From the desk of District Governor Ralph Imbrogno

As we approach the mid year of my Lions district governorship I would like to take the opportunity to present to you an updated status of our District 14B as it pertains to membership. We still and always will need new members and member retainment, so we can better serve our communities. Some of our Lions Clubs in our District are signing up new members and retaining membership, however we are losing members because of death and old age. That's why it is really important to refocus on member recruitment.

We do not have a magic wand to recruit new members, but we do have the good old fashioned JUST ASK technique that we all need to be using. If each club in 14B would recruit just 2 members, that would give us 60 new members, which would be fantastic.

But we have to take the initiative to JUST ASK and not just talk about it.

I supplied the Clubs in 14B with signs to use at fundraisers, and I'm asking all the clubs to please use the signs and "prospect cards" as a starting point to help get new potential members. Also, a good way to get people interested in joining is to invite them to your meetings and explain to them what Lionism is all about and review the Lions initiatives outlined on the sign and cards. Another excellent way is to ask each member to bring a friend or a relative to the monthly meetings.

So I'm asking all of you to put the new membership effort at the top of the priority list and let's make our District a "plus" District instead of a negative one.

**ALWAYS REMEMBER TO VOLUNTEER FROM THE HEART"
LET'S HAVE A HAPPY AND PRODUCTIVE NEW YEAR 202**

Lion Maryann Engel

Second Vice District Governor

Fellow Lions,

As the New Year begins, it brings with it a sense of renewal, fresh goals, and the perfect opportunity to invite new members to join our local Lions Club. This is a time when many people are looking for meaningful ways to give back, connect with their community, and make a positive difference—and Lions Clubs offer all of that and more.

Becoming a Lion means joining a global organization dedicated to service, friendship, and leadership. Locally, our club supports projects that directly improve lives, from community events and youth programs to vision care and disaster relief. New members bring new energy, ideas, and skills that help strengthen our impact and ensure our service continues to grow.

The New Year is an ideal moment to reach out to neighbors, friends, and colleagues who share a desire to serve. By welcoming new members, we not only expand our ability to help others, but we also build lasting relationships and a stronger sense of community.

As we look ahead to the year before us, let's resolve to open our doors, share our mission, and invite others to experience the pride and purpose that come with being a Lion. Together, with new members and renewed commitment, we can make this New Year one of our most impactful yet.

“Remember to “Just Breathe” and “Keep Climbing”

Yours in Lionism,

Maryann Engel

McKeesport Lions Club... The Tradition Continues!

McKeesport Lions Club took part in the 40th annual Festival of Trees, December 4-8, in Renziehausen Park. Everyone in the area looks forward to viewing the trees in the Jacob Woll Main Pavilion that are set up by local business, clubs & organizations. The Recreation Commission sold concessions, and the Semper Fidelis Club sold baked goods. Public Works offered hay wagon rides to the Heritage Center and Garden Club, both located in the park near the Lions Bandshell, where concerts are held in the summer months. Our tree theme this year was Concerts in the Park and featured photos of the concerts that were presented this past season. The tree was designed by Lions Jody Goughnour and Yvonne Parhetta, and the ornaments were hand-made by Yvonne. The outside welcome tree was planted by the club many years ago after serving as a live tree inside for the festival.

A Personal Note About Giving the Gift of Healing

Greetings from PA Lions Beacon Lodge Camp!

We want to tell you about a moment that reminds us *why* Project New Hope matters.

Last spring, during one of our veteran family retreats, a father — a disabled veteran with a prosthetic leg — tried our climbing tower with his children watching. His daughter cheered him on. His son, quiet most of the weekend, suddenly looked up from his phone and joined in. And when that dad made it to the top, his entire family rushed to celebrate him.

Later, his wife told us through tears, *“That’s the first time I’ve seen my family look like a team in two years.”*

That’s what Project New Hope does.

It’s not about recreation. It’s not about a fun weekend away. **It’s about saving families.**

Give the Gift of Healing This Holiday Season

What does your donation really do? It gives a military family a chance to reconnect. To laugh again. To rediscover they’re a team.

- ✧ \$150 = One day of healing
- ✧ \$400 = Meals and lodging
- ✧ \$750 = A full retreat for one veteran family
- ✧ \$1,500 = Two full retreats or one family with higher accessibility needs

EDITORS' NOTE: I emailed all of our District Presidents and Secretaries the complete article on December 14th. If you missed it, I have the link in the email you just opened

As a side note, PDG John Case was District Governor (2013-2014) when this program was just in its infancy.

Sat. December 6, 2025 – 6:00-9:30pm

The Lions Diabetes Board of Allegheny and Westmoreland Counties (LDBAW) hosted Christmas with the Lions this year, held at the Palisades in McKeesport. The Pittsburgh Belairs entertained the attendees.

