

5M1 & MULTIPLE DISTRICT

“WE SERVE”

2021 Mid-Winter Parade of Green Information

Here are some helpful reminders when preparing to get your club’s checks ready for the Parade of Green:

- The **MN Lions Vision Foundation** is comprised of three areas in which we can give: Foundation, Mac Center, and Children's Eye Clinic. If your club wishes to give funds to each of these areas your Club Treasurer should write out three checks. Each check should be written to the MN Lions Vision Foundation, and in the memo line you would indicate which area the donation is requested to be used for.
- The **MD5M Hearing Foundation** is comprised of two areas which we may choose to support: Foundation, and Children's Hearing Center. If the club wishes to support both, there should be two checks written. Both are to be written to Lions MD5M Hearing Foundation and on the memo line indicate which area the check is for, Foundation or Children's Hearing Center.

All Clubs are encouraged to support the Parade of Green programs with donations in amount the club feels moved to offer, we no longer set a per member guideline for giving.

Each program being donated to, should be written on a separate check.

Due to COVID 19 we are having a virtual convention and checks should be sent **before** the convention.

Contact Cabinet Treasurer Lion David Rassel via email to obtain his mailing address:
