

Report to Cabinet – Portage Grant re Lewis Fitness Center

Construction is well underway. Although construction experienced some setbacks due to weather, we are on target for a spring completion date. The walls are up and the roof is on. Portage has submitted a request for a partial release of funds, for which I have requested a verification of documentation. The Lions of District N-1 can be proud of this wonderful structure that we have helped to fund - \$220,525 to help make a dream become a reality.Project Coordinator PCC Susan Sangster

Lions Quest has organized Training in Riverview and in Halifax to introduce and train for the complete new program with Canadian content. This training is targeting teachers, educators, and Lions. The Registration form and an information sheet has been mailed to each club. Additional information can be found by accessing the following web pages

<https://www.lionsquest.ca/engage-and-learn/training-options/>

<https://www.lionsquest.ca/resources/resource-library/for-teachers/>

We are continuing the process of updating our Lions Quest Canada website. You will find many helpful resources as well as a sample of Grade 3 lesson plan on line at www.lionsquest.ca
