

In Memoriam of PDG William Luse 1933-2019

William H. "Bill" Luse June 4, 1933 - August 6, 2019

Born in Centre Hall, June 4, 1933, he was the son of the late Ralph and Mildred E. Long Luse. He married Shirley L. Rhoads on June 14, 1952. Shirley passed away on October 4, 2012.

Bill was a 1951 graduate of Centre Hall Potter High School. He was a member of the Grace Lutheran Church in State College. Bill farmed in Potter Township and later was employed at Penn State in the Lab Animal Department, followed by the dairy barns and retired in 1996.

Lion Bill became a member of the Centre Hall Lions in 1967; while serving as the President, Secretary, and a Board Member respectively. He was Chairman of the Chicken BBQ Committee for over 30 years and was most always present for cooking the chicken with just the right amount of "sauce with no water." He was the District Governor 1991-92. Bill was a Melvin Jones Fellow, Joe Wroblewski Award recipient, and a PA Fellow. He served on the Camp Victory board for 20 years. PDG Luse received his 50-year pin in 2017.

Bill was also a member of both the Centre Hall and Woodward PA Patriotic Order Sons (POS) of America for over 60 years. Bill had a passion for helping others in need; that passion shined in his service through the POS of A and the Lions organizations.

"Several years ago, about three of our Lions made wine and would bring some for the cooks to taste whenever we BBQed chicken. We also use to BBQ and sell chicken at Memorial Day which Bill normally attended. After his first visit to see how the chicken cookers were doing, he pretty much made it a tradition to stop by and sample what he called our "special sauce." As you know, he was a fixture at the Lions Club and Farm Store in Centre Hall."

Lion President Pete (Schempf)

"William 'Bill' Luse was one of the first people who got me interested in Lions pin trading. I actually got my first pins from him. Along with PDG Don 'Tiger' Johnson and 'Moe' Johnston. PDG Bill was one of my mentors in pin collecting. He would come up to me and ask if I had the pin he was showing me—and, of course, I didn't. He'd smile and say, "now you do!" We'll miss him and I will treasure the pins he has given me through the years."

The Joe Wroblewski Award was bestowed to PDG "Bill" by Past International Director Cynthia Gregg & PDG Jim Crawley.

"Bill Luse was a member of the Pennsylvania Lions Pin Traders. He was a director on its governing board and an important worker for its auction and social activities at the annual pin swap held in York. Bill enjoyed collecting sets involving animals, farming, pins from Alaska, and local clubs."
PDG Don & Donna Johnson

"PDG Bill Luse was dependable and helpful. Our best memory was when Bill and Shirley, Shirley and I traveled to the New England States and to Nova Scotia Canada for the USA/Canada Forum in September 2001."
PDG Paul & Shirley Schriener

"I enjoyed PDG Bill's support when I was District Governor. I also enjoyed his smile, even though I knew enough to be wary 😊."

"PDG Bill Luse was of great help when I was struggling to figure out the challenge given every new district governor - How to order pins!!! His calm, "this is how you do it !!!," made it very easy and actually got me much more aware of the "Lions Pin Collecting Syndrome" than I would have ever been without his great assistance. His kind support, and that of PDG Don "Tiger" Johnson, enabled me to firm up my theme of "Are we Current, Vital and Appealing." That theme is still a challenge we have to sponsor "replacement Lions" for PDG Bill, and others, if we are to continue to keep our clubs strong and providing needed local, and "far from local," services that "no one but Lions do."
PCC Charles "Jim" Keener

"When Bill was Governor and I was his Cabinet Secretary he would check out the desserts wherever we traveled and ask if I was going to eat my dessert; he always ate mine if I wasn't going to. Bill traveled with JoAnn and I to many District 14G events and we solved many District problems – at least in the car on the way home. Bill enjoyed the yearly trips to deliver glasses to Dr. Riegel in Ridgeway, which was usually tied to a side trip to view the elk. Bill was a regular Bingo worker and was always joking with the ladies when they bought tickets from him. Bill was a dedicated pin collector and attended the pin shows in PA and was a member of the PA Pin Traders. He and PDG Don Johnson would compete for pins on e-bay. After Bill's retirement he worked part time for the Centre Hall Feed Store - often traveling with the owner throughout Ohio, Indiana, New York, and Pennsylvania to deliver and take orders for custom horse feed and vitamins. He will be missed by many."

Tracking Our Success . . .

