District 14B 's Monthly Newsletter

July 2020

Fellow Lions, Lioness, and Leos,

HAPPY NEW YEAR!

Yes, a new Lions Year. I want to say first, I am honored to have been elected to be Governor this year. I hope to live up to the standard of the dozens of District Governors that have served us of 14-B in the past decades. Thank you PDG Marni for your tireless efforts this past year and introducing new ideas and projects to our district.

This new year will certainly bring change. For better or worse, we must embrace it. We have had to cancel conventions, honors banquets, fundraisers. We have had to use new technology to meet with our members, stay in touch with them, conduct elections, serve our communities with our Financial contributions. It has been hard. It has been worrisome. But hasn't it also been invigorating? We have read stories in past newsletters of the many new and exciting ways clubs here in our own district have served their communities. Your club can do the same. There are many new techie ways of meeting with our clubs. Some are via computer, some via telephone. We will provide information and ways to connect with them in future editions of the Cauldron. Speaking of which, isn't THE CAULDRON a great source of information and communication? Every month it is jammed pack with news from around our District, State and all of Lionism. Please, Presidents, Secretaries be sure to pass it along via email to all your club members and have a copy available at your meetings. It will bring enthusiasm and pride and bring diverse ideas to your clubs. And feel free to share that club news and enthusiasm with the rest of the District by submitting articles, pictures or flyers to PDG Harold. While you are at it, visit our District Webpage <https://e-district.org/sites/14b>. This is another wealth of information. Links to district clubs, information about PA State Lions and International, and the newly added District Constitution and By Laws. Webmaster Lion Frank Deluca is eager to incorporate information you would like to add to the website. Communication is key in this new age. Let's all use it.

**District Governor
Chris Raynak**

Dr. Jung-Yul Choi is once again Lions International President for 2020-2021 year. This is of course in compliance with Bylaws that came into play because the Convention was canceled due to the pandemic. His theme this year is "United in Kindness and Diversity". We should all take this as a challenge when looking at those we serve and those we invite to serve along side us. The strength of Lions Clubs is the members. We NEED members to do our work of service. New Clubs are great. Keeping clubs and members is imperative. We must retain our current members. Beginning July 1 and continuing until December 31 there will be no charter fee for new clubs, or no entrance fee for new members. What an Incentive!! This will be a big plus to kick off the newest Membership drive designated as NAMI – North American Membership Initiative. You will be hearing much about it coming up.

I want to recognize all those that have agreed to serve on the district cabinet this year. There are a number of new faces as well as many veteran Lions to guide this great District. YOU have honored ME with your acceptance. Thank you!

I look forward to seeing and meeting new Lions, also to working and serving "not above you, not beneath you, but with you!"

It's great to be a Lion!

Greetings Lions, Lionesses, and Leos

Welcome to a New Lions Year!! We normally start our Lions new year excited and ready to serve our communities. This year, we have to be more creative with our service opportunities and seek out ways to volunteer. Please see the following for a wonderful way to serve your communities.

We have one of the best ways to volunteer in one of our Global Causes (Environmental) through the Pennsylvania Resources Council (PRC). They have numerous volunteer opportunities throughout the summer and in different areas of Allegheny County. The PRC has put in effect numerous COVID-19 precautions like wearing a mask, gloves, many hand sanitizers and hand wash stations at these collections. There are Hard to Recycle Collections and Household Chemical Collections.

At **Hard to Recycle Collections** you can recycle electronics, cell phones, tires, batteries, light bulbs and more.

Saturday, July 18, 2020 – Bethel Park High School parking lot – 8:00 am – 2:00 pm (shifts available)

Saturday, July 25, 2020 – La Roche University – 8:00 am – 2:00 pm (shifts available)

Saturday, August 29, 2020 – Next Tier Connect @ East Pittsburgh – 8:00 am – 2:00 pm (shifts available)

At the **Household Chemical Collections**, you can recycle most chemical products found in the home, garage, garden shed and more.

Saturday, August 15, 2020 – Boyce Park – 7:30 am – 2:00 pm (shifts available)

Saturday, September 19, 2020 – 7:30 am – 2:00 pm (shifts available)

Volunteers will be asked to direct traffic wearing a safety vest, check trunks, write receipts or hand out educational materials. The participants will remain in their cars while the volunteers will remove the items from their vehicle.

Volunteers will be able to dispose of up to \$60.00 worth of hard to recycle material or \$20.00 worth of household hazardous waste for free.

