

2023-24 District 5M-1 Everyday Hero Award

You probably have many members of your club that qualify as an Everyday Hero. We'd like you to select one of those people to be recognized at the 2024 Mid-Winter Convention.

This is a member your club feels could be called on for any project to serve the community and will do it willingly. We are looking for people that are helpful in getting new members helping them become comfortable serving the community with the Lions. This is a member that is always there to help when help is needed.
