District N-1 Newsletter

Vol. 13 No. 3

May, 2020

To my Fellow Lions in District N 1:

Wow ! How fast a year goes by when one is in charge of such a fantastic group of people. aka the members of the Lions Clubs of District N 1. Coming from the perimeter outskirts of the District, it has been a year full of meeting new friends and visiting areas of New Brunswick and Prince Edward Island which I had yet to see. It is amazing to see what we, as a group within our communities, are able to achieve as "We Serve".

Beginning with training in St. Charles, IL, as part of PID Rod's group, we as in-coming District Governor's had our eyes opened to what we could be facing, and the challenges tha may be presented to us. Then, we came back and awaited our turn, to be installed at the International Convention in Milan, Italy in early July.

As our year started, we as a group that is District N 1, started on our journey of meeting our goals and objectives. A new Branch Club is in formation as part of the Shippagan Lions Club; VDG Paul Gauthier is in the process of formation of a possible Campus Club at UPEI; new Member and Retention goals were set.

Although some clubs are still few in numbers, amazing service is being provided. It is certainly this DG's hopes and vision that clubs actively seek to grow! It certainly was a pleasure to see the Winsloe, Shippagan and Fort Kent Lions Clubs each add 6+ members throughout the year. Others have had more modest gains, but gains nonetheless.

On the flip side, it is sad to see clubs experience member loses, some in double digits – are exit interviews being done with departing members to find out Why they are leaving ? If so, are the findings being addressed ? My Challenge to all members at club visitations has been "When was the last time that you personally have asked someone to join your club?" This still is my challenge to all !

To say the year has passed quickly, we'll respond "Yes". There have been a few potholes and bumps in the road, but my hearty Thanks to all who helped in smoothing the bumps. First bump was a hurricane which caused postponement of a Cabinet meeting, and then early in the second half of our Lions year, along comes a pandemic, which has put virtually everything "on hold".

I must say, though, that the response of the Lions of District N 1, has been laudable!! You must join me, to give yourselves a HUGE "Lion's Roar" of appreciation!

Transition to the new leadership will continue. Training will take place, as scheduled, although it may have to be offered electronically and not at the District N 1 Convention, which also fell victim to the travel restrictions and hazards of COVID-19. I was looking forward to hosting the Convention in the States, one more time, but it was not meant to be. Much thanks to PID Rod and his team who did much preparation for the event, only to have it for naught.

My sincere thanks to the GAT team of GLT PDG Lion Doug Small, GST PCC Lion Paul Cousins and GMT Lion Ed Evans. We will present the remaining chevrons and awards at the first meeting held in DGE Lion Paul Gauthier's term.

THANKS to all of my team: CS PCC Susan Sangster, CT Lion Carlos Vicente, VDGs Lion Paul Gauthier and Lion John Bettle, who both accepted the challenge of continuing club visitations on my behalf; to all the Zone Chairs, who provided invaluable help in setting up Zone level meetings, which cut down on some of my travel time and distances. On top of this, thanks to all Club Presidents and Secretaries who have painstakingly struggled with the new MyLion reporting system, still being perfected.

As we move forward with our Celebration 2020, we celebrate 100 Years of Lions in Canada. Let us work hard towards our goals for tree plantings, and memorial projects within our communities. Let us all get behind our in-coming DG, Lion Paul Gauthier, helping him succeed in fulfilling his goals and objectives.

I thank you all for your support, and for the opportunity to have served you, the most important part of our District !!

Respectfully,

E. Lloyd Soucie
District Governor 2019-20

Message from 2019-20 VDG1 and DGE Paul Gauthier

Hi District N1 Lions.

Thank you all for giving me the opportunity to serve as your N 1 District Governor 2020-21.

A special thanks to my home club Parkdale Sherwood Lions for their support.

I look forward to an exciting year working with our District Executive and all Clubs in our District. Congratulations to 1st VDG Elect Lion John and 2nd VDG Elect Lion Dawn and Treasurer Elect Lion Carlos.

Thanks to PCC Lion Bev Semple for agreeing to be my/our District Secretary, and to the Lions who have taken positions as Committee Chairs & Zone Chairs for next year.

With the Covid 19 pandemic, we are facing new and challenging ways on how we do things within our club, community and district. Things will get better and back to “normal” but we have to remain safe and comfortable.

