the Premont Lions, local community functions, and the Chamber of Commerce to participate in this year’s Family Fun Fest. The event hosted by the local “Foundation for our children’s ultimate Success” FOCUS and Coastlife Credit Union at the Kleberg County JK Northway Exposition Center featured booths and displays from local organizations and businesses, free Pony Rides, a Petting Zoo, games, Food Trucks, and a Chili Cooking Competition.
 - Club members under direction of Lion President Cecilia Luna set up a table, displayed our new events banner, and served attendees by providing Lions Eye Screening functions, flyers and information on the Texas Lions Camp and our search for campers, and in accordance with our “Lions Recruitment Goal” talked to people about their opportunity to serve their community and their fellow citizens. Lion members had a great time talking to people, managing the “Corn Hole” competition, and handed out candy to all children that came by the Lions Area. Lion Robert Schmidt from the Premont Lions Club came out and performed 33 eye screenings on attending children and parents. Lion President Cecilia also had the great opportunity to serve as one of the Judges during the Chili Cook-Off.
- “Kingsville Noon Lions Distribute Dictionaries to local Adult Literacy Program” Expanding on our annual “Dictionary Distribution to local 3rd Graders” the Club under the guidance of Lion President Cecilia attended a session of the local Adult Literacy Program and gave each student a copy of “A Student’s Dictionary” as distributed by the national Dictionary Project. This book contains a comprehensive dictionary, biographies of the U.S. Presidents, the Declaration of Independence, the United States Constitution, Maps of the seven continents, information about the 50 states, weights and measures, and many more topics.
 - Lions enjoy this project as they not only provide a personal source of information on the World we live but also get to enjoy the bright light and smiles that appear on the faces of those people when they open this book. Nothing better in the world to brighten up you day.

- Kingsville Noon Lions participated in Lions International Week of Service pursuant to “Mental Health and Well Being” by going out in our community and by bringing in local experts to provide information and bring the issues to light.
 - We had a great time meeting with and presenting donations to local Boys and Girls Scout Troops. These children strive for a better society much like we Lions do in our functions to provide service.
 - We also had a chance to visit with children in one of our local elementary schools where Lions provided animated readings with our mascot “Roary” (Stuff animal Lion). Truth be told our Lions had as much fun as the children did. We have a standing return engagement any time we want.
 - Lion President Cecilia and several Lions attended a local celebration of “National Night Out” where we mingled, talked, handed out candy, and displayed “Roary”.
 - At our regular meeting on October 8th, we had an eye-opening and emotional presentation by Ms. Mary Zavala and Ms. Imelda Garcia, Coastal Plains Kingsville, on how we can identify, evaluate, and take action on those people that might be contemplating harming themselves or committing suicide.
- Lion’s 2nd Annual “Roaring Lions” Golf Tournament - Lion Phil and Lion Christine Esquivel again lead a group of Lions in a successful and profitable Golf Tournament on Saturday, October 11, 2025, in which 10 teams participated, several sponsors were recognized, and the Club made over \$7,000. Lion Henry, Chief Cook and Bottle Washer, again lived up to his reputation in preparing and serving-very-large

- “Baked Potatoes” topped with pull pork and other condiments. Players, guests, and Lions all had a great time and look forward to next year’s tournament.
- Adopt a Road Project – Lion RJ Loera and Lion Jaime Carrillo lead a group of Lions and volunteers from the Texas A&M University Tennis Team in gathering and disposing of refuse and discarded materials on Kingsville’s Golf Course Road. On Saturday, October 18, 2025, Lions and volunteers met in the parking lot of our L.E. Ramey Golf Course and walked on both sides of the highway gathering waste in order to make our roadways clean and environmentally sound. The weather was beautiful, and everyone had a great time.

