

District 28U Monthly Newsletter

VOLUME 1, ISSUE 6

DECEMBER 2016

District Governor's Corner

Season's Greetings Lions! What a great year we've had so far. Clubs have truly embraced community service and are even looking for new and creative ways to serve. Our focus has expanded well beyond Sight, to also include Youth, Environment, and Hunger. Thanks again for recording your service hours! We are well on our way to meeting Lion Clubs International's Centennial goal of serving another one million people by June 2018.

This month's newsletter will be short and sweet. I've included a few updates, but I'd like your focus to be on retaining club membership and strengthening relationships. We tend to lose a lot of members over the holidays due to inactivity, boredom, failure to communicate, etc. Please solicit your members for ideas and don't be afraid to try new things, projects, etc...remember, our International theme is "New Mountains to Climb" so challenge yourselves!

REMINDER: Don't forget to sign up for the 100th Lions International Convention from June 30 – July 4, 2017.

Carol and I hope everyone has a safe and enjoyable holiday season and that everyone comes back in January with their batteries recharged!
