### COALVILLE LIONS WORK THE FAIR GROUNDS

The Coalville Lions spent a week and a half working at the fair grounds, They spent one evening cleaning up the concession stand and getting everything ready for the night of August 3rd. The fair began with a demolition derby.

This is the car PDG Merlyn drove. (Like "Ya!")

serving food and drinks. Sunday was a day off from the fair. Monday night things started up again with an ATV rodeo. The event continued with something going on every evening. Friday and Saturday the Lions worked all day serving food. By the end of August 10<sup>th</sup>, the Lions were worn right out. Their money raising project was behind them. Not yet!! The concession stand needed to be cleaned and things carried back to the Lions Den for storage.

The derby goes kept everyone busy

### A NEW LEO'S CLUB

The Coalville Lions are sponsoring a Leos' club. Holly Stephans is going act as Leo Club adviser. She is young and very talented. She will relate well with the girls and boys. As of today we have over forty students interested in being a Leo. The club will be known as the North Summit Leo's club. It will be school affiliated.

The Bountiful Lions Club has been a force for good in the community since it was chartered in 1938. The club has been actively involved in improving our community and the lives of others, with special emphasis on assisting the blind and preventing sight challenges wherever possible. To accomplish this we have been involved in many projects during the past 75 years. Our principle fundraising project is, of course, our annual turkey shoot.

**Our Guest of honor** will be PID Lion DAVID I. ROBERTS of Wickenburg, Arizona, USA. PID Roberts was elected to serve a two-year term as a director off The International Association of Lions Clubs at the association's 85<sup>th</sup> International Convention, held in Osaka, Japan, July 8-12, 2002.

Past Director Roberts is a retired vice president and senior investment associate of a financial management and advisory company.

A Lion since 1977 and a member of the Wickenburg Lions Club since 2010, Past Director

Roberts has held many offices within the association, including club president, Youth Outreach chairperson, region chairperson, district governor and council chairperson. In addition, he has served as a presenter at the Halifax 2001 USA/Canada Forum and as the MD 21 International Convention chairperson in 2001.

In the past, he has also served as president of the Lions Foundation of Arizona, the Arizona Lions Vision Center and the Sun Cities Lions Foundation, as chairperson of the District 21-A Convention twice and as a member of the Tucson, Arizona USA/Canada Forum host committee. He is currently a member of the Past District Governors Association.

In recognition of his service to the association, Past Director Roberts has received numerous awards, including four District Governor's Awards, three International President's Certificates of Appreciation, two Presidential Medals and the Ambassador of Good Will Award, the highest honor the association bestows upon its members. He is also a Melvin Jones Fellow.

In addition to his Lions activities, Past Director Roberts is active in numerous professional and community organizations. He has been involved with the Sun City Area Corp of the Salvation Army. He also served as

chairperson of the City of Flagstaff Traffic Commission, on the board of directors of the Homeowners' Association and as a national committeeman of the Boy Scouts of America. He is also a recipient of the Boy Scouts of America's Award of Merit and Silver Beaver Award.

Past Director Roberts and his wife, Anna, also a Lions Club member and a Melvin Jones Fellow, have two sons, three granddaughters

**Moab Lions were busy** in April preparing for our food concession at the April Action Car Show, held the last Saturday of the month. Folks come to this great car show from all over Utah and Colorado. We look forward to saying "hi" to our Lion friends when they come through the line for grilled burgers, brats and hotdogs. All twenty Lions and invited friends get a workout on this day long project.

In May we prepared materials for the Kindergarten Literacy Bags, which are presented to kindergarteners on graduation morning. The colorful individualized bags, with the child's name written on front, are filled with writing journals, a pencil, pencil sharpener, crayons, a laminated alphabet chart with dry-erase marker and erase, flash cards of basic reading words,

and a book selected for each child's personal Reading level. The accompanying letter to parents has been translated into Spanish with the assistance of friends at the Moab Valley Multicultural Center.

This summer, in addition to Highway 191 clean-up, we sponsored a T-ball team through Moab City Recreation League. At the final game of the season we cheered on our team, then treated the five and six-year old players to sno-cones. It took only moments to teach them to roar to express that they enjoyed playing baseball and to thank their families and coaches. When their coach asked what they say to Lions for the sno-cones, the whole team roared loudly!

On Wednesday, Sept. 18, Moab Lions will be supporting the Grand County HS Marching Band and Moab Younglife

in a big fundraiser when The Colorado Grand comes to town. The Colorado Grand is an annual charity tour for 1960 and earlier sports and race cars of distinction. Lions will grill hamburgers for locals who come to see the cars during their lunchtimes.

## Report on The Hope Alliance May 2013 eyeglass and pterygium awareness and Project in Peru

Dear Lions Club members

I would like to thank the Utah Lions Clubs leaders and members who have helped in one way or another in getting our project to the point where we are at this time.

I have attached a file [with] a report on our 2013 Peru Eyeglass clinic

My wife JoAn and I would be happy to discuss any aspects of the clinics and pterygium prevention program with you if you would like.

This was the most successful expedition we have conducted. This time, we took 17 volunteers and were in the Piura area for 12 days. We managed to conduct 10 eyeglass clinics plus one eye health session.

Because we worked hard we were successful in helping about 2,800 people with improved vision. The reason we were able to function so well was the help we were given by the Lions Clubs and the government of the Province (State) of Piura. Eight Lions Clubs down there sponsored our clinics. Four from the City of Piura and the others are in smaller towns in the nearby area. They arranged work locations, transportation, lunches, parties, tours, security, and selection of the people with most needs for eyeglasses. I cannot say enough about the wonderful Lions who saw to every detail of our clinics and worked side-by-side with us in distributing eyeglasses. In my farewell comments to them as we were leaving I did my best to express the thanks of our group and of the entire Utah Lions for their efforts. The response I got from one of the club presidents was: "This is the most important and extensive project we have ever done. We thank you for bringing it about. We are the arms and legs of the project, but you are the soul."

They asked me specifically to thank all the Lions Clubs and members in Utah who assisted in making this event happen. They even sent me home with a gift for the Utah Lions. It is a beautiful, three-D plaque with embossed silver figures. I don't know where the Utah Lions have to display this, but I will get it to our district leaders. The Lions of Piura would like to interact more with our clubs in Utah. Apparently there is some arrangement possible for formalized affiliations between Lions from different regions of the world. I told them that I am rather new to Lions and really do not know much about that sort of thing and that they should initiate the efforts. Many of you probably know what is required for this type of arrangement. I hope that our district officers will consider this opportunity. I told the Piura Lions that if some of them could come to Utah, we would be happy to host them and show them around our beautiful state. I hope you would agree with this. The probability of this happening is probably quite small.

One step toward further interactions between clubs will take place on Tuesday July 16 in Logan. The Logan Club will join in a Skype conference with some of the Piura Lions. We will have our regular lunch meeting at the Bluebird at 12:00 and they will link with us via Skype during their luncheon meeting in Piura at the same time. (1:00 Peru Time). At this meeting we will have three or four Logan Lions who are fluent in Spanish present. We would like to invite Lions who speak Spanish from other Utah clubs and who would like to participate in the conference to join us. Please let me know if you would like to attend so I can make arrangements. It would be particularly nice to have a representative from our District leadership present.

Lion Richard Criddle

(Mormon Missionaries provided at least 10 missionaries each day for valuable translator help at the clinics.)