- **McAllen Palm City Lions Club**

- Saturday September 20th, Lion President and Immediate Past President (IPP) Bob Jojola and Jerry Inmon delivered three (3) benches to the Texas Lions Camp. They had been to a camp workday and saw benches which were not in the best condition. They decided to replace the benches and did. . We are very proud and appreciate Lions Bob's and Jerry's commitment for making the trip to Kerrville to deliver benches. (pictured left to right) Lion Bob and Lion Jerry)

A Message from the 1st Vice District Governor -

1VDG Cody Colchado

From October 24–26, **Blind Fest** was held at South Padre Island, sponsored by **The Visionaires, The National Federation of the Blind**, and **The Blind Anglers**. The event welcomed **81 visually impaired and blind participants** for a weekend filled with fun, learning, and community.

A wide variety of activities took place throughout the weekend, including **casino night, fishing, sandcastle building, water yoga, dolphin watching, horseback riding, bingo, a white cane walk**, and several **arts and crafts** sessions such as painting on wood and rocks, making stress balls, creating greeting cards, and designing jewelry. Participants also enjoyed an **art exhibit** and a **talent night**, and many were entered into a drawing to win **Meta glasses**.

It was inspiring to see so many individuals connecting and sharing experiences with others who understood their journeys.

During the festival, the **mayor of South Padre Island** read a **proclamation for White Cane Awareness Day**, held at **Gravity Park**. **Lion Cody** and his family attended, helped and participated with some of the activities. **Lion Jolee**, Cody's wife, assisted participants in making greeting cards, while **Lion Tabatha** helped with crafts and guided blind participants throughout the event.

The McAllen Palm City Lions Club in Action for Texas Lions Camp

Lion Bob Jojola and Lion Jerry Enman were up before the sun having coffee on the porch of Bunkhouse 1 preparing for a spring workday, when they noticed something simple but important: the benches in front of Bunkhouse 1 could use a little more beauty and comfort. The McAllen Palm City Lions Club sprang into action.

When they returned home, they didn't just talk about it—they acted. With the help of Home Depot, who donated the treated lumber, Lion Bob Jojola built each bench with care, while the club came together to stain and finish them.

On Saturday, Lion Bob and Lion Jerry woke in the dark, drove five hours from the Rio Grande Valley, and delivered those benches to the porch of Bunkhouse 1.

That's Lions in action. That's service with heart. And that's the kind of love that transforms Texas Lions Camp for the children and families we serve.

Thank you, McAllen Palm City Lions Club, for showing what it means to serve!

Lions everywhere: the story of Texas Lions Camp is still being written—and you hold the pen. Dream boldly. Serve sacrificially. Step into the story that will echo in the lives of children and families for generations to come.

TEXAS LIONS EYEGLASS RECYCLING CENTER

REPORT

**Aug 1st to 31st, 2025
September 1 to 30, 2025
Prepared October 11, 2025**

Greetings Council Chair Kathy Summers, Governors and VDGs,

We need Directors from Districts 2A2, 2S1, 2S2, and 2S3 to complete our Board.

09.13.2025 Our in-person at TLERC in Midland was very successful! We held a Board meeting, provided Director training, and painted the walls of the large lobby. One Director mowed our large yard. It was a huge accomplishment! Todd, our warehouse manager is painting the door frames when time allows.

09.13.2025 Lion Kelly Evans Construction donated labor and building supplies to refurbish the deck from the warehouse to the trailer, and paved our loading dock ramp. THANK YOU!!!

10.1.2025 I am ecstatic to launch a pilot program at Southwest University at El Paso. The faculty and Dean approved the medical ophthalmic assistant students to read/neutralize glasses for TLERC. I took a box of sorted single vision, washed glasses, and taught them how to read, determine if within tolerances, write the prescription, and bag the glasses. 6 students practiced for 1.5 hours. The students will receive extra credit and community service hours and be able to practice with our glasses to increase their skills. This is a win-win-win collaboration for the school, students a TLERC. Once the glasses are read, they are ready to be sent on medical Missions throughout the world. The gift of sight is a beautiful thing. We are Knights of the Blind!

10.10. 2025 Button down shirts with logos have been ordered for TLERC Directors to wear while providing TLERC presentations to Clubs and Districts.

We have obtained one quote to spray polyurethane foam over our existing metal roof, remove skylights and install metal, repair trailer leak, remove fluorescent bulbs and install LED lights in the ceiling of the warehouse. We have requested 2 more bids for the work. A leak was found around a trailer door when we were there on September 13 which will be repaired by the roofer at the same time as the warehouse roof.

