You probably have many members of your club that qualify as an Everyday Hero. We'd like you to select one of those people to be recognized at the 2022 Mid-Winter Convention.

This is a member your club feels could be called on for any project to serve the community and will do it willingly. We are looking for the people that are helpful in getting new members helping them become comfortable serving the community with the Lions. This is a member that is always there to help when help is needed.

Your Everyday Hero will be recognized during the convention on January 15, 2022.

Please mail or email this completed form along with a brief description of why they are an Everyday Club Hero and a Photo of the nominee by December 16, 2021 to:
