ISBVI Work Day

May 16, 2009
INDIANAPOLIS

Thank you to all the volunteers that assisted with various maintenance and improvement activities on the Indiana School for the Blind and Visually impaired campus on May 16th.

The event drew approximately 25 volunteers and performed activities such as dorm re-painting and various aspects of groundskeeping. Volunteers attended from Lions Clubs from across the state and were joined by ISBVI faculty. During the ISBVI-provided lunch, volunteers had an opportunity to listen to faculty testimonials about the school.

The landscaped entrance to the school was one of many areas improved.
