MEMORIAL DAY - REMEMBERING...

Happy Mother's Day

From the desk of District Governor Chris Raynak

:
Fellow Lions, Lioness, Leos, and Friends,

We have reached the month of May and working toward the finish line of another Lions Year. So many things yet to accomplish! Club elections. Reporting the results of that election. That reporting needs accomplished by May 15th. Please have that done. It is imperative for LCI and our new District Governor to receive this important information to complete the District Directory and visitation schedule.

Along that note, CONGRATULATIONS to DGE MaryAnn Belles and VDGE Dr. Kamal Gella on their new leadership roles in 14-B. Thank you to all those club delegates that took the time to vote during the District Election.

Another thing to accomplish is to make reservations for the Spring Rally being held on May 23rd in Monroeville. This is the first in person get-together the District has been able to hold this pandemic year. It will be conducted outdoors in a safe environment. I sincerely invite you to join with one another in Lion fellowship. Fill out the reservation form found here in the Cauldron and bring along your Club Banner to display our Lions pride.

Also, on the To Do List should be take part in officer training. There are many training times scheduled this month as well as one on one availability to refresh or learn about your position. There is also online training provided by Lions International through the Lions Learning Center @ lionsclubs.org.

Another task to check off is "Make Donation to LCIF". The district donations to LCIF are down by more than 50%. Understandably there have been circumstances that have been a factor. LCIF is OUR foundation. We need to support it.

Our biggest task to accomplish is membership. You did not get struck by lightning to become a Lion. It came through an ordinary person. Someone asked you. We are surrounded by advertising. On TV, on the internet, billboards, even tee shirts. None of those merchandising vehicles are as powerful as the homey words of a friend. You don't have to convince anyone to do anything – just share. Tell them about your love of Lionism. Use the power of "Word of Mouth" to advertise Lions. What if in five years through word of mouth the number of Lions could increase by 10%? How about 25%? What a great thing. What holds us back? One of the biggest obstacles is fear. We're afraid of really strange things. We are afraid of being great. Afraid of being our best. We're afraid to be criticized or afraid people won't like us. Afraid of failure. Fear belongs to people without firm direction. I invite you to share your love of Lions with a friend.

It was my pleasure to present to the South Park Club last month a **60-year** milestone Chevron for Lion Gutrie "Getto" Taboni as a Charter member of the Club. Getto was not in attendance at the meeting. He apparently was preparing to celebrate his birthday a few days after my visit. You see, Getto celebrated on April 7th his **103rd birthday**. He is doing well and keeps in touch with his club. To the best of my knowledge, he is the oldest Lion in our district. Congratulations and many more birthdays Lion Getto! Thank you for your commitment to **"WE SERVE"**

It's great to be a LION.

Vice District Governor Lion Mary Ann Belles

Greetings Fellow Lions, Lionesses and Leos!

It's hard to believe that we are in May 2021 already! This Lions year has gone so fast. DG Chris and I have really enjoyed the in-person visitations and the Zoom visitations. Thank you for inviting us to your meetings and events. My favorite part is meeting all the Lions and hearing your stories. I look forward to visiting with all of you next year. If you are meeting during the summer months, please let me know.

I would like to remind all the Club Presidents and Club Secretaries that now is the time to report your Club Officers for Lions year 2021 – 2022. These reports are due to Lions Club International by Saturday, May 15, 2021. It is imperative that they are reported on time so that I will be able to include the information in the new District Directory. I would consider it a great favor if you reported them by May 15th.

The MyLion trainings are starting soon. Please contact me to register. I'm sure your Club Secretary would be very appreciative of your help logging in all your Club members service activities.

The Club Officer Trainings are listed here in the Cauldron. Please register as soon as possible.

The Team has projects and events that we are in the process of putting together for Lions year 2021 - 2022. Please watch the monthly Cauldron for all the updates. It's going to be a fun exciting year!

At my visitations next year, I am asking the Clubs to donate white tube socks for the homeless to donate to Operation Safety Net. They have a list of donations that they need if the Club members what to donate any other items as well. If you have any questions, please don't hesitate to ask.

The August 21, 2021 Cabinet Meeting will be outside, location to be determined. We will be doing a non-perishable food collection. I'm asking the Clubs to work with their Zone Chairperson to make sure they send their items to the Cabinet Meeting. As always, any Lion can attend the Cabinet Meetings. The non-perishable items will be donated to the Greater Pittsburgh Food Bank

There could be a come back to the Rigatoni Night! Details are still being ironed out. As soon as we know, you will know!

On November 13, 2021 we will be assembling some Blessing Backpacks for the homeless at our Cabinet Meeting to donate to Operation Safety Net and the Mon Valley. We are going to be in touch with each of the Clubs to donate or make arrangements for donations for items in the backpacks. We are working on a grant request for the backpacks and some of the items in the backpacks. If you are interested in helping with this project, please contact myself or Lion Michele Falce.

These are just a few of the events we have planned for next year. We are ready to serve the Lions of District 14B and the communities.

Keep Soaring into Service!

"This 'n' That!"

