Into our second month of this Lions year 2022-2023 we are off to a good start. Thirty-two Lions Clubs reported some type of activity, but we need to reach with 55% of clubs reporting 20 activities per month to assist Governor Clay with his goals.

It's GREAT to see the Leo Clubs reporting their activities and the Lions Clubs supporting them. Please send the information or submit on the LCI website for the activities to be reported.

North Central Sight Services will be celebrating with the Lions on September 13th, if your club has been sent an invitation, please respond soon. Other Lions may attend at the cost of \$25 per

person.

Awaiting a report from State Disaster Chair Lion im Groff for further information on what supplies are needed for the flooding in Kentucky.

Beacon Lodge reached the \$40,000 mark from the Golf Tournament! Thanks, Lions Clubs!

Service Goals:

- *55% of District Clubs will report 20 activities per club
- *Serve 700,000 people

Membership Goals:

- *Charter 1 new club with 20 members
- *Charter a Branch Club with 10 new members

- *Charter a Leo Club with 10 members
- *District not surpass 125 dropped members, net growth of 15+ members

Leadership Goals:

- *100% of Zone Chairs will receive training
- *75% of Club Officers— president, secretary, treasurer trained

LCIF Goals:

- *Educate 100% of clubs on benefits of LCIF
- *Request 100% of clubs to make an LCIF commitment

I look forward to meeting you at your scheduled club meeting!

District Officers Leading 14-G

First Vice District Governor Kathy Douty

Hi, I am 1st VDG Kathy Douty. I am a charter member of the **Jersey Shore Area Lioness Lions Club**. Between Lioness and Lions I have 28 years of perfect attendance.

Why do I mention the perfect attendance you ask? It is not to brag but it shows how important this organization is to me. I have had the privilege of serving the District as Associate Lioness working with several great District Governors when there were eleven Lioness Clubs.

I have been married to my wonder husband PDG Jim for 42 years. We have two adult children, three grandchildren, and one bossy schnauzer! I am still working in accounts receivable at Delta Galil USA for the past five years and before that at Woolrich, Inc. for 45 years.

It is a pleasure being on DG Clay's team this year. There is a lot to do and we are counting on your help to achieve it. I will end by saying, "Remember where ever you go take pride in being a Lion!"

WOW!

Our 1VDG Kathy Douty is 14-G's first District Officer entitled to wear this significant pin. ALL Lioness Lions transferring to a Lions Club or forming their own club, Lions Clubs International created a special pin to be presented.

Second Vice District Governor Steve Myers

Dear Lions:

You will hear from 2VDG Steve next month. He recently lost his father and needs your prayers of comfort for him and the family.

Thank you,

Lion Cheryl Wilbur
Editor

District Treasurer Lion Beth Cooley

Dear Fellow Lions,

"Attached to this email is an invoice for your club's district dues. This communication is being sent to the President, Secretary and Treasurer of your club if their email addresses are entered on My LCI to ensure that those responsible receive this information. Please send your club's payment to me by September 10, 2022.

Thank you in advance for your prompt attention to this matter. If you have questions feel free to reach out to me or the district governor."

Sincerely,

Beth Cooley

District Disaster Chairperson IPDG James Wilbur

Lions, keep up with the donations your club has been making to the District Disaster Fund. Buckets of cleaning supplies is always welcome. Our Region Chairpersons will be meeting and developing procedures if there is a need in one of our Regions.

It is the responsibility of the Club President to contact the Region Chair If a natural disaster would occur. With our district being the largest geographical area in Pennsylvania it is difficult to know what is happening in other areas, such a flooding in Milesburg when that occurred. Below is a LIST OF THE REGIONS. Please place this where it is readily available.

I received this email from PA Disaster Relief Coordinator Lion Jim Groff on August 22, 2022. I am waiting to hear what is needed in Kentucky.

We want you to be aware that a plan being made to assist them. When we have all the details, we will send a letter informing you of their specific needs.

Thank you for all that you do to serve those in need.

KidSight USA: Vision Screening Certification

We welcome Lion Dawn Wright, (Wells-Jackson Lions Club, Secretary) for volunteering to assist clubs with creating new service projects and reporting the clubs activities monthly in MyLCI.

Are you and your club members interested in providing Vision Screening for children in your area? With financial support from PALSF the NTCCCLC was able to purchase two Spot Vision Screeners to help Lions, school nurses, and school personnel to identify any vision issues with through the KidSight Program offered by Lions Clubs International.

To use the equipment, the screeners need to be certified through the KidSight Program. It is FREE!!!!

