## *District Governor's Corner*

Hello, fellow Lions! I have hit the ground running and I am looking forward to visiting your clubs, hearing about your service projects, and meeting all of you. I will also be bringing around the centennial banner for you to sign. The banner will be proudly displayed at the 100<sup>th</sup> International Convention parade in Chicago in 2017.

The word is slowly getting out about our Multi-District Facebook page (Utah Lions District 28UT, Club Activities Group) and the e-Clubhouse website (<http://www.e-clubhouse.org/>). Please send any articles/photos to me or Jim Knight at [jatekent@comcast.net](mailto:jatekent@comcast.net) and we will upload them. Our goal is to embrace social media so we are able to reach a broader audience and inspire others to join us!

REMINDER: If you have not already done so, please email me at [mikeeisenberg14@gmail.com](mailto:mikeeisenberg14@gmail.com) to set up your club visit!

**MISSION STATEMENT:**  
To empower volunteers to  
serve their communities,  
meet humanitarian needs,  
encourage peace, and  
promote international  
understanding through  
Lions clubs.

## *What's Your Next Project???*

Things getting a little stale in your club? Tired of the same old service project? Flipped your last burger? Well, it sounds like a change is needed to shake things up.

To improve our communities and broaden our service horizons, Lions Clubs International encourages Lions to serve in the following areas:

**YOUTH:** Act as tutors, mentors, or coaches in the classroom or at a local sporting event.

**VISION:** Collect glasses, perform vision screenings, or host a community health clinic.

**HUNGER:** Volunteer at a food bank, work at a shelter, start a food drive campaign or partner with other non-profit agencies to eliminate hunger.

**ENVIRONMENT:** Hold a clean-up event, remove graffiti, or clean a river or a park.

If you have any great ideas or want to share the fantastic work your club is doing, please email me at [mikeeisenberg14@gmail.com](mailto:mikeeisenberg14@gmail.com)

## ***SENEGAL NEEDS OUR SUPPORT!***

Lion Roger Priest along with a team of dedicated Lions travelled to Senegal, Africa last spring on a humanitarian mission. Roger is heading up a district wide initiative to purchase a lens grinder for a local eye doctor. This piece of equipment will shape lens blanks for eyeglasses or contact lenses and is necessary to make precision cuts and grinds to the specifications of an individual's prescription. A sturdy lens grinder can be purchased for **\$1,500**. Please support this worthy project and send your donations to:
