

Lions Tale

30 First-Timers

To our District Convention!! Most we have had in YEARS!!!!!! Our 1-Day Convention is meeting the needs of our future! Change can be beneficial if we just open our hearts and our minds while listening to the future.

Our first-time Lions were from Bald Eagle Valley Lions Club Branch; Bloomsburg Lions Club; Coudersport & Area Lions Club; Eagles Mere Laporte Lions Club; Howard Lions Club;

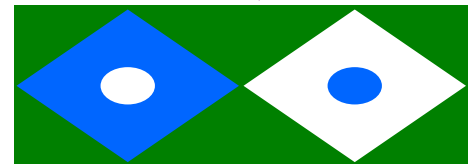

Mansfield Lions Club; Milesburg Lions Club; Montgomery Lions Club; Northern Tioga County Centennial Lions Club; Pleasant Gap Lions Club; South Williamsport Lions Club; Sylvania Lions

Club; Turbotville Lions Club; Watson Centennial Lioness Lions Club; Wyalusing Lions Club and Bald Eagle Leo Club from Turbotville Lions Club.

Our Guest Speaker PID Alan Lundgren from Arizona was so impressed, he will be telling the world about our District Convention and how suc-

cessful it was! He would love to return to Pennsylvania and truly enjoyed meeting everyone of the Lions at our District Convention!

Being Informed Matters

Using **MailChimp** to help district secretaries not having to send out the newsletter, I thought it would be beneficial to send a mass mailing.

Now I know their frustration . . . Because I can get statistics on those accessing the **Lions Tale Newsletter** and this is what I discovered:

- Out of 1,001 emails in this district—
- only 354 Lions opened the newsletter!!!
- 164 clicked on it
- 29 bounced back

That's only 36.4% of you know what is being offered!

Now what???

Due to the large volume of pictures for the District Convention, there will be a supplement.

Cheryl Wilbur, Editor

From International President Yngvadottir

Find Your Focus

There are so many ways your club can encourage environmental awareness in your community, but where do you begin? The Club and Community Needs Assessment can help you identify the needs in your community so your club can start their service today. When we understand what our community needs, we can deliver innovative and lasting solutions.

Discover new way to impact your community when you [download the Club and Community Needs Assessment](#).

Dear Lion,

We are problem solvers. When Lions come together, we can create lasting solutions that ensure the health and well-being of all people. That's why it's so important for us to continue to protect, restore and advocate for the environment in our community and around the world.

The environment affects us all. When we work together, we not only make safer, cleaner communities for ourselves, but we create a better, more sustainable world for future generations.

In friendship,
Gudrun Yngvadottir
Your International President

Plan a Service Project

Service Journey project planners are the perfect way to start your club's next service project for the environment. Project planners can help you easily organize a great project like planting trees with students in your community or caring for young trees around your neighborhood.

Learn more about how Lions are protecting the environment, and download your service [project planner](#) today!

Deforestation is one of the greatest threats to our environment, but Lions are doing so much to restore our world. Just like Lions in Kenya who are fighting to revive their once verdant landscape that inspired Dr. Seuss' beloved ecological tale, *The Lorax*.

[Visit the blog](#) to read about how Kenyan Lions "speak for the trees" to ensure a better ending to their story.

Earn Recognition from Your International President

Balanced membership leads to healthy clubs. That's why in March and April we will be rewarding club membership chairpersons for their ongoing efforts to invite men and women to join their clubs..

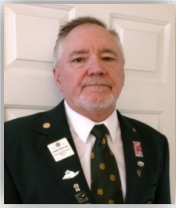

- **Invite** new members, including at least 50% women
- **Achieve** your membership goal from March 1 through April 30
- **Earn** a Presidential Certificate for your success

So work with your membership chairperson to help grow your club and increase your community impact.

