DISTRICT GOVERNOR'S MESSAGE

Greetings Lions, Leos and guests of District 14B!

Thank you for this opportunity to serve you and the communities of Allegheny County. I promise to serve you to the best of my ability with a smile. We as a District team promise to challenge you and your Club to serve your communities by helping you grow your membership.

“We Serve” We are a team in service. As International President Douglas Alexander says “Service from the Heart”. Each of our Clubs in District 14B has their own service project that identifies their Club to their communities. What is your Club’s service project that the people of your communities say “Oh the Lions Club does that?” It could be a couple projects. It is roadside cleanup and beautification? Sponsoring concert series? The Plastic film Recycling project? However your Club serves your communities, we serve from the heart with kindness. If you are having trouble identifying your service project, well, that is where Lions Club International and the District Officers of 14B can help you. Call me or anyone that is listed in this Directory to start. Service is different than fundraising. We fundraise so we can do the service projects. We don’t want to continue to be the best kept secret in your communities.

Doing service projects is how we grow our membership. When Lions are out serving their communities, the people see how much fun it is to be a Lion. Smile! Laugh! Have fun at your service projects! Tail Twisters, tell those clean jokes and get your members to laugh and have fun at your service projects. Always have membership applications available at your service projects. You never know who might be interested in joining. The important thing is to “Ask One”.

Let's Soar into Service!

Your District Governor,

MaryAnn Belles

District 14-B Governor's Visitation Protocol

The District Governor is the highest-ranking authority within the district. The Lion who holds this office, the District Governor was chosen because of his/her dedication to Lionism. Accordingly, proper recognition and respect for the District Governor requires the careful adherence of the Clubs within the District.

No one means to be inconsiderate and certainly not rude, but sometimes, under certain circumstances, we lack information to guarantee a smooth meeting. The following list of suggestions should be helpful.

- Do not have any other programs during the District Governor's visit. **The Governor is the program!**
- Have a member, preferably a Past President, meet the Governor and keep him/her entertained until dinner (or the start of the meeting). It is a good practice to introduce him/her to each Lion present.
- Be sure the Governor is seated at the head of the table next to the President and to his/her right. Many times, a Vice District Governor (VDG) or Zone Chairperson will accompany the Governor. The President should introduce the VDG or Zone Chairperson, who will then introduce the District Governor.
- The District Governor is the ranking officer in the district and deserves the respect of his/her office. When he/she is introduced, members should immediately rise and applaud and should do so again at the conclusion of his/her address. The Governor should not be introduced at any time other than when he/she is to speak.
- Even though the District Governor will most certainly be a good sport, it is not considered good taste to have the Tail Twister bother him/her to excess.
- **Do not hesitate to discuss Club problems with your District Governor. It is his/her job to help solve problems and give new ideas to Clubs (and maybe your Club will have ideas that the Governor can take to other Clubs).** Make this meeting with your District Governor a real down-to-earth get-together.

HISTORY OF PA COUNSELLORS DISTRICT 14-B

The birth of Lionism in Pennsylvania began on November 17, 1920 with the chartering of the Lions Club of Pittsburgh. This was not only the birth of Lionism in Pennsylvania but the beginning of Lionism east of Ohio. The Pittsburgh Club was initially in District 13 (Ohio and Pennsylvania).

In March 1923, our first District Governor, H.L. Beach, called a meeting of the Lions of Pennsylvania in Johnstown for the expressed purpose of uniting the Lions of Pennsylvania. After much discussion and disagreement, a state-wide district was formed with Irving L. Camp being elected District Governor of the Lions Clubs of Pennsylvania.

Since that time, there have been many changes and there are now 17 districts in what is now known as Multiple District 14.

It should be noted here that prior to 1965-1966, Past District Governors were granted the title of **International Counsellor** at the conclusion of their year in office by the International Association if they met the requirements. This designation was proposed by Lion Dr. Arthur S. Haines of the Wilkesburg Lions Club during his term as International Director in 1942-1944.

Lion Haines spelled **Counsellors** the way he did because he said the Past District Governors "sell" Lionism. With the global changes taking place in Lionism, the designation **International Counsellor** was discontinued in 1965-1966 because Past International Directors in some foreign countries complained they were outranked by the **International Counsellors**. The Past District Governors of Pennsylvania, at that time, decided they would remain Counsellors, which they have done up to this point in time.

