MD 28 - WE SERVE

Digital Issue 2

September , 2013

Supplement

Again, I failed to include two items in the September issue. Also I received an article which arrived late. Thus here is the supplement to the September, 2013 issue. Stay with me, I'll get it right in April.

LIONS CLUB AND EYE CENTER OF EPHRAIM TEAM UP TO HELP CHILDREN WITH EYE GLASSES

Dr. Jacob Robison of the Eye Center of Ephraim hosted a golf tournament on Saturday, August 10, 2013 at the Skyline Mountain Resort golf course called the Optic Cup Golf Tournament. The purpose of the fund raising tournament was to raise money to provide glasses to children that need them in Sanpete County.

At the monthly meeting of the Ephraim Lions Club on September 4th, Dr. Robison presented a check

for just under \$1000 to Ephraim Lions Club President Lynn Schiffman and Lions Debbie Plummer, who will be coordinating the requests for eye glasses in Sanpete County.

For nearly 100 years, Lions Club International through local Lions have worked on projects designed to prevent blindness, restore eyesight and improve eye health and eye care for hundreds of millions of people worldwide.

If your child is in need of glasses and you can't afford them, contact your local Lions Club President or Lion Debbie Plummer (435-851-9919) who can help you with the application.

Syracuse Lions Club Recognizes Eagle Scout!

In alignment with their commitment to Sight Conservation projects, the Syracuse Lions Club recently recognized Tyler Stone, age 14, for his efforts in collecting eyeglasses for the visually impaired. Their Club President, Lion Mike Eisenberg, recently honored Tyler with a Certificate of Appreciation at their local meeting for his noteworthy efforts. As part of his Eagle Scout project Tyler collected 250 pairs of eyeglasses,

volunteered over 50 service hours, and raised over \$138 in addition to completing the required merit badges and other rigorous requirements set forth by the Boy Scouts. The recycled glasses and proceeds will be used to benefit the Utah Lions Eye Bank Foundation and their goals of fighting blindness and supporting eye conservation programs across the U.S. as well as in less developed countries abroad. Anyone wishing to donate used glasses can do so at designated drop-boxes located at various City Halls, Wal Mart, Shopko, Community Center, and Hill Air Force base. The Lions Club motto is "We Serve" and they are always looking for new members to help serve their community through projects like the Annual Senior Appreciation Dinner, White Cane Collection Drives, Police Department Fingerprinting, Moran Eye Center tissue deliveries, and much more! If interested in becoming a Lions Club member, please contact Lion Mike at (801) 773-8581, Lion Larry at (801) 217-3955, or Lion Lynn at (801) 775-0504.

**Rewards don't come to those who wait,
And just stand idle before the gate,
Of all their hopes and all their dreams,
But to those who bend their backs.
It seems,
We must work hard even as we wait!**