NEW OFFICERS MUST BE REPORTED TO LCI BY MAY 15TH!

Hopefully by now, your club has already selected and elected the new officers for the 2021-2022 Lion Year! All reporting for the new officers is due by May 15 to Lions Clubs International. The easiest way to report the new officers is by going to the MyLci website. If for any reason you are not comfortable reporting electronically, I will be more than happy to file the report for you. Simply send me an email indicating all the officers' names and their positions. You can send your email to me at pdgharold@zoominternet.net.

If You felt couped-up for the past year with nothing to do and haven't been to any functions (excluding ZOOM meetings), then plan to meet up with old friends and make new ones by making reservations for the Spring Rally coming up on Sunday, May 23rd! Please refer to the announcement on page 8 for complete details. Hope to see all of you then!

MEMBERSHIP... MEMBERSHIP... MEMBERSHIP. Please take a look at page 7. I feel certain that the pandemic played an important part in us losing 70 members so far, we still have another month to see what happens with the drops. As it stands today, 47% of our clubs have less than 20 members.

The Mon River Fleet Lions Club's April 15 Special Presentation on *"Everything you wanted to know about Diabetes but didn't have anyone to ask"* was both informative and educational as Carla DeJesus provided information on "What is Diabetes?", the difference between Type I and Type II Diabetes, "What are Low and High Blood Sugars", the risks for Diabetes, healthy eating, and much more.

Carla DeJesus, MD, RD, LDN, CDCES has been the Diabetes Care and Education Specialist at UPMC McKeesport Lions Diabetes Center for almost 17 years working with the indigent population in need of medications who can't afford to pay for them. She is an active member of the Association of Diabetes Care & Education Specialists, as well as the Academy of Nutrition and Dietetics. The Lions of District 14-B's continued generosity supported 114 patients in 2020 expending \$21,943 in medication funding. The numbers vary from year-to-year, noting that one of the highest years in 2016 reached 171 patients expending \$32,110 in medication funding. The Center was implemented in 1993 and has been operational for over 25 years.

Carla DeJesus is shown with MRF Lion President Jim Phillips and 1st Vice President Yvonne Parhetta

Ms. DeJesus expressed her deepest appreciation to The Lions Diabetes Board of Allegheny and Westmoreland Counties for their ongoing financial support. She and the Diabetes Specialist from Westmoreland Hospital may be planning a Diabetes Symposium in the future. The Mon River Fleet Lions extended their thanks to Carla for taking time from her busy schedule for her special presentation that was well-received by those in attendance. Should you have any questions about Diabetes or know of someone in need of diabetes medications, you can reach Carla DeJesus at: dejesusc@upmc.edu Thank you, Carla!

"Son Inducts his Mom"

What an exciting and heartfelt meeting it was on April 15th when the Mon River Fleet Lions President Jim Phillips inducted his mom Louise Phillips as the Club's newest member. Shown with the Mon River Fleet's newest member Louise are her sponsor Lion Board member Janet Kulis and her son President Jim Phillips. Way to go Jim – this is the first induction of its kind for the Mon River Fleet Lions, and what a special occasion it was! Everyone is looking forward to working with Louise and getting her involved in club projects. Congratulations, Louise and President Jim!

Donation of Hand Sanitizers and Goggles:

On March 30th, a day after receiving 144 (2oz) bags of hand sanitizers and 24 goggles from DG Chris, Lion Barb was able to donate all the items to the Brashear Association. The association will keep a small portion of the hand sanitizers for their volunteers but will distribute the rest of the items to those individuals who come on Tuesdays and Thursdays for the food bank. Volunteer Charles said there is a need to provide things like hand sanitizers because a lot of people don't think to purchase them or carry them. He thanked the Pittsburgh DeafBlind Lions for their kindness. Lion Ben Kihumbu also received 144 hand sanitizers. He will distribute them to the Congolese immigrant community who don't have access to these products.

The Western Pennsylvania Lions Hearing Foundation Fellowship and Contributing Membership Programs

Both of the following programs have been established to help provide funding to support the projects of the Western PA Lions Hearing Foundation. Our goal is to continue our mission of providing assistance for adults and children through the purchase of audiology devices that will improve hearing for those who are hearing impaired.

The Western Pennsylvania Lions Hearing Foundation Fellowship Program

The Western Pennsylvania Lions Hearing Foundation Fellowship has been established to help provide funding to continue to provide hearing aids for individuals in need.

By naming a person a WPLHF Fellow your contribution goes toward helping those with hearing challenges be able to once again, hear and communicate with the world around them.

For a \$250.00 donation the recipient of the fellowship will receive a lapel pin and plaque (pictured here) indicating them as a fellow.

The recipient of this award need not be a Lion. Anyone who supports the process of improving hearing can be honored with this award.

The Western Pennsylvania Lions Hearing Foundation Contributing Membership

You can show your support for the Western PA Lions Hearing Foundation by becoming a contributing member. A \$10.00 purchase provides the pin seen here.

Check out the Western PA Lions Hearing Foundation website at www.wpalhf.org or contact one of your District Board Members for more information.
