SEPTEMBER 2016

District Governor's Corner

Hello, Lions! Our District is doing remarkable things and our clubs are embracing the Lions Clubs International Centennial Service Challenge of providing service in the following areas: Vision, Environment, Youth, and Hunger. After visiting only a handful of clubs (9 out of 31), I am truly amazed at the great service you provide to your local communities and you should be extremely proud! Both districts are doing great

things and have truly embraced the saying, "where there's a need, there's a Lion."

Don't forget to mark your calendars and plan on attending our District Convention on October 14-15, 2016 in Smithfield, Utah. Registration forms have already been sent out to your club's officers and the hotel rooms are filling up fast. The planning committee has been working extremely hard to make it a fun filled event for all! They are encouraging everyone to dress up for the Roaring 20's themed mystery dinner as well. Lastly, Smithfield is encouraging clubs to bring eyeglasses and/or food bank donations to the convention.

EYEGASSES UPDATE

The District's collection point for eyeglasses is Lion Roger Priest from the Richmond Lions Club. He encourages clubs to continue gathering glasses, but to also look for new locations to place collection boxes to meet the need of future humanitarian missions. You can contact Lion Roger at: rogerwpriest@gmail.com. Remember: A few well-placed collection boxes will get us great results!
