District 2-A3

New Beginnings – New Dreams

District Governor
Rosalio Rosales

2021 / 2022

2020 / 2021 District Governor Rosalio Rosales

GOALS

SERVICE

By the end of fiscal year 2021-2022 our district will increase the percentage of clubs reporting service (meet or exceed last years' service reporting numbers).

Last year's number of clubs reporting numbers were approximately 19 out of 56 clubs! Leaving 37 clubs not report or 32%!

Our district goal is to increase that number from 19 clubs to 41 clubs reporting or 75% of the clubs reporting out of 55 clubs.

Most of the Zone Chairs have only 3 clubs to meet with, their club and two other clubs, so it would be easier to communicate with them and to hold their meeting.

Our district thru our Zone Chairs will work closely with the Club Service Chairs and their Club Secretaries. Tone Chair will introduce to them a tool that has been designed to document the service projects, making the reporting to *mylion* a lot easier and will keep the Zone Chair and their clubs in constant communication.

Our district will have (5) service projects on the five areas that we as lion focus on such as Vision Awareness – **October**, Diabetes Awareness – **November**, Hunger Awareness – **January**, Childhood Cancer – **February**, Environment Awareness – **April**.

Our district will work thru our GST, Region Chairs and Zone Chairs to communicate and suggest different service projects that can be done as well as to motivate their clubs to collaborate with other clubs to make it more fun! Also, to ensure more participation.

Also, keeping the message out there that "Together in Kindness We can Do More".

MEMBERSHIP GOALS

By the end of the fiscal year 2021-2022, our district will achieve a positive membership growth (meet or exceeded last year numbers).

Our team will charter 4 new clubs with 80 charter members. One new club every 3 months or 90 days by engaging our Global Membership Coordinator and his team to the areas that have been designated as areas that have expressed interest in the past. Areas that will support a club.

Our District Team will recruit one (1) club in Brownsville the first 90 days.

Our District Team will recruit one (1) club in Port Isabel/South Padre Island the second 90 days letting them know that the District Convention will be at South Padre Island.

Our District Team will also recruit a club in Los Fresnos, people from that area have expressed interest from the school district, the City of Los Fresnos and the first responders.

Our District GMT will also recruit a club in the McAllen area, there has been interest to start a Pilipino Club in the area by doing to the medical community as well as other businesses and places where they work.

LCIF DONATION GOAL

Our District will hold a district fundraiser to raise additional funds for Campaign 100 that will end at the end of this fiscal year 2021-2022.

Our District will have raffles thru out the year at Cabinet Meetings and a District wide raffle.

This effort is to raise extra funds aside from what is donated already. Our District would like to raise an additional \$10,000 to \$15,000 dollars extra!

A message from our International President

A Heart for Service

We serve with love and compassion in communities around the world. The selfless giving of our time and effort is precisely what makes Lions so special. When we give, we expect nothing in return. Yet we gain so much. Our service offers hope and connection in the face of great need and also extends an invitation to the world to join us. We embrace the joy that comes with “Service from the Heart.”

Lions are a family. A very big, global family — one in which the only requirement is pure and simple: a heart for service. These are the feelings of our 105th International President, Douglas X. Alexander. And who better to lead our international family of service than a decorated Lion of 37 years, who just so happens to have eight siblings of his own?

Born and raised in Brooklyn, New York, International President Alexander has been serving his community as a member of the Brooklyn Bedford Stuyvesant Lions Club since 1984. Like many Lions, his love for service began at a young age. Working at a local grocery store, he would help community members before and after his shifts, earning no money but something far more valuable — their appreciation and respect. It was this selfless service that felt the most rewarding, and that led to a belief that he still holds closely today. Service from the heart, selfless and without expectation, offers humanity the greatest gift of all: The opportunity to make a difference in someone’s life.

His journey from Lion Alexander to International President Alexander in many ways mirrors his success as an international businessman. Beginning his career in finance as a bank teller, he understood that if he was patient, worked hard and let his passion shine through, it would all work out in the end. Decades later, he retired as a vice president of J.P. Morgan Chase.

These same qualities — patience, dedication and passion — along with his family-first mentality have made him a remarkable Lion, and the right person to lead our great association forward this coming year.

Service from the heart will guide our way!

Douglas X. Alexander
International President