Many Officers in our district are receiving training enabling them to be the best they can be in a changing world of technology! Even though many of our Lions are frustrated with the new MyLion application, they continue to want to learn more about recording clubs achievements in serving others. Congratulations for your perseverance in fulfilling the requirements of the positions in which you serve!!

Keeping our eyes on the path to success . . . District 14-G conducts three (3) Cabinet meetings during the Lions year from July 1 to June 30 of any current year. The first Cabinet meeting was held on September 7, 2019, at the Riverwalk (STEP) building in South Williamsport. Presidents and vice presidents, secretaries, treasurers, zone chairs are included as the Cabinet and advisors for the District Governor. Their attendance is crucial in decision making for the future of the district. Thank you officers for attending the first Cabinet meeting! The results of that meeting are on page 6.

Tracking the goals created by the District Governor, our clubs have added five (5) new members in September, with 11 Lions Clubs increasing more hands to serve others. The secretaries are doing awesome in reporting their clubs Monthly Membership Report (MMR), we remain at 100% for our efforts!! If secretaries are struggling to report, please contact the District Administrator to assist with recording your

club's members and service hours.

Continuing down the trail of tracking our successes, see page 10 for records of District 14-G's number of people being served; volunteer hours; and activities reported. Our district is at only 34% of clubs reporting, which would increase all of the above substantially. Officers responsible for recording are encouraged to attend a training session or by calling the District Governor or the Staff Administrator for assistance. Reporting is vital for our organization to receive support from major corporations or philanthropic (*According to the Donate to Charity website, philanthropic organizations are nonprofit nongovernmental entities that utilize donated assets and income to provide social useful services. Community foundations, endowments and charitable trusts are types of philanthropic organizations.*) We are still hearing from a few officers, "I can't get in," which is no longer an excuse when we are just a phone call away. We are here to support you in being the best you can be in the position officers accepted to serve. We are counting on you to report your club's successes.

Let's take giant footsteps and attend the Fall Symposium (page 8)! When gathering with other Lions, it is amazing the ideas for fundraising, ways to increase membership, and speakers for club meetings! It's a great camaraderie of Lions sharing the same vision of helping others!

District Governor James Wilbur

Dear Lion Friends:

We were able to get ten (10) club visits and two (2) events in during the month of September! The trips included: Sayre Athens Lions Club; Harris Township Lions Club; Watsonstown Centennial Lioness Lions Club; Ferguson Township Lions Club; Mt. Carmel Lions Club; Howard Area Lions Club; Benton Lions Club; Patton Township Lions Club; Snow Shoe Lions Club; and Sylvania Lions Club! Up one mountain and down the other! The events included Camp Victory Lions Appreciation Day and the Lioness Rally.

My wife, PDG Cheryl, and grand daughter Maladia "Molly" travelled to Camp Victory for Lions Appreciation Day! We enjoyed the ride around on the golf cart, walking up into the tree house to eat ice cream, and making a craft in one of the buildings! Since my last visit at Camp Victory, there have been many improvements; however, there is always a need for updating the buildings. Currently, two of the buildings will need new roofs put on them before next year. In addition, please check out the list of needed items for the next camping year on their website.

September 28th was the Lioness Rally. Wasn't sure how to speak to a room

full of women; however, First Vice District Governor Jim Douty and his wife, Lioness Kathy Douty were there, so I did not feel so alone when he met me at the door! Governors in our district are very aware of the many benefits communities receive from these very active group of Lionesses. In fact, Lioness Liaison Debby Bieber suggested we all stop by Fort Muncy Nursery to visit the Newberry Lioness conducting a Scare Crow fundraiser! I believe many of us went there to support them and purchased raffle tickets and snacks! See the back page of photos!

Driving around the mazes (not hay bales!) with "Miss Daisy" and the First Vice District Governor has been an educational Lions trip! We talk in Lion terms and solve world problems—'oh what fun it is to ride in a one-horse open sleigh! No, we did not end up at the Honest Horse Thieves Park in Sayre; however, snow will be flying before you know it!

Before the snow flies, there are a few very important meetings scheduled:

***PDG Meeting October 23 at Hoss's Steak and Sea House, Williamsport, 11 a.m.**

***Second Cabinet Meeting on Saturday, November 9, 2019, at the RIVER-WALK STEP Building, South Williamsport,**

10:30 a.m. for Presidents and Secretaries to attend a special meeting with the Governor.

Speaking of special meetings, I heard from First Vice District Governor Cathy Baker District 14-T, sent me an email letting me know my Governor's Pin was on the advertising flier from "The Pin People!"