But you ask, what about Glass Recycling? Well, I'm glad you asked. Yes, PRC is still collecting glass but in a different way. They have the PRC Traveling Glass bins that will be at different locations around Allegheny County this summer. Then there are the Permanent Glass Collection Sites all over Allegheny County. You can check out the PRC website at www.prc.org for the locations.

If you would like more information about volunteering at either of these collections, please email me at lionmaryannb14b@gmail.com or check out the PRC website.

Don't forget to log your service hours on My Lion. If you need help don't hesitate to ask.

We Serve!!

Lions Appreciation Day at Beacon Lodge scheduled for August 23rd... a flier appears later on in this issue. I just want to make everyone aware that this will not be like the original event. There will be no campers, therefore, there will be no talent program like we used to see. There will also be no bar-b-que chicken, but instead a picnic lunch will be available as posted on the flier. District 14-L is hosting the event. Please see the flier for all the details.

TRAINING IS FORTHCOMING FOR SECRETARIES AND ZONE CHAIRS...

VDG Mary Ann Belles along with our District GLT (Global Leadership Team) Chairman, Lion Dr. Kamal V. Gella from the Bloomfield-Lawrenceville Lions Club are planning training sessions for Club Secretaries on Saturday, August 8th. On Saturday, August 22nd, there will be a training for our 5 Zone Chairs. BOTH OF THESE TRAININGS WILL BE HELD VIA ZOOM> Additional information will be sent out within the next week or two and will also be in the August Cauldron... **Stay tuned!**

If you are a retired Federal Employee on Federal Blue Cross Basic Coverage and have Medicare Parts A & B, you may be able to apply for medicine reimbursement for 2019 for \$600. If both spouses have the same coverage, you would be eligible for \$600 each and the figure goes up to \$800 for 2020. Check with your insurer to make sure you qualify. I did and we did!

Membership is at an All-Time Low!

As of Tuesday, June 30, 2020, our District membership dropped to 761 – down by 18 since July 1, 2019. We have to go out and start letting people know what we do are doing, and asking them to join us.

Bethel Park Lions Announce Scholarship Winner

The Bethel Park Lions Club presented its \$5,000 George Meyer Scholarship to recent Bethel Park High School graduate Sarah Gilliam. Sarah will attend Seton Hill University, where she plans to major in data analytics and business. In high school, she has been involved in track, the National Honor Society, Science Club and Teen Leadership Corps, and is a Girl Scout Bronze and Silver Award winner. She has worked at Starbucks and Duck Donuts. Funds for the scholarship are generated by a golf outing coordinated by Lions member Bill Raymer. Jim Willison is the club's scholarship chairman.

Pittsburgh DeafBlind Lions Club bids Farewell to Lion Marrocco

I met with Lion Antonella Marrocco yesterday (June 24th) to wish her happiness and much success as she moves onto her next adventure in life. Lion Antonella graduated from the University of Pittsburgh this April with a PHD - Public Health Major in Environmental and Occupational Health. She has accepted a position at the Department of Environmental Health at Harvard T. H. Chan School of Public Health. She will pursue her Postdoctoral Research Fellow in Molecular and Integrative Physiological Sciences Program.

She'll probably be surprised by the fact that I'm boasting about her accomplishments, but someone has to because she's not that kind of person. She has worked very hard to get where she is and she has been a faithful and wonderful asset to our club. Her education at Pitt hampered her involvement, at times, to participate with our events but when she came, she worked hard. She even brought her mother, Anita, to help and to meetings. So, the Pittsburgh DeafBlind Lions Club sent her a monetary gift as a graduation/thank you for all of her achievements as a Lion and becoming Dr. Antonella Marrocco. We are so proud of her!

I personally will miss her because she has become a friend which hopefully will continue through Facebook and texting. She is moving this weekend and we/I wish her much happiness, health and success. Big hugs to her and her mother (thanks Anita).

Whitehall Lions Thank the Staff at the Manor Care

The Whitehall Community Lions Club wanted to thank the staff at the ManorCare in Whitehall on Weyman Road for their hard work during this COVID-19 pandemic. We treated them to lunch from Armstrong's Restaurant consisting of pasta, meatballs, salad and bread. The staff was very thankful for the meal. The Director of Nursing reports that they have not had any cases of COVID-19 at their facility. Great job to the staff at ManorCare Whitehall!

Birthday Fundraisers on Facebook

Did you know that you can do a fundraiser on Facebook to honor your birthday, someone else's birthday or any special occasion? I personally did a fundraiser for my birthday that yielded \$300 for the Lions of PA Foundation. You can choose whatever fundraiser you want. LCIF, LOPF, Leader Dog, etc. Lion Barb Rebovich did a fundraiser in place of a White Cane activity and she yielded over \$500.00. If you would like more information about creating a fundraiser on Facebook, send me an email or call me. I'll do my best to help you through the set up.