Family & Friends Month Leo Club & Environment Awareness Month

District Governor Howard "Butch" Haus

Once again, I have been busy this month with club visits, and working on our District 14-G convention. By the time you read this letter the District Convention will be in the books. I hope that many of you were able to join us for this event. The District Convention is a time of fun, friendship and sharing ideas with others.

I am continuing with my message about service to the local community and the global communities. "WE SERVE" is our motto—let's do just that. We sometimes get so caught up in the fund-raising we put service on the back burner. Look for opportunities to serve and remember everything you do for anyone is service to be reported on MY LCI. I believe that our district should be leading the way. If you have any questions please contact GST (Global Service Team) lead by Lion Silvana Mancini, email silvanak3@aol.com or (570)547-

1543 or contact myself, email butch9443@hotmail.com or (814) 933-4601.

I want to Congratulate all the SECRETARIES and the MEMEBERS of 14-G on their reporting of service! We are over 42,901 hours as of 3/27/2019 and we still have 3 months remaining. We have 59 clubs who have reported service activities and we are leading the multiple district in hours reported. I know there have been many changes to the International web site and everyone seems to have figured out how to still report both their MMR's and Service. Great Job and Thanks Again!

I continue to encourage all clubs and members to support LCIF's "Campaign 100." Over the next 3 years LCIF will be attempting to raise 300 million dollars. Lions Clubs International Foundation (LCIF) is 50 years old and has awarded 1 billion dollars in grants. If you have any questions about LCIF you can contact myself at butch9443@hotmail.com or phone (814) 933-4601; you can also contact

our LCIF District Coordinator PDG Gary Strauch at gstrauch@frontiernet.net phone (570) 204-8003.

All members: please look at the web site as things are changing rapidly! You will need to create a new username and password for using the web site and the new MY Lion App!

Training will be scheduled for the MYLION app soon to make reporting of your service activities faster and easier! Look for this in the near future. We will be looking for Lions who would be willing to help, I am searching for someone in each region to assist with this venture. Training will be held in each region, so you would not have to travel far to understand how it will work. Everyone please read and share the NEWSLETTER with all members.

Family & Friends Month Leo Club & Environment Awareness Month

First Vice District Governor James Wilbur

We are on a Fast-Track alright! Where has the time gone for this year? The sun is shining today and it is beginning to feel like spring has sprung, especially when I see red robins with snow on their backs! However, the blue jays are still sticking around, but I do hear the geese flying over the house! The groundhog did not know what he was doing, either!!! So much for all those millions of people who just couldn't wait for the monster to come out of the ground!! Since when do humans rely on a rodent in Punxsutawney to tell us what the weather is going to be? And this has been going on since 1887!!! Well, as the new slogan for PA is "Pursue Your Happiness," I wonder how many souls are happy on "Phil's" prediction?

My prediction is this: As the incoming District Governor, I will be sending

out to the presidents and secretaries my visitation schedule. If it does not meet your club's time frame, please send me an email or call me. The schedule is not etched in the stones yet, so we can adapt to your needs. The letters will be going out mid-April, and you know how slow the snail-mail can be at times, about as unpredictable as the rodent.

If the schedule can be set by April 30th, I will be able to get the directory completed for the visits, and have it ready for my journey of travelling back over the mountains.

Speaking of visiting, I will not be attending the International Convention due to some health issues with my back. To ride in an airplane for hours and with all the walking and adjusting to a different bed, it is best to stay home according to the doctor.

One thing I can count on . . . Is OUR CLUBS!! The monetary support is

slowly arriving. At this time, the District Governor applied for the \$500 for the Lions of Pennsylvania Foundation, which will allow us to order the Brady Buggy. Currently, we have \$580 to apply towards purchasing a Brady Buggy from our clubs. With \$420.00 more we can get another from our district. A MILLION THANKS for your club's requested donations, and HUGE thanks for the clubs donating beyond! We have two clubs in our district: Rauchtown Nippenose Valley and Sugar Valley joined together to purchase one from their clubs! We are hearing more and more of that taking place across the state.

"Fast Track to Delivering!"

