

CC Lloyd first joined the Fort Kent Lions Club in December of 1987. He served as both Treasurer and Secretary of his club before serving as President of the club in 2014-2015, and he was honored to be named District President of the Year for our District N 1 during that year. Other awards he has received are a District Governor's Appreciation Award in 2016; the President's Achievement Award for Fort Kent in 2016 and in 2019; and the Fort Kent Lions "Lion Heart Award" in 2017 for outstanding service to the club and community. He has also served on numerous committees in his club over the years, including Bulletin, Membership, Scholarship, Nominations, Installation Banquet, and Program. He's also a key and regular participant in the annual Boy Scouts BBQ, helping to cook 1000 ½ chickens to support Troop 189, an event co-sponsored by the Fort Kent Lions Club and Boy Scout Troop 189.

CC Lloyd served 2 years as Zone 9 Chair and 2 years as your Vice District Governor. He persevered to meet the challenge of moving District N 1 to another step in the right direction, as promoted by the current and past administrations. The key to progress will be open communication with all involved, as only 1 weak chain link can disrupt the whole process,

CC Lloyd has also served several terms on the University of Maine at Fort Kent's Alumni Association Board of Directors, including 12 years as Board President; is currently the Vice President of the Elderly Social Council of Fort Kent, the Chair of the town's budget committee, and a Eucharistic Minister at St. Louis Catholic Church. You can also spot him regularly at athletic events at Fort Kent Community High School and the University of Maine at Fort Kent.

Lion Lloyd has been married for 46 years to his wife Leonette (Lee) and has 2 children and 5 grandchildren.

As we move ahead let us all remember,

See Something,

Say Something,

Do Something,

"Be the Difference Maker" as we all continue our Service to our communities!
