

5M1 and Multiple District

2024 Mid-Winter Parade of Green Information

Here are some helpful reminders when preparing to get your club's checks ready for the Parade of Green:

All Clubs are encouraged to support the Parade of Green programs with donations in amount the club feels moved to offer; **we no longer set a per member guideline for giving, and clubs can choose which if any of the programs they would like to support.**

Each program being donated to needs to be written on a separate check.

Checks prior to the convention for those clubs not attending the Mid-Winter Convention can be mailed to Cabinet Treasurer Lion Mark Petrik. If address is needed contact him via email to obtain his mailing address: 5M1Treasurer@googlegroups.com

For checks not turned in during or before the Noon Luncheon at the Mid-Winter Convention clubs will need to make contact with the Foundation Chairs and send the checks directly to them. **DO NOT send them to the District Treasurer after the convention.**

2023 Mid-Winter Parade of Green