Lions Clubs Donate 'Brady Buggy' to Geisinger

The Sugar Valley and Rauchtown-Nippenose Valley Lions Clubs joined together to purchase a Brady Buggy® for the pediatric department at Geisinger Medical Center in Danville.

The Brady Buggy is an animal-shaped wagon to be used to transport children from pediatrics to radiology or any other area of the hospital for tests and procedures. The wagon includes a trailer hitch to tow IV poles and allows children undergoing treatment to be mobile-even during chemotherapy. Children can sit in the Brady Buggy and bring their snack or favorite stuffed animal along for the ride.

Thanks to the generosity of both Lions Clubs the children at Geisinger will have a little more fun during their hospital stay.

Submitted in a local newspaper, Express

Family & Friends Month Leo Club & Environment Awareness Month

District Staff Administrator

Fellow 14-G Lions:

As of March 28 we still had three clubs with delinquent from January Monthly Membership Reports: **Mt. Carmel, Muncy Area, and Williamsport.** They, hopefully, have responded to a note of March 28 to Club Presidents and Secretaries, our Cabinet and our PDGS/PCCs sharing their opportunity. Additionally, eleven clubs had not yet made their March MMR as of this writing on March 28. As of Wed., March 28, there is a "new universal login" - as noted below.

Many Thanks to those 46 (59 less 14) 14-G Clubs that have gotten the message of submitting a "No MM change Report" early each month, and then making any change, if necessary, later in the month. A few clubs still waste the time of submitting typed out MM and Activity reports to our newsletter editor, DG and others. I say "waste of time," because using the MyLCI reporting system makes easy the reporting system with NO OTHER TYPED report necessary. Only Activities that are submitted on MyLCI can be counted, anyway.

Three clubs have submitted

their 2019-2020 officers. Congratulations to Eagles Mere Laporte, Herndon, & South Creek (although South Creek, at this writing, has still to submit their March MMR!!!)

All Lions can now access the "My Lion Application" using a universal log-in at <https://lionsclubs.org/en>. Club presidents and secretaries now use and chose "MyLCI" or "MY Lion" as needed for their tasks to be completed when they are logging in. Look at these sites!! Our LCI dues make them possible !!!

Conversations I had with Andy Cerventes of the MyLCI support Staff, and Jennifer Mack, Director of the LCI Service Division, have been highly enlightening. Both emphasized the need for Lions Clubs to be using LA-2 – Standard Club Constitution and Bylaws – Use [https://lionsclubs.org/en/resources-for-members/resource-center?query=club constitution and by-laws](https://lionsclubs.org/en/resources-for-members/resource-center?query=club%20constitution%20and%20by-laws). Sorry, the "link" would not copy/paste.

Included in this "newness" are the Club Board positions of Marketing Communications Chair (MC) and Service Chair (SC). Communications is the KEY Word in the "MC" position. A club I am

familiar with, last year, made a fateful decision to not utilize these new positions. Believe me: Lions who think they know better than what is coming out of Oak Brook, IL, are going to be left in the dust of the Lions Clubs of the Future. We have, right now, 8 Lions clubs with less than a dozen members. New projects can attract new Lions

For example – All Lions can come up with a project using planning resources on My Lion. See <https://cdn2.webdamdb.com/cVlc1QtNFBi8.jpg.pdf?v=1>. This will lead interested Lions to a Site where you can find ideas about Diabetes projects. If you don't think our genes; Lions Clubs meals; and other sedentary habits have not lead many of us to being diabetic of some level or another, where have you been ???

Call 630-571-5466; ask for Jennifer Mack of the Service Division: tell her I sent you; and ask her for guidance on how to identify "new member attracting service projects," YOU will be utterly fascinated and amazed. I was!

CJ Keener

From the Desk of District Secretary

Working our way towards the end of our Lions calendar year 2018-2019. As the secretary/treasurer for the Past two Lions years, I am ready to pass along the secretary duties to Lion Debbie Colegrove after June 30, 2019.