How do I register and receive donations for my charitable organization?

Registering your organization is easy. In order to register and receive donations, you must be an official representative of an eligible organization, and then follow these easy steps:

1. Search for your charitable organization by name or EIN number and then select the organization you represent. Be sure to confirm you are selecting the correct organization, as many charitable organizations have similar names.
2. Create an organization administrator account and accept the AmazonSmile Participation Agreement on behalf of your organization.
3. Verify your email address (we recommend that you use an email address that is associated with your charitable organization).
4. Submit your organization's bank account information.
5. Upload a copy of a voided check or bank statement to verify your organization's bank account information.

What is an organization administrator?

An organization administrator is an official representative of an organization that has authority to access and manage AmazonSmile program information on behalf of their charitable organization.

Why do you need an email address for my charitable organization?

We require a valid email address so that we can communicate important program information to each registered organization. From time to time we will send emails with information about your organization's donation amounts and information about AmazonSmile program promotions.

Can you mail our organization a donation check instead of sending an electronic funds transfer?

We do not mail donation checks due to the expense of check processing and fulfillment. We distribute donations using electronic transfer to reduce operational expenses so we can donate 100% of the funds to eligible charitable organizations.

Will customers still be able to select my charitable organization if I don't register?

Yes. As long as your organization is listed by [GuideStar](#) and meets our eligibility criteria, customers will be able to select your organization. However, no donations will be made to your organization until you complete your free registration. See "What happens if we do not register ..." under Receive Donations for more information on how donations are processed for organizations that do not register and provide bank account information.

What happens if another person has already registered my charitable organization and they were not authorized to do so?

If your organization has been registered by an unauthorized person please [contact us](#).

Lions Lapel Pin Challenge

I sent the following letter to the Lions of PA Foundation.

As SVDG of District 14B I challenged the Lions of our District to a Lapel Pin Challenge asking them to wear their Lions pin out in their everyday life. This Challenge was to promote Lionism and possibly gain some interest from a potential new member. I asked the Lions of District 14B to submit pictures of themselves wearing their pin to me via email or on our Facebook page. Lion Barb Rebovich overwhelmingly accepted the challenge and submitted numerous pictures at therapy, bowling, dinner with friends, etc. Lion Barb won the contest. I am sending this donation of \$25.00 to you in her name as a thank you for participating in the challenge and for being such a great Lion.

I again challenge the Lions of District 14B to the Lapel Pin Challenge for our new year of Lions. You can submit pictures of yourself wearing your Lions pin during your everyday life. Send them to me either on the District Facebook page or via email – lionmaryannb14b@gmail.com

The Mon River Fleet (MRF) Lions Club celebrated its year-end event with a picnic-style luncheon on June 18, 2020 at the Lions Pavilion in Renzie Park, McKeesport. Part of the festivities included a well-deserved recognition and gift to outgoing Lion Eliana Latterman who completed two-years as the Club's President. Incoming President James Phillips was inducted by PDG Alice Jones, along with his board line-up for 2020-2021 consisting of Lions Yvonne Parhetta as First Vice President, Rosa Davis as Second Vice President, and James Saunders as Third Vice President. Also inducted were the Club's

Treasurer for many years Lion Monica Hancharik and the Club's Secretary Lion Laura Bosnak Thompson, along with newcomer Lion Marsha Turner as Recording Secretary. Two-year board terms will be served by Lions Helen Stratigos and Kathy Yurik. One-year board terms will be served by Lions Janet Kulis and Tracy Petras. Lions Tim Roolf and Marci Morales will serve as the Club's Lion Tamer and Lion Tail-twister, respectively. *Congratulations to all Mon River Fleet Lions who serve the Braddock, Clairton, Duquesne and McKeesport communities!*

The event was even more special because it was an opportunity for the Mon River Fleet Lions to acknowledge their Leos who graduated in 2020 from the McKeesport High School Healthcare Apprenticeship Program. MRF Lion Leo Advisor Donna Maguire presented each senior with a number of gifts from the MRF Lions Club. *Congratulations to our Senior Leo Graduates!*

A Joint Effort - The Clairton Lions Club and Pleasant Hills Lions Club

“Here's what 100 Subway lunch boxes looks like!”

That was the comment that PDG John Case, President of the Clairton Lions Club, used when he forwarded these pictures. The two Lions Clubs got together to give a special thank you to the doctors, nurses and other employees who were on the front line fighting the COVID-19. *Nice work Lions !!!*