She grabbed one of the fliers while she was attending the USA/Canada Forum in the state of Washington a few weeks ago! The lady I worked with on creating my pin made a statement to me then—this pin is unique, never seen one like this before! Nothing like turning a mail truck into a race car! See you around the corners during my journey of governing this great district!

District Governor "Jim" Wilbur

International Director Larry Edwards

Greetings Lions of 14-G,

Lion Susan and I have just returned from the USA-Canada Forum. What a great experience. If you have never been to a Forum, you need to add that to your bucket list. There are so many ways to learn about Lions at a Forum, seminars, presentations and just being able to chat with a Lion from somewhere else in the country. What a great place to catch up with friends you may not have seen since the last Forum. Too far to go. Not next year. It is in Louisville, KY. That is drivable. Sign up now and save some \$\$ on the registration. Hope to see many 14-G Lions there next year.

How is your membership doing? The District is down a few at the time I

wrote this. Still not too far out that it can't be brought back to a positive before the end of the month. How do we get new members? Just ask. That old plan still works. Also, President Choi has stated that with service through diversity, we should be looking at all ages. Every new Lion young or old can add value to our clubs. How about a specialty club? What niche group is in your area? Think about asking them to consider joining and forming their club to focus on their specialty.

The leaves are beginning to turn, and October is traditionally membership month. Make it a priority.

I am a member in the Harris Township Club. Governor Jim made his visit re-

cently. His message was right on target. With his more laid-back style, he was able to bring home the points. Great job Governor Jim. Keep up the good work.

That is it for now. We are preparing to head to West Virginia for a District Conference. That is the best part of being an ID, getting to meet all the new Lions we have never met before.

Keep up the good Lions work!

In Lions Service.

District Administrator

From Head of Products (dated 9.13.19) at Lions International, Matt Wallace:

"We're aware that you have experienced issues reporting your service with MyLion for web, and we apologize for any inconvenience this may have caused. We want to assure you that we're working diligently to improve the service reporting process for MyLion. While the platform is up and running—and a number of you are able to report the great service you're doing in your clubs and districts—we recognize that quite a few of you are still having issues.

Here are some of the things we'll be focusing on in the near future:

- Improving user experience by removing unnecessary fields
- Updating the time selector to clearly indicate the difference between a future and past activity
- Allowing users with memberships in multiple clubs to access each of their clubs
- Allowing for the generation and printing

of detailed reports

While we have work to do, we are making progress based on your continued feedback. Here are just a few of the updates we've made in the past two months to ensure that you have a better user experience going forward:

- Added "Funds Donated" as a metric to a service activity, and expanded the service project options
- Improved the upload capability for adding photos to a service project
- Added a "Copy" feature to assist in duplicating recurring events

Thank you for reporting your service and for your patience as we continue to improve your MyLion experience. As always, we welcome your feedback!"

If you are struggling with putting in services and hours, please call the District Administrator (DA) at 607.7.8.6909 or 570.537.2643. Or Past Council Chair (PCC) Charles "Jim" Keener for inputting MMR's.

How I Serve through Diversity

What does it mean to be a servant leader? It means to put your team first. We're in the business of serving others, but it's essential that we also take care of those who are serving beside us.

Presidential Membership Programs and Recognition Initiatives

Recognize Lions and leaders within your district who are helping you to achieve your membership goals.

- **LCI President's Circle**

Lions can earn a Leadership or Presidential Medal by chartering new clubs, including specialty clubs, within your district.

- **Specialty Club Program Coordinator Recognition**

Lions can earn a certificate of appreciation, a plaque or even the opportunity to be recognized at convention in 2020!

Prepare Tomorrow's Lion Leaders

Leadership always begins with learning. Whether you're identifying new leaders or encouraging emerging ones, Lions leadership institutes can equip them with the knowledge and confidence they'll need.

- **Emerging Lions Leadership Institute (ELLI)** or **Regional Lions Leadership Institute (RLLI)** – Direct your multiple district GLT to organize and host RLLIs or ELLIs. Make sure they [apply for grants](#) that are available.
- **Advanced Lions Leadership Institute (ALLI)** – Encourage Lion leaders who are ready for zone, region or district-level leadership to attend an ALLI. Visit the ALLI page to [learn about the institute](#) and when it's happening.