Free Certification

Vision Screener Certification is FREE

Lions KidSight USA strongly encourages Lions to become certified vision screeners so they obtain a comprehensive understanding of the screening process and then begin organizing events at Schools, Daycare Centers and Preschools. Occasionally, there is a Screening Training Seminar that takes place in your area or State. Attending a Training Seminar is a great way to learn a lot in a short period of time.

Watch the Screener Device Training Videos -

[LION'S KIDSIGHT USA TRAINING VIDEOS HERE](#)

Read the LKSUSA Training Manual (est. 2 hrs.)

Attention Lions Clubs!!!

Be sure you have a Service Chairperson or a designated Lion to record your service activities on a monthly basis. GST Chairperson Lion Dawn will be calling by the 25th of the month to remind clubs to report service. Lion Dawn is well-versed in guiding others to input service. Take advantage of this leader.

- 1) When you are ready to take the Exam, you need a Username and Password. You may have received this at a class that you attended, or contact Dan Uitti via email at registrar@lionskidsightusa.org
- 2) With that password, we recommend that you use a computer (instead of a Mobile Device or iPad) to take the exam. A touch screen may make it difficult to navigate. [Sign In here](#)
- 3) At some point after taking the exam, you will receive a personalized **Certificate** via email. You are welcome to print additional copies, to show Schools that you and your team are truly qualified.

Taken from Lions KidSight USA August 10, 2022 caw

Leaving this in for another month. Lions, please take advantage of this. IPDG Jim Wilbur has already taken this and will get his certification and badge in the mail. Let's support the KidSight Program and record our number of screenings!

GLOBAL SERVICE TEAM

GST Lion Dawn Wright, Wells-Jackson Lions Club

What is service?

Lions and Leos serve in many ways, including:

Service activities: Hands-on service activities, such as tree planting, vision screening, rebuilding homes after disaster strikes or serving meals to those in need.

Advocacy: Raising awareness of the causes that are important to Lions, educating our communities on issues that impact them and working with others to bring about positive change. Some examples include hosting a Strides walk for diabetes awareness or visiting a local lawmaker to discuss the needs of the blind or visually impaired.

Donations: Making charitable donations to individuals or organizations, including Lions Clubs International Foundation (LCIF). Funds donated to LCIF are tracked by the foundation and need not be reported as a service activity.

Fundraising: Raising funds to enable our service.

Service support activities: This encompasses four broad categories:

- Holding meetings to strengthen your club, educate and train members, or plan other service activities.
- Fulfilling administrative tasks, such as running errands, maintaining club records, or reporting.
- Attending Lions events such as conventions and forums.
- Engaging in fellowship and fun, together with other Lions.

These activities contribute to Lions' positive impact in various ways, including attracting new members to clubs, helping clubs retain members by providing a positive experience, preparing Lions to serve, or directly benefitting the people we serve.

What is not reportable service?

Many Lions and Leos serve their communities individually, outside of the activities planned by their clubs, districts or multiple districts. Some examples include bringing a meal to a neighbor, driving a parent to a medical appointment, or volunteering at their place of worship. This type of work is important and commendable; however, it should not be reported as a Lions' service activity.

Metrics that are currently collected by Lions International include:

Number of activities: Each activity reported by a club, district or multiple district is counted as one activity.

Number of people served: These are the direct beneficiaries of Lions service. Sometimes the number of people served can be counted precisely, and sometimes it must be estimated.

Number of volunteers: The number of people who participate in the planning or implementation of a service project. As Lions often invite friends to join their service activities, the number of volunteers can include both Lions and non-Lions.

Number of volunteer hours: The number of hours spent planning and implementing a service project.

Funds raised: The amount of money collected to fund service activities or charitable donations. This can be from Lions making personal contributions, or funds raised from non-Lions during a fundraising event.

Funds donated: The amount of charitable funds given to an individual or organization. Funds donated to LCIF are tracked by the foundation and need not be reported as a service activity, but if an event was held to raise those funds, that event can be reported as a fundraising activity.

The Rocks Are Growing

On August, 2022 the **Picture Rocks Lions Club** held one regular meeting and its annual guest night picnic meeting. We donated \$750 to the Picture Rocks Vo. Fire Co. and \$500 to the Hughesville Vol Fire Co., which both are in our service area.

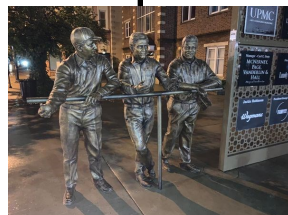

We operated our sandwich and drink stand at the Eagles Mere Craft fair. Note that in the past two months the **Picture Rocks Lions Club** has welcomed three--count 'em--new members! We continue to collect and recycle aluminum cans- a secondary fund raiser for us.

