

# District 28U Monthly Newsletter

VOLUME 1, ISSUE 4

OCTOBER 2016

## *District Governor's Corner*

Hello, Lions! I'm getting excited as our District Convention is right around the corner. It will be held on October 14-15, 2016 in Smithfield, Utah (near Logan).

The planning committee has been working extremely hard to put on a great convention. They have a lot of great guest speakers, informative briefings, awards, fun, and valuable training lined up. Please remember to send in your convention registration form and/or book your hotel as soon as possible. There will also be a roll-call of clubs so be there to show off your club spirit! Lastly, if your club would like to host next year's 2017 District Convention, we will be taking nominations at the District Convention as well.

## EYEGASSES UPDATE

A small Optics lesson and an invitation

I would like to extend an invitation to all those in the district who receive this newsletter. A large number of the eyeglasses that we placed last spring in Senegal, Africa were reader glasses between the ranges + 1.00 and + 2.75. Please consider going to any Dollar Store and purchasing 5 sturdy pairs of reader glasses within this range and bring them to your Lions Club president (or contact me). We will gather these glasses and bring them up to Cache Valley for inclusion in the collection for a future humanitarian trip. Thank you very much for your good service.

## *A BIG THANK-YOU!*

The District Cabinet Secretary, Jim Knight, deserves a big pat on the back for all his hard work in helping to get the District Directory edited and published. They are currently being sent out to club officers, Past District Governors, and cabinet members. Keep up the great work Jim!