Posted September 6, 2019 on LCIF site: LCIF awarded a US\$100,000 Major Catastrophe grant to local Lions to support relief efforts in the Bahamas, where Hurricane Dorian devastated the islands of Grand Bahama and Abaco. Thousands of people have lost their homes. More than 30 people have lost their lives and that number is expected to increase. The Category 5 hurricane struck the Bahamas this past weekend with 185-mph winds, tying the record as the strongest Atlantic hurricane to make landfall. Because of your generosity, LCIF can empower Lions to be there whenever and wherever communities need our help. To make a donation for Lions' disaster relief efforts, visit lionsclubs.org/donate

Dear Lions,

Disasters can devastate lives in an instant.

Hurricane Dorian struck the Bahamas this weekend (September 1) with 130 mile-per-hour winds and heavy rain, destroying homes, flooding communities and impacting countless families. The threat continues as it heads towards the east coast of the United States.

This is a time when many people have nowhere to turn. That's why we are Lions.

Lions Clubs International Foundation (LCIF) is working with Lions to provide immediate relief to the families who are struggling (to) get back on their feet as this devastating hurricane continues.

You can help them. Your generous donation to LCIF will help us respond to Hurricane Dorian and wherever we're needed around the world.

I WANT TO HELP NOW (click to donate)

Together, we can rebuild lives when disaster strikes.

Regards,

Dr. Jung-Yul Choi, International President

Gudrun Yngvadottir, LCIF Chairperson

Club Officers Training

Presidents, Vice Presidents, Secretaries, Treasurers

Lions Clubs International is requesting the Global Leadership Chairs to have training for ALL Officers of ALL clubs within the districts. It has been several years any such training existed. I have chosen (6) six dates in various locations (some with costs) to accommodate your locations in the largest district in PA.

PLEASE select one of the dates to fit your schedule and contact me as soon as possible to alleviate monies for the expenses. I will make this as much fun as possible and you won't regret spending the few hours with me! Keep smiling and bring your laughs! Call GLT Cheryl to reserve a spot!!

If you have a laptop, bring that with you, as these establishments and educational institutions advise we should have enough internet access.

Bring a beverage with you, as most of these places do not allow food to be brought into the building unless it is catered. Beverages can be purchased at the Coffee House in Lock Haven. If you have a few minutes after the training, any help would be appreciated to help on the extension of time and having to pay for clean up. Looking forward to seeing all 59 clubs being a part of this endeavor. We'll learn a lot!

Service

Where There's a Need, There's a Lion

The District Governor and his team are still looking for a Global Service Chairperson to lead this district. "As a Service Chairperson, one would serve in a critical role of facilitating the development and implementation of the district service goals. The Service Chairperson would help fellow club members assess community needs, plan and implement service activities, and report and celebrate the impact of the services. *(This Lions needs to have good communication skills and technological/computer skills to be an effective leader.)*

In addition, a collaboration with Club Membership Chairs to involve potential new members during local service activities. The service provided by clubs in their communities brings opportunities to attract new members that share a passion to serve the needs of others."

Think about a service your club can do where the community views the Lions as being compassionate serving others.

Family & Women

Women Sharing Their Thoughts . . . Who Influenced You as a Woman

WE all have a story to tell . . . Lions International wants to

know your story of when you became a Lion. Not the date when asked to join a Lions Club, not the date when you were inducted into a Lions Club, and not the date you first participated in an event conducted by your Lions Club, BUT the date you knew YOU were a LION!

“Opportunities don’t just happen to us. They happen because someone pushed before us so that we could have that opportunity in the first place. They happen because someone else fought, persisted, and persevered.

This week, thank those whose shoulders you stand on. Honor those who came before you. Be grateful for those who paved the way for the life you have now. And, if you don’t know their stories, then ask them. Or look them up. Read about their lives or watch a documentary, like my daughter did. One of the best ways to honor someone’s legacy is to learn about it, and then carry their story forward in your life and in others.”

Love,

Maria Shriver

Send your story in an email to the editor. This will be an on-going part of our Lions Tale Newsletter in the section for Family and Women. Stories are not just for women, stories are about ALL Lions.

Where Has the Governor Been?

Coudersport Area Lions Club

A beautiful view up and down the valley heading towards Coudersport Area Lions Club on August 5, 2019. Traveling alone due to "Miss Daisy" having prior commitments, an induction for three new members was an added plus.

Chevrans were presented to three Coudersport Area Lions and a delicious gift basket was given to the District Governor James Wilbur.