Pleasant Hills Lions prepare for a Holiday gathering for the Residents of Celebration Villa Senior Living Facility

Lion Jan Hayes is delivering gift bags.

On Saturday, December 13th, the Pleasant Hills Lions Club hosted its annual Holiday gathering for the residents of Celebration Villa Senior Living Facility. To prepare for this event, 89 gift bags were assembled for the residents. These gifts, for the most part, contained various personal care items and other sundries. There was also a Christmas carol sing-along. The facility provided refreshments, which club members served to the residents.

Several club members, as well as friends and family members of club members, participated in making this service project possible. Special thanks to King Lion Bruce Altemus and PDG Marni Latterman, who were in charge of purchasing the gift items. Also, special thanks go to Lions Tom and Laura Gilchrist, Lion Barbara and Irv Latterman, and Lion Janet Hayes for assembling the gift bags at the Latterman's home prior gathering..

Lions Clubs International FOUNDATION

With all the disasters that occur throughout our country and the world, please consider donating to LCIF. Your individual donation doesn't need to be huge: \$5, \$10, or \$25 from every Lion. A recurring monthly or quarterly donation can be made. Club contributions can be made in any amount, a few hundred dollars up to thousands of dollars, while honoring a member with a Melvin Jones Fellowship. There are so many ways to donate: individuals, a club, by hosting a special fundraising event, monthly recurring gifts, matching gifts from community foundations and groups, the Lions Legacy Program.

When a humanitarian crisis of any magnitude strikes, we as Lions, are ready to help. LCIF approved a \$100,000 MCAT grant to support relief efforts in Texas following the heartbreaking flooding and devastation impacting so many in Kerr County, Texas this past July. This approved MCAT grant is just one example of how LCIF can act swiftly and substantially, thanks to the generosity of donors like you and Lions across the world. Just a few weeks ago, a major typhoon *swept into Western Alaska's Yukon-Kuskokwim Delta, producing a storm surge that flooded villages as far as 60 miles up the river. The water pushed homes off their foundations and set some afloat with people inside.* There have already been grants requested and granted to help this devastation.

Giving to LCIF's Disaster Relief Fund supports more than one crisis — it strengthens our ability to respond to the next one. That readiness is what sets LCIF apart, and that's the power of *your* Foundation.

District 14-B would like to have a designated LCIF Chairperson in every club. This person can be either elected or appointed. Many clubs around the country name the Immediate past president as the club LCIF chair just as International does. That may be the easiest way for your club. Any way that you decide, please name a chair ASAP. The secretary can record it through the Lions Portal just like officer reporting. I will be in touch with each President to record that person's name and contact info. Thank you for complying with this request. Thank you for your support of LCIF.

It's great to be a LION,

Christopher Raynak

LCIF District Coordinator

White Oak Lions Club had another Busy and Successful Year...

Taken front "The Club Chatter" Newsletter, by Lion Rich Peters, Secretary

I think our Club had a pretty good year this year. We collected socks for the schools, sent in lots of pill bottles to Matthew:25 Ministries, had our eye seal campaign, donated several \$50 money pizzas for various group's fundraisers, had a very successful murder mystery dinner, helped at a blood drive, donated almost 100 items for hygiene bags for the schools, one member helped at the boro clean-up day, donated to lots of charities, got our own official Facebook page, had a nice 75th Charter celebration, sponsored a camper at Beacon Lodge, got our 5th bench for our plastic collection and working on our 6th, cleaned and donated lots of eyeglasses, proceeds from our pancake breakfast and bake sale going to the proposed Veterans Memorial at Heritage Park, sold lots of brooms, bags and Koeze nuts, donated school supplies to France McClure school, several members volunteer regularly at Sampson's Mills food bank, ongoing donations of paper products to the food bank, donated \$300 for Thanksgiving to the Salvation Army, Hope Ministries and Sampson's Mills Food Bank and the same for Christmas, provided 6 \$50 Giant Eagle gift cards to needy families for Thanksgiving and again for Christmas, ongoing collection of pull tabs for the Ronald McDonald House and probably several things that I have left out!

Way to go,, White Oak Lions!

McKeesport Lions Club Lends a Hand...

On 12-20-25 McKeesport Lions Club once again took over bell ringing duties for The Salvation Army at the McKeesport Giant Eagle. The club has had this annual tradition for at least the past 10 years, and each year they collect the highest one-day total donations at that location. Club members enjoy interacting with the public on that day, and even help out store workers by collecting and returning carts into the store while ringing the bell for this worthy cause.
