NEW UTAH LIONS WEBSITE utahlionsclubs.org

We want to put in a plug for the great new utahlionsclubs.org web site. There are several different pages available on the website to view.

CALENDAR PAGE: It is a great way to keep track of the events for your own club as well as for all the clubs in Multiple District 28. Once the date has passed, the info drops off the calendar, so there is no need to scroll through outdated events. Of course our webpage is only as good as the information we have to put on it, so make sure you email the webmaster, Jim Knight, jatekent@comcast.net with your club calendars, and projects.

PROJECTS PAGE: This page is there to show off your Club Projects. They can be your fundraisers, dinners, fairs, rodeos, or service projects. Let everyone know what you have done.

PHOTO GALLERY PAGE: We have a Photo Gallery page, with spillovers to the District Facebook page, so all your fellow Lions can celebrate your successes with you and get inspired.

CONTACT US PAGE: The Contact page gives us a great way to keep updated email addresses and contact info for the District Governors and Council Chair. No phone numbers or addresses will be seen, so there should be no worries about unauthorized individuals calling or showing up at their doors. (We still have the paper directories for addresses and phone numbers of all the Lions in District 28, but you can email Jim with changes and corrections to the directory so it will be correct on each new printing as well.)

CLUB WEBSITES PAGE: We have links from this website to your local Club Web Sites or Facebook page. If yours is missing, report them to Jim.

LIONS TALE PAGE: A link gives you access to the latest Lions Tale, and will make it possible for you to eventually see back issues if you so desire. We can also link any District or Club newsletters.

UTAH LIONS FOUNDATION PAGE: The Utah Lions Foundation page has some great articles and links to the John Moran Eye Center, Utah Eye Bank, and others that we find valuable too.

GMT PAGE: The Global Membership Team [GMT] has a great resource center with links to manuals, forms, programs and membership data which we have compiled to support your development efforts. Cool power points!

GLT PAGE: When you have need of training, be sure to go to the GLT page [Global Leadership Training] and you will find we are providing you the assistance you have asked for.

We are happy to have all this information available to those who want to know about Lions Clubs. If you keep sending in information and pictures and ideas, this can be a good recruitment tool as well. Link it to your Facebook page and let your friends in on it too! Any suggestions or ideas will be greatly appreciated. We have the ability to add two more pages, if needed.

Let us make use of the technology we have available to us and let the world know what our Lions do.