Taking on the responsibility to both of these positions at once has opened my eyes to many leading Lions in our great district. With this district consisting of 60, currently 59, there are many things to do.

I feel very confident in remaining the treasurer, as banking is my business. Looking into the records, we have noticed changes that need to be corrected and we have been able to do that with the Counselors (Committee of Past District Governors).

We have purchased two new laptops, which states in our District Policy: computers need to be changed every 3 years. In addition, some of the equipment has been lost or is no longer in good working order. A portable sound system was purchased to be used by the district.

In looking at the monies owed in specific areas from clubs to International, State, and District, this needs to be constant

and paid in a timely manner. As with our own personal bills of electricity, telephone, etc. needs to be paid by a specific date, so does the bills from our Lions Clubs need to be paid on time.

This leads us to the situation of training of officers in the district. As many of you have been voted in by your club, not all the information gets passed on to those following you in your office. So there is no one to blame, it's just a matter of letting the clubs know there are monies due.

I look forward to remaining in this position with District Governor Elect James Wilbur as he has requested. I will be assisting with training for the incoming District Secretary Lion Debbie Colegrove.

This week I received an email from the PA State Administrator Lion Bob McComas of the state dues still owed, which were sent out in January 2019. I encourage you to pay the dues as soon as possible. Thank you in advance for your consideration of sending your payments.

Sincerely,
Lion Beth Cooley, District 14-G Treasurer

NORTHEAST PENNSYLVANIA Lions Service Foundation

The Northeast PA Lions Service Foundation would like to inform you of progress made since our last update. At the last board meeting held March 13, 2019. The board voted unanimously to release the final \$25,000 grant to Salus University, completing a three-year commitment of \$75,000 in grant money to be used for support of graduate students in the Department of Blindness and Low Vision Studies through scholarship assistance and support for faculty mentorship/supervision for student interns. Funds also supported recruitment and public education efforts. The NEPALSF will evaluate interest in continuing a partnership with Salus going forward.

The Service Foundation will be a major sponsor of the Strides Walk event at the State Convention in May, and invite you to visit our display table. E-sight and Nu-eyes will also be at the convention to exhibit exciting new eyeglass technologies that aid those with low vision.

Financial reports and review show that NEPALSF has been a good steward of our assets and investments while being able to distribute approximately a quarter million dollars in grant money to aid Lion, Lioness and Leo clubs in service to their communities. Just since November, the foundation has approved three Buddy Wagon grants for pediatric patients and \$15,000 to the Center for Vision Loss (located in District 14 -K) to provide services like socialization and recreation activities, rides to medical appointments, eye exams and assistive technologies. We also approved a grant of \$4,602 to Mom's House of Lancaster that helps single parents through education, childcare and social services. \$25,000 was approved for Beacon Lodge to upgrade their phone and Wi-fi systems. We encourage clubs to apply for patient care, equipment, education or community project grants. Though we remain loyal to our priority of aiding those who are blind or have low vision, all

worthwhile projects will be considered, as "We Serve" where there is a need in our communities.

The NEPALSF is grateful for the \$600 in donations received since November from the Emmaus, Watsonstown Centennial and Sayre Athens Lioness clubs, Harris Township and Sayre Athens Lions clubs and the Emmaus Lioness-Lions Club that enable us to continue our work.

The Northeast PA Lions Service Foundation welcomes Lions who are interested in serving on our various committees or as a board member. Contact your District NEPALSF representative or District Governor for more information. Our next board meeting will be June 12 at the PA State Office.

Global Membership Team Coordinator IPDG Cheryl Wilbur

- ⇒ Districts are creating Women's Symposiums or Workshops
- ⇒ District A is diligently working on forming 3 clubs
- ⇒ District B is in the process of forming a Specialty Club of Eye Care Professionals
- ⇒ District G has a Branch Club about to transform to Bald Eagle Valley Lions
- ⇒ Loss of 17 clubs in the state, we are having to invite more potential members to become Lions—there is much work to be done

PDG Arthur Girio Lions Scholarship

Since 1990 the PDG Arthur Girio Lions Scholarship Fund has awarded 396 scholarships to District 14-G Lions, Lioness, their children or grandchildren, and Leos. This program is available to all clubs in 14-G. With several new clubs and many new Lions in the district, we are informing everyone of the scholarship.

