

THE LIONS PAUSE of Pleasantburg Lions Club

P O Box 5232, Greenville, South Carolina 29606

What . . . Lions Installation of Officers & Directors

When . . . Tuesday, **June 28, 2016** at 6:30 pm

Where . . . EpiCurean, 1455 Woodruff Rd, Greenville, SC

Meeting: End of the Lions year is nigh, and we celebrate the ending of this past year with our celebration and the Installation of 2016-17 Officers & Directors for our next Lions year. Spouses, guests, and everyone come and enjoy your meal, a good meeting of all celebrants, a few surprises, and some recognition of the last year's activities. Welcome to all our members, family, friends and also our guest installer - PDG Lanny Balentine, a proud Lion for at least half a century (or it sure seems that way).

Lions Birthday - June 20 - Lee Madrazo

June 1 - Lions International Helen Keller Day.

Other Lion Biz - Catch up on your Lions news in the recent *Lion Magazine of Int'l*.

The Lions Int'l Convention is winding up in Japan on our meeting night, and all Lions from all over the world will have spent an eventful 5 days there filled with excitement and joy. Spend a few spare minutes on the Int'l website, or on Facebook or YouTube to bring you some of the sights and sounds of the activities represented there. Take a look if you can.

Camp Lions Den - July 3-9, 2016 is the camp week this year at Clemson Outdoor Lab on Lake Hartwell. The Anderson Lions Club is continuing the camp for kids from ages 7 to 17 and invites us to the fun night on Friday, July 8 for the cookout, followed by the campers' songs and skits. This is for the Lions, campers and families. It's free to all at 6:00 pm. Carpooling is fun, and a stop at the DQ on US Hwy 276 on the return trip caps off a good evening.

The Prez's Corner - Thanks to all Lions for your service to the club and to others in this last year and please continue your efforts to keep the important work of Lions going. Make a pledge to do so. We can place more gumball machines at places and businesses we locate. Fordway provides the machine and re-fills the machine on a regular basis. It's just that easy. We just need to find locations on the Greenville side of I-85, so that our club will earn the commission.
