Meeting: Our meeting day is observance of Flag Day in the USA. This annual day encourages you to remember and learn the history of the flag. No need to settle for the "same old thing" when your server has the ability to bring something new and different to you if you can dare to order a new choice. So, try for the first time a dish to please your palate, and you will have enjoyed a new taste and just might have now another favorite for Tue nights. This meeting is Lions news and the club business meeting, the last Board meeting of the club year.
