GOALS:

Leadership:

For each club to elect at least one new officer for FY 2017-18.

Using collaboration, to increase mentoring experiences in each club by spring 2017 elections so that leadership qualities and potential are expanded.

Identify and implement methods to create a more appealing cabinet meeting format by the first cabinet meeting of the FY.

By the end of FY 2016-17 to have stimulated collaboration among clubs so as to have completed at least one visible zone or region service project which invigorates interest and thus grows our clubs.

Membership:

To increase membership diversity in at least twelve district clubs during the FY.

During FY 2016-17 to reduce district's 5-year average of dropping 177 members per year by at least 50%, to 89 or less.
