

## MD 28 Global Leadership

Both Bob McKenzie of 28-U and Willis Gurr of 28-T have been active in fulfilling their assignments in providing leadership training opportunities throughout this past year. The Global Leadership team is now preparing to participate during the State Convention, May 2-4. Currently, a two-hour block of time has been scheduled for training Saturday morning. Constitution and By-Laws will be one of the training sessions. Club Officer training for newly elected officers is also being planned. At present we are working on the final details and possible monetary incentives for these new officers attending the leadership training sessions.

Respectfully, Leonard Miller Global Leadership Chair

### *LEADERSHIP TIPS*

1. Plan on having your newly elected club officers attend the Club Officer Training to be offered at our Multiple District 28 Convention on May2-4, 2013 in Salt Lake City.
2. Club presidents check your progress on the requirements for the Club Excellence Award-there is still time.
3. Club presidents ensure your nomination and election process is currently ongoing.
4. If the District Governor has not visited your Club, invite him.
5. Ensure your Club's debt to Lions Club International is paid.
6. Have your Club support and attend the Multiple District Convention.
7. Visit another Club.
8. Consider a field trip or service project in place of a Club program.
9. Ask your ladies to become Lions.
10. Always have fun!

## BOUNTIFUL LIONS CLUB SERVES DINNER TO THE HOMELESS

The motto of Lions Clubs International is “WE SERVE”. In keeping with the motto, on January 23, 2013 the Bountiful Lions club literally served the homeless at the Rescue Mission.

Twenty members of the Bountiful Club met at the Rescue Mission on 400 West in Salt Lake City. They joined 195 homeless people and several volunteers for worship services in the chapel of the Rescue Mission. A choir sang and a Pastor offered a sermon for the gathering of hungry men. The Lions club served dinner of soup, bread, salad and vegetables to a grateful group of unfortunate men. The food for the dinner was provided by merchant donations and prepared by Lions club members and Rescue Mission volunteers.

Members of the Lions club were humbled as they witnessed the desperate condition of the homeless and the tremendous humanitarian service provided by the Rescue Mission.