The Scholarship Committee: Lion George Girio, PDG James Crawley, Lion Beth Cooley, and Lion Erin Miller, would like to increase the current scholarship award of \$500 to \$1,000. To accomplish this goal they are requesting a minimum yearly club contribution of \$250.00.

This is an opportunity for the Lions and Lioness Clubs of our Great District to join together to help advance the youth in our communities, and to continue PDG Art's dream.

Look for further details and application in the 2019 April Lions Tale Newsletter.

\$15.00 per person

Reservations – contact:

PDG Kerry Drake

5455 Warrensville Road

Montoursville, PA 17754

Watsonstown Centennial Lioness Lions Club

A spring Antiques, Crafts & Vendor Show held at the Warrior Run Area Fire Department Social Hall in Allenwood, PA. The entire hall was filled with vendors and items ranging from Easter to Sports to Photography and more. Each vendor donated an item to our Chinese Auction to make it our biggest and best ever!

Our members and others made and donated hot dogs, Hamburg BBQ, homemade soups, desserts and more were sold at our lunch stand. As usual, everything was delicious and we sold out!

The happiest moment of the day when a little girl named Chloe turned out to be the winner of the Easter Bunny Carriage! She had been there all day helping her mom with her sales table.

We are changing the format addressing MMR's and Service Activities. Monthly Membership Reports can be submitted on the second day of the month with no problem. As secretary or president, log-in and add a new member or remove a deceased member at any time during the month to report. I am requesting the MMR's be submitted by the 25th of each month.

I will be placing service activities for each month for the following month due to some clubs not meeting until the last week of the month. With 59 clubs in the district, I feel it is more imperative I get the activities of which your club will be conducting the following month to advertise it for Lions in our district to attend these events and support each other.

Lions, you will only see the difference this month, as you will not see the activities you have done during March but will be seen in the May Issue. Please send pictures of your events, as this seems to be what draws Lions into reading more and more of the newsletter.

With using the MailChimp, I am able to see how many Lions actually open up the newsletter. Out of

Honoring our Past Lions

Michael Scott to Lions Clubs Help and Support Group

Credit goes to Lion Michael Scott for this valuable information. To honor a deceased Lion in our clubs, we can purchase a cast aluminum Lions emblem with the deceased's information.

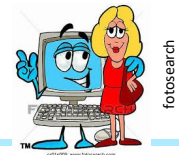

FYI: LIONS GRAVE MARKER available from the Lions Store

6" cast aluminum Lions emblem and plate lettered with members name, club name and life dates.

Anodized and mounted on a 12" aluminum rod which is adjustable for upright or flat position on grave. Specify exact lettering. Allow 4 to 6 weeks for delivery.

From the Editor's Computer

Dear Lions, Leos, and Lioness Ladies:

I am hoping more Lions are reading the monthly newsletter and introducing some of the articles for a topic of discussion during your club meetings. Researching and keeping abreast of just how important our Lions Clubs International and your service hours are to the world.

It was more evident by attending the District Convention this year! Due to the large volume of information on our District Convention, there will be a supplemental newsletter. I am in hopes more Lions are reading this—at least 50% would be wonderful after the endless hours of producing a worthy newsletter.

May your Mother's Day and Easter be as wonderful and giving as you are. With this being the "FIRST's" of many without my daughter, Ciara, I will do my best to make it through. To all of you, my prayers for good health, focusing on forgiveness' and accepting those individuals for who they are without judging—our human side takes over way too many times. Give love and LIVE!

Your Editor, Lion Cheryl Wilbur