All clubs should have their elections completed and their officers reported on their PU101 to LCI. Training sessions for Presidents, Secretaries & Treasurers will be offered on line until we get the opportunity to meet in person again, hopefully this fall at our Cabinet meeting.

One of my goals this year, Lions 100th year in Canada, is for all clubs to create their legacy. Our Lion members and past members have worked hard building their club and serving their community. A legacy provides a way for your club to leave a lasting impact.

Clubs can use the opportunity to attract new members to make sure it remains in your community.

This year, there will be challenging times in our community and with the organizations we support. Our motto is and always will be “We Serve”.

2nd VDG Report

My year in review. I would like to thank DG Lloyd Soucie for leading District N 1 to a very successful year. DG Lloyd faced many challenges, with cabinet meetings being delayed, MD meetings in NL having low numbers because of high winds and planes not flying, to Corona virus cancelling our convention in Presque Isle, Maine. DG Lloyd managed all of this with dignity and grace. Thanks for being the leader and teacher we needed this year. I would also like to thank DGE Paul Gauthier for his words of wisdom and look forward to his mentorship next year. I thank PCC Susan, PCC Brennan, and CT Carlos for the terrific work and leadership skills they possess. Needless to say I learned a lot this year from this group. Speaking of learning, I was fortunate to attend VDG training in Antigonish, NS last May. The training was very, very worthwhile. Then came the most unbelievable, fantastic training I ever had when I attended the Lions Leadership training in Spokane, Washington. So, this year if anyone has a chance to go to Louisville, Kentucky, please go as you will have a fantastic time as well as training that is awesome, inspirational and will stay with you for the rest of your life. I also participated in an International Cyber Club Webinar hosted by Lion Daniel Marney Elkins and led by Lion Charles Short. Next I would like to thank all Zone Chairs for their dedicated service, their reports and their time and commitment. There are a number of these ZC's that would make great DG's, and I would like to congratulate Lion Dawn Hobbs-Penton for coming forward and be willing to serve her district. We have the GAT team of PDG Doug Small GLT, Lion Ed Evans GMT and PCC Paul Cousins GST. These guys make our work much easier.

I would also like to say thank you to the most important group.....YOU..... as you are the Lions who make everything happen in your community. Thank You for letting me Serve you this past year.

Now I ask that you support the next cabinet as you did this one by going out and increasing your numbers by Asking One, taking Leadership training, and report your services in MyLion.

Have fun, meet new friends and let's get together more often.

District N 1 GST Report July 1, 2019 – May 8, 2020

Despite the challenges of the COVID-19 pandemic, the clubs and the Lions of District N 1 have accumulated impressive figures for the service activities in 2019-2020.

Of the 78 Clubs in the District, 45 clubs have reported activities in MyLCI, as of May 2020.

The activities summarized in the following grid represent “Service Activities” only – this does not include reported activities that are classed as “fund-raiser” or “meetings”.

The reported categories are those designated by Lions Clubs International (LCI).

| Activity Category | People Served | Service Activities | Volunteer Hours |
|-------------------|---------------|--------------------|-----------------|
| Diabetes | 781 | 17 | 347 |
| Environment | 3,914 | 81 | 1,428 |
| Child Cancer | 100 | 3 | 21 |
| Hunger Relief | 20,092 | 122 | 7,287 |
| Vision | 7,335 | 37 | 448 |
| All Other | 79,168 | 1,192 | 45,848 |
| TOTALS | 111,290 | 1,452 | 55,379 |

A total of 1,452 Service Activities have been reported, with a tally of \$ 399,191.00 donated.

So, even in these difficult times, Lions of District N 1 are generously donating their energy and ingenuity, volunteering to serve your communities, doing what you can to help in serving meals to those in need, operating or supporting food banks and contributing to the care and comfort of others.

Thank you to the 45 clubs who have shared their activities. I would ask that those clubs who have not yet reported, to submit your reports – it is not too late to submit your reports for this full Lions Year.

If you require assistance to make this happen, please contact your Zone Chair....check your District Directory for contact information.

Words of Wisdom

Version 3.0

Well, as we continue our self-imposed "Stay At Home" quarantine, May has sprung and will soon bless us with the ability to plant our own gardens, produce our own food and give us the opportunity to pull out all unnecessary weeds out of our gardens and maybe lives! As we progress through our meetings and service activities via Zoom, Webex, or any other means available to us, let us remind ourselves each day why we do what we do best Serve Others.

To help us do this, here are a few reminders to keep some humor to maintain some sort of sanity. A few quips that were passed on and worth sharing, I think!