On the following pages are listed the International and Pennsylvania Counsellors of District 14-B. These Pennsylvania Counsellors have shown a dedication and selflessness far beyond the call of duty, often at great personal expense and sacrifice. Honor them if you have the opportunity. It is their only reward!

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

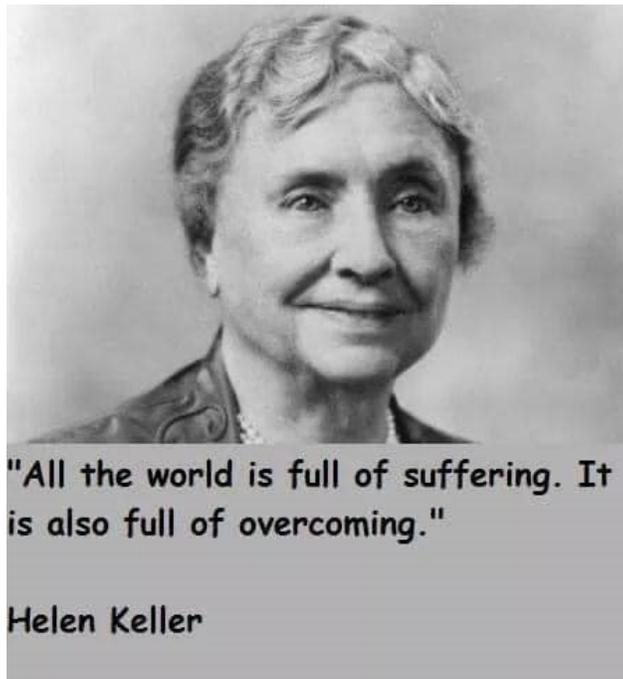

WHENEVER A DOUBT arises as to the right of ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS TO BEAR in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS INTERNATIONAL PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions Clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

LIONS NECROLOGY SERVICE

The _____ Lions Club meets in solemn tribute and mourning for their friend and fellow Lion _____.

“Let your light shine before men, that they may see your works and give glory to your Father Who art in heaven.”

The motto of Lionism is “**WE SERVE**”. We are gathered to pay a final tribute to one of our brothers/sisters who, in the tradition of Lionism, has left his/her footprints in the sands of time.

The _____ Lions Club has suffered the loss of a beloved member, a respected citizen of our community, dedicated to the helping of his/her fellow man. And to serving his/her community through his/her Club’s endeavors. His/her passing is our great loss and a great loss to our community. His/her time and energy, so freely given will not soon be forgotten, not by his/her Club nor by those who have benefitted by his/her generosity, his/her hard work and his/her loving service.

Let Us Pray:

Heavenly Father, the only true source of joy, we thank Thee for the privilege of service. May the life of our brother/sister who we honor, inspire us to have more devoted obedience to Thy commands.

*Help us to put our trust in Thee, that we may obtain comfort and find grace to help in this, and every time of need. **Amen.***

INVOCATIONS

We gather together today intent on doing good work of Lions. May our efforts be blessed with insight, guided by understanding, and conducted with wisdom. We recognize our responsibility to the past as well as the future, and seek to serve with respect for all. May our own personal faith give us strength to act honestly and well in all matters. AMEN

Lord, look down upon us today,
As we labor in our Lions way.
Help us to learn all that we can,
Help us to serve our fellow man.
Be with us now as we break bread,
Good friends, together through life we tread.
We are Lions -Bless us Lord.
Make us all of one accord,
Serving others is what we do
For in serving them - we serve You. AMEN.

BENEDICTION

Heavenly Father - open our eyes and our hearts to the priorities set for us in Lionism.

As a people of Faith - may each day be a new beginning in service to our neighbors, our community and Your hurting world; may we always give freely and lovingly the gifts and talents that You have given us.

As we leave, walk with us, and place firmly in our hearts, those people You have called us to Serve.

And now, grant unto us the comfort, that Your love and peace will sustain us until we meet again. AMEN.

LIONS TOAST

Not above you (*with your glass up high*)
Not beneath you (*with your glass down low*)
But with you! (*with your glass centered*)

HEAR THOSE LIONS ROAR

Don't you hear those Lions Roar
Don't' you hear those Lions Roar
You can hear them roaring every week,
As they feed ad growl for more.
You should hear those Lions Roar,
Their snarling, rumbling roar.
So Roar Lions!
Bite 'em! Bite 'em! Bite 'em!
Don't you hear those Lions, hear those Lions,
Hear those Lions Roar!