Recycling South

South Williamsport Lions Club was busy this month with helping to park cars for the Little League World Series!

Since 2014, the Little League World Series has purchased statues to be placed around the city of Williamsport through generous donations from local businesses. Past President George Bush, a notable visitor and the first and only sitting president to visit Williamsport annually. A statue was revealed showing great baseball players: Cy Young, President George Bush and Jackie Robinson. Thanks for posting Lion Bob Morehart!

Two Lions took meals to community senior citizens, collected cans from the community to gain funds; and removed money from the telescopes on the mountain. If you have never visited there, please stop and take a look at Williamsport and some surrounding areas!

President Lion Roberta Jones spearheaded the drive for donations. Lowe's in Mansfield donated the collapsible cart to fill with food items. Local businesses donated gift cards and members donated. The Grocery Cart will now be the center of attention during Tioga Old Home Day!

During 2021-2022, the Citizens and Northern Bank, Tioga, designated the Tioga Lions as their focus of giving back. We were given a check for \$1,900.00 from the community. With funds from this generous donation, the club donated a \$2,300 dollar electric bicycle to a Tioga family residents Randy and Theresa Swain and their grandson, Chris. A.J. Sports in Mansfield, provided a substantial discount and a few upgrades for this young man with a disability to be able to drive around town and become more independent.

Beacon Lodge Golf Tournament

Above golf cart was sponsored by Lion Luther Musser

IT WAS HOT, HOT on that day playing golf to increase funds for Beacon Lodge! It was well-worth the activity to raise over \$40,000 to continue to support Beacon Lodge owned and operated by the Pennsylvania Lions.

PDG Jim Douty stated, "the golf cart Lion Max Dell and I had did not have good brakes. At times, it seemed we were sledding down the hills! We had a great time and it is always good to see other Lions."

The team that won was 16 and under. This year there was no banquet at the end this year as has been done in the past. However, foods and beverages were available all day long.

PID Cindy Gregg took pictures while PDG Tom Gregg played golf. The Top Prizes: 1st - \$300; 2nd - \$200; and 3rd - \$100. A 50/50 Raffle was conducted and the winner received \$350.00.

Montgomery: Serving Others

Lion David Stahl attended a Global Membership Team meeting for planning purposes for the district. The Lions held club meetings, had a Lions family picnic, attended the District Cabinet Meeting; and donated eye-glasses to an individual.

"I received an email May 23rd from a representative of the Military and Veterans Affairs concerning lady in Montgomery needing help with glasses. I contacted her and we started the communication with NCSS to get her help. After phone calls and visits got the application completed for NCSS but determined she had insurance benefits to cover glasses and due to this NCSS would not be able to help. Not knowing total cost the Montgomery Lions offered \$250.00 if needed. I made appointment and took her to Price Optical for her exam and picking out frames. Total cost was less than her insurance benefit, so no out of pocket monies needed. On July 21st I took her to pick up her new glasses. Her comment was, "I can finally see". She has since called me and expressed her thanks to me for all that was done in getting her new glasses," from Lion David Stahl.

Making A Difference

I want to make a difference
 I want to learn and grow
 I want to meet new people
 Have an accomplishment to show

I am a volunteer
 My work comes from my heart
 I give my time and energy
 This is my active part
 I can make a difference
 Volunteering is where I start

We can all be volunteers
 Aiming towards a common goal
 From strangers to friends
 Working together as a whole
 We can make a difference
 Accomplishing our goal

We can change our world
 We can continue to succeed
 We've worked together as a team
 We can all volunteer

by Astrid Hardjana

Dear Lions and Leos:

In this Lion's year our International President has a theme of "Together We Can." How appropriate for each of us to realize there is a bigger picture of what Lions do in over 210 countries around the world.

From our hearts we serve others. Hopefully, to put a smile on their faces to ease the battle of living. When providing to those peoples struggling, you say, "This is what Lions Do!" Their hearts will forever be changed because of our physical and verbal actions.

Continue to reach out to individuals in the grocery store line, elevators, outdoor events, and wherever you hang out. Bring up the conversation of helping others within the community and provide some examples of what Lions have accomplished to ease burdens of despair.

October is Membership Month for Leos and Lions. Governor Clay set a goal for each club to add one new member. Our district has added new members in 9 clubs and we are in 2 months of our year. Let's ready our clubs on a transformation we have not seen in the last 4-5 years.

Remember, we CAN change the world, we CAN succeed, when we all work together as a team. Contact Membership, Leadership and Service Chairpersons to help your club set up a Membership Drive! Looking forward to seeing what our clubs can do in September!

Blessings of love,

Lion Cheryl