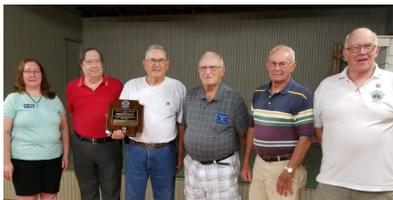

Picture Rocks

Melvin Jones Fellows

WOW! Another hidden place with a warming atmosphere while sharing with Lions in this neck of the woods! A fantastic meal was catered and enjoyed by all. However, the highlight of the evening was topped off with District Governor James Wilbur when he bestowed Lion Paul Heise the Melvin Jones Fellow (MJF) from his club. His lovely wife, Iva, placed the pin on his shirt. Lion Paul joined his colleagues also having received a MJF.

Below are other Melvin Jones recipients: Lions Beth Cooley, on April 6, 2018; Oliver

Holmes, June 2, 2006; Paul Heise, August 13, 2019; Wayne Watts, May 1, 2008; Robert Farrell, December 3, 2009; and William For-esman, March 18, 2009.

Beautiful "Woodland Park"

The Wellsboro Lions Club built a pavilion at Woodland Park many years ago and continues to maintain this wooded setting in its' peacefulness. A calm and stillness setting to host the District Governor for his annual visit. We were hosted with barbeque ribs, corn, and a large gift basket from one of the local businesses. Granddaughter, "Miss Molly" loved the corn! A beautiful night on August 19, 2019!

Sayre-Athens at "Honest Horse Thieves"

Yep! That's the name of one of the world's biggest secrets—"Honest Horse Thieves" picnic area!! The district governor and vice district governor and PDG Cheryl were guided back into the deep dark woods in the Sayre-Athens area led by Past District Governor Don Johnson and his wife, Lioness Donna with PDG Paul Schrinier and his wife, Lion Shirley!

We were then hosted with appetizers, beverages, clams, shrimp, and a steak cooked just the way you like it! And then there was the flying tine from the plastic fork that landed in vice district governor's plate, but not until the meal was nearly finished was it found!!

The meal was catered by Beeman's Restaurant and what a delicious meal it was to share with Lions from near and far! Thank you, Sayre Athens Lions for a visit long remembered. As we left the secluded secret, we stopped and took a picture of the welcome sign to show it does have a real name. By the way, you are missing a green tomato enjoyed the fried green tomato the next day with our left-over steak and shrimp!

"Horse Thieves..." found on tkinter.smig.net with a collection of Civil War Cards.

No, the District Governor did not wait for the snow to fly before heading to a warm and friendly building called the Moshannon Township Building for the Governor visit to Snow Shoe Lions! The aroma of a delicious meal was floating in the air as the District Governor "Jim," Partner-in-Service Cheryl Wilbur, and First Vice District Governor "Jim," entered the building!

Perfect Attendance Sylvania Lions

This tiny church in the mountains of Bradford County to visit Sylvania Lions has a huge heart of love in the air! You can feel the warmth from the "singing" group of Lions. Their famous "Waiter" song looking for the food to be offered at the tables is a feeling of turning back the clock! For anyone who has visited these Lions you know exactly what happens here!

After a delicious meal, Perfect Attendance pins were presented to members following the District Governor's report on the district.

Lion Daniel Hunter receives his perfect attendance pin.

Lion President Rev. Allen Goss, Lion Secretary Art Dickerson, and District Governor "Jim" Wilbur present pins for perfect attendance. Secretary Lion Art Dickerson does an enormous job of keeping track of his Lions and recognizing Lions for their many hours of service!

From the Editor's Computer

Dear Lions, Leos, and Lioness Ladies:

If there was ever a book written "In the Life of a Lion," I would be pleased to know there are many Lion hands and hearts all over the world serving others less fortunate than ourselves!

Travelling with 'Mr. Daisy' this month has been an experience seen from the other side! As I sit in the passenger's seat in the front or in the back seat, I am preparing my mind to visit the Lions I am about to see. I recall the names and the faces, and sometimes I remember who they are because Lions sit in the same seat they were when I first met them!! Isn't it amazing how we do that in nearly every place we take the weight off our feet—including church!

Have you ever tried sitting in another chair or pew, and someone says to you, "that's my seat, or that's where I sit?" Change is hard at any age, let alone having to share a place to rest your bottom!!

Although, the Governor does not rest his for long, we have truly enjoyed hopping from one place to another this month! Some ask us if we ever tire of doing what we do—nope, we are just like you, only we go from eating place to eating place enjoying all the delicious food Lions have prepared for us. Thank you for all your hospitality. And thank you for allowing me to take pictures of your club meetings or activities. Seems I only rest my bottom when I am working on the newsletter or riding around the country. See you on the road, or in a pew!

Your Editor,
Lion Cheryl Wilbur