An electrician came on 10.09.2025 to give a bid on installing the new camera system and check ceiling fan.

New part time employee Jana Jobe was hired and trained Oct 4, 2025! Welcome Jana!

See attached Awards order form to order a "Helen Keller" Award to present to someone in your District. I would like to thank the Governors and Clubs who support TLERC through Governors Charities and our Awards Program.

Please plan on visiting TLERC before, during or after the Texas State Convention to be held in Odessa, Tx in May 2026. Please request tours at a time that is convenient for you. Plan time to help sort!

I am excited to be the Chairman of the Board. Please feel free to contact me with any questions, requests, or concerns. Lion Susan Driscoll 915-539-6834 cell, sue_billdriscoll@earthlink.net.

District 2-A3 Lions, on behalf of the Texas Lions Foundation, thank you to all clubs who have donated funds this Lions year through their Governor's Goals and direct donations.

I hope that every Club and Lions Member would consider supporting TLF as we progress through this Lions year. This can still be done through your Governor's Goals donations, as well as through the purchase of a TLF Award (\$125.00) or a TLF Fellow (\$500.00). If you are interested in supporting TLF as an individual you can also join the Cornerstone Club with an annual donation of \$100.00 that will be drawn monthly from your bank account.

Every dollar given is a dollar that goes to ensuring that TLF can respond to our fellow Texans in times of need and when expanding the impact that Lions have in their communities through their humanitarian efforts.

The Tap that Echoed – A Nice Short Story to Promote White Cane Day

Nick was twelve when he first held a white cane. At first, it felt heavy, not because of its weight, but because of what it symbolized. A world that often saw his blindness before it saw his dreams. The first steps were slow, hesitant. Each tap of the cane was filled with questions (i.e. Will they accept me?) but with time, the cane became his strength. It whispered back; you are free, you are capable, you are not alone. One day, a group of Lions visited his school. They listened to his story, walked beside him, and made sure the paths around the community were safer. They organized awareness campaigns, provided assistive tools, and above all, they gave him what no object could ever give; dignity. "Before people noticed only my cane", Nick said softly. "Now they notice me". His words stayed with the Lions. Because the white cane is not just a stick. It is a symbol of independence, courage, and the right to live fully. And, Lions are there to make sure that the symbol is honored everywhere.

A Message for Lions:

On this year's White Cane Day, celebrated on October 14 of each year since 1964, let us be reminded that every tap of the cane is a call to action. A call for inclusion, safety, and respect. As Lions, we are not just witnesses to that call. We are the ones who answer it.

This is an email I sent to our MD2 Leo advisors, district advisors, and Leo officers. Thank you for continuing to support the Leos of Texas. Good news is that MD2-S5 has a brand new club at Columbus High School. They just received their charter and have 45 members!

Next Leo Council meeting: Will be held at the Hilton Garden Inn Temple Medical Center on November 8, 9 a.m. We would love to have you and your Leos join us.. Registration and more information can be found here.

Leo News - our newest Leo Club! We welcome the Leo Club of Columbus High School, has just received their charter approval with 45 new members. Their Lions Club really has made a huge effort to get this going, so be sure and thank them! They are in MD2-S5.

Leo Portal Training: We again offer Lion Portal training focused on Leo entries. Our last session was really good with lots of questions from Leo Advisors. More to come about the training and with a date in mid November. I love my team of 3 - MD2-S2 Leo Advisors Nancy Chesbro and Sheryl Birch, and me from S3.

Leo October Membership Growth Award

Report Your Leos and Leo Officers

Encourage the Leo advisors in your area to report their Leos and Leo officers today. Reporting is the first step for strong communication and strong clubs. [GET STARTED](#) 🍀 It is also important to delegate this to your other advisors and Leo Club president or secretary to help out.

I am excited to be attending the [Faculty Development Institute](#) in a couple of weeks. I am hoping for a refresher course from all the education classes I attended many years ago. I'll get back to you when I return from a very nice and cool Colorado. Maybe you want to apply for next year's FDI; applications are made before June each year.

Make it a great day!

Nancy
