District Convention 14-G

Exciting, Exhilarating, Energetic!

WOW! What a District Convention full of love and laughter the entire time! With our guest speaker, PID Alan Lundgren from Arizona, he made it very enjoyable! PID Alan stated many times how much he relished the idea of a one-day convention and he couldn't wait to tell the world how we were able to have 30 first-timers to a convention!!

conventions of remembrances: Walking for Diabetes Awareness; Packing Leo Boxes for children in the hospital; speakers on Pediatric Cancer and a speaker about the Pennsylvania Elk; Luncheon Banquet honoring Lions in our District; and entertainment by Woody Wolfe with FREE hors d'oeuvres.

Leo Madison Anskis and Leo Samantha Rudy and Lion Corinna Anskis, coordinator of this activity, was able to supply over 100 boxes for children with many toys remaining for later packaging.

Toys just may be the saving grace of feeling sad.

FIRST-TIMERS

The Past International Director Alan Lundgren was totally shocked to see that many First-Time Lions attending a District Convention! After speaking with some of them, the comments at the end of the day, *"I will be back next year! This was so much fun!"*

With the Luncheon Banquet being held in mid-day, the atmosphere reveals one of relaxation and enjoyment. First-time attendees pay only \$10 for a full day of snacks, lunch and FREE appetizers at the end of the day with entertainment. Can't beat \$10 for a full day of meeting and sharing with other Lions in our district!

Looking forward to seeing what will be happening next year—set your calendars—April 4, 2020, at the Genetti in Williamsport, PA!!

The success of the Pennsylvania Lions Hearing Research Foundation needs the support of the entire Lions family.

Funds are raised by Lion, Lioness, or Leo members from the 17 sub-districts of Multi-

ple District 14, Pennsylvania.