*Can we uninstall 2020 and
reinstall it again?... I think it has
a virus ...*

*Just asked a 6 year old if he
understands why there is no
school. He said yes because
they are out of toilet paper.*

*After years of wanting to
thoroughly clean my house but
lacking the time, this week I
discovered that wasn't the
reason.*

*Wearing a mask inside your
home is now highly
recommended Not so much to
prevent COVID-19 but to stop
eating.*

*This cleaning with alcohol is total
b.s. NOTHING gets done after
that first bottle.*

*Does anyone know if we can
take showers yet or should we
just keep washing our hands???*

*My Mom always told me I
wouldn't accomplish anything by
laying in the bed all day, but look
at me now! I'm saving the world!*

*I swear my fridge just said: "what
do you want now?"*

*Whoever owes you money, go to
their house now. They should be
home.*

*Home schooling Day #3: they all
graduated. #Done.*

On a more serious note, as COVID-19 progresses with no real end in sight at present, we must also continue our own efforts to combat this disease. Many, if not most of our members in N 1 are in what is considered the high risk category, aged and possibly with some diabetes and heart related issues. I know I fit into all three categories.

Knowing that I look at the following advice and will try to remind myself daily to follow:

If nothing else, always be kind. There is no better way to show good character and strength in who you are.

Don't lose sight of who you are to please others.

Enjoy life and always live life to the fullest. You only get one life, so live it up.

Create the life you want. You are responsible for what you end up doing.

If there is at least one person you've helped in life, then your life has been worthwhile.

Why settle for less when you deserve the best?

McAdam Lions Serve Christmas Dinner

In the spirit of giving and in the respect for the seniors and shut-ins of our community, a COMPLIMENTARY home cooked dinner with all of the fixings was provided by the McAdam Lions Club on Monday December 23/2019 as we have been doing the last few years.

The turkey dinners were delivered by members of the McAdam Lions Club, their families and volunteers that expressed an interest in receiving a Christmas Dinner.

Christmas Dinners are provided at absolutely no cost to seniors and shut-ins. It is our treat and our way of sharing the Christmas Spirit.

Dorchester Lions – Polar Dip 2020

It was, what most would consider, perfect conditions for the Dorchester Lions Polar Dip this year. The skies partly cloudy, the temperature near zero, a skiff of snow [about 2 cm], on the ground, light winds increasing slightly as the event progressed, and 25 cm of ice on the pond. The whole affair was over within 2 hours. The 48 dippers who participated in the bracing introduction to the new decade did so with enthusiasm and vigor.

There were dippers from as far afield as British Columbia, Toronto, and St.-Paul, N.B.. All participants Took 'The Plunge' with good spirits and for the first time Dippers, some trepidation. The Local communities of Sackville, Memramcook, Dieppe, Moncton, and Riverview all had representatives supporting this event.

There is a link to the 67 photos taken by the Sackville Tribune Post on the Dorchester NB Lions Face Book Page.

This was a very successful event this year. The proceeds are yet to be determined but will be shared among the Bob Edgett Boys and Girls Sports Club in Sackville, the Dorchester Volunteer Fire Department, and Community projects in Dorchester. There were five Dorchester Lions working hard to bring the event successfully to an efficient conclusion. All spectators and participants were invited to the New Year's Levee at the Keilor House in Dorchester.

The Dorchester Moving Forward Group provided hot chocolate and cider during the event.

It is with full club participation like this that an event can be planned and run successfully. Thanks for a job well done.

Pickwauket Lions Club

This second week of January, the Pickwauket Lions were proud to donate over 50 French books to the Hampton Elementary School (French Immersion Program). We were prompted to do this after learning that some of the French books in the library were over 40 years old. The students continuously borrow these books for their studies. New ones were desperately needed. You might call it a "Little Christmas" gift....or, should we say "P'tit Noel" !!

Kensington Lions Club

The Kensington Lions Club regularly operates a Community Food Bank. During "regular" times, the food bank supports an average of 25 families at this time of year. This year, with the COVID-19 situation, and many lay-offs, the service has been reaching around 31 families per week. Deliveries are being provided "by appointment" only during weekdays. Although the service is currently running a slight deficit for its year-to-date operations, an expected donation will soon cover the current deficit and provide a modest cushion. The food bank welcomes all donations of cash or non-perishable food items.

