

# *Bridgeville Greater Area Lions Club*

Serving Bridgeville, South Fayette, Heidelberg and Collier

## Invitation for Membership

As a Lion in the Bridgeville Greater Area Lions Club, you will work with others to provide services that maintain and improve the quality of life for those who live here. This club directly serves Bridgeville, South Fayette, Collier and Heidelberg.

### ***Why should you join the Lions Club?***

Wherever there's a Lions Club, problems get smaller and communities get better. That's because Lions help where help is needed – in their own communities and around the world – with unmatched integrity and energy.

There are 46,000 clubs and 1.4+ million members, making Lions International the world's largest service club organization. Lions help anyone who needs financial assistance to purchase eyeglasses.

The Bridgeville Greater Area Lions have helped residents get eyeglasses, donated safety equipment to local police and fire departments, donated to childhood cancer organizations, provided evaluation on visual impairment and manual labor and funds to local flood victims. Where there is a NEED, there's a LION.

We need your help to continue this rewarding journey.