Fort Kent Lions Club

Fort Kent LC, home club of DG Lloyd Soucie, has had a busy and successful year.

They continue to grow their membership and currently stand at 124 strong. That depth of talent and energy has allowed them to keep busy....and innovative !! After a busy Christmas and pre-Christmas season, they wheeled right into all the challenges of helping the community during a pandemic. Top photo shows one of the inspiring signs that they created and installed at entrances to the town.

In the bottom photo, a crew finishes up the bottling of Hand Sanitizer that they cooperated with the Fort Kent Pharmacy to produce and distribute by donation. In all, they distributed 200 bottles of the product, which in many areas has been in short supply. In addition, they have also obtained a number of bags of potatoes, which they donated to several local restaurants, helping them out with keeping operating costs down, and helping the farmers move some of the crop they have seen "normal" markets dwindle or evaporate.

"Where there is a Need, there is a LION!" And, even in these times, if we look, there are ways we can help!

CANADIAN LIONS

CENTENNIAL CELEBRATION

Lions Clubs in Canada Mark 100 Years of Service

In 2020, Lions Clubs in Canada are celebrating 100 Years of Service in this great country.

Lions Clubs first came to Canada in 1920, with the chartering of the “Border Cities Lions Club” in Windsor Ontario, just across the river from Detroit, Michigan. This club eventually became known as the “Windsor Lions Club”.

This event was a momentous occasion, not only for introducing this service organization here, but importantly because our Association now became “Lions Clubs International”. It remains the same, today.

Canadian Lions Clubs, and Canadian members, have made many significant contributions to Lions Clubs International through the years. One of the enduring contributions was that the International Motto, “We Serve”, was submitted to Lions Clubs International by a Lion from Fonthill, Ontario, in 1954.

Countless untold deeds of Service, large and small, have been completed in Canada and elsewhere by Canadian Lions.....bringing us to this milestone of celebrating 100 Years of Service.

Lions 2020

In keeping with our heritage and our commitment to the environment and to the generations that follow, the 100th Anniversary Committee has chosen the following goals as a fitting way to celebrate our 100th Anniversary:

1. To plant 100,000 trees across Canada
2. To create a Canadian Lions Centennial project in each community where Lions are present.
 - The 100th Anniversary Celebration begins July 1, 2019 and ends June 30, 2021
 - All Clubs are asked to report their projects to their District Governor on the form provided. The District Governors will forward Club Project Reports to Canada 100 co-chairs.
 - All Clubs who successfully complete and report their Centennial Project will receive a banner patch acknowledging this accomplishment
 - District Governors whose Districts raise \$6500 CDN towards the 100th Anniversary will be eligible to complete a grant application for matching funds, to be used for a District Project.

Lions 2020 Commemorative Pin

A “Lions 2020 Commemorative Pin” has been created to honour this occasion. Interested Lions may contact PID Yves Leveille, at leveille.yves@videotron.ca for information or ordering.

Celebrate...!!

Convention Corner...

As noted in the District Governor's Message, on page one of this newsletter, 2019-2020 has indeed been an unusual year, presenting the Lions of District N 1, and ALL Districts around the globe, with tremendous challenges, and unending demands for support.

One significant result of the COVID-19 Pandemic was the cancellation of the 2020 Annual Convention for District N 1. Special THANKS to PID Rod Wright and his entire organizing team for the preparatory organizing that went into the event, only to have it (reluctantly) cancelled.

With the cancellation, the rank-and-file membership and even the seasoned members and club leadership missed not only the opportunities for socializing and renewing friendships, but more importantly, the opportunity to learn about the important functions and operations of the District.

To help improve that, we are extending this current issue to include a "Virtual Convention" of sorts, including information about your in-coming Executive Officers, and a recognition of those members who were to be recognized during the annual Necrology Service. The Annual Convention also provides the chance to recognize and thank those who contribute to success of the District.

*To DG Lloyd, his executive and all the
Lions who have help make this
unprecedented year the best it could
be in the age of a pandemic*

Congratulations to DGE Paul, 1st VDGE John, 2nd VDGE Dawn and CT Lion Carlos on your election to 2020-2021 Executive and also to **PCC Bev** as incoming Cabinet Secretary. Best wishes for a successful year and thank you for your service.

Club Executives – Thank you for your service. We still have several clubs who have not recorded their 2020-2021 Officers. Please log into MyLCI and complete this task so the information will be available for DGE Paul, his executive and committees and to complete the directory

..... CS Susan
