All meetings will be held at Comfort Suites

On Friday at 1 PM, there will be a tour of the 25th Street Museum located at 238 25th Street (parking in rear of building). The historic building formally used as a boarding house, brothel, and clothing store. The building has a rich and sometimes tragic history. Our 1 hour guided tour will use images, artifacts, and stories to take you back to a time when 25th Street was ranked the "second most dangerous city in America" but continues to attract people from all over to pursue their dreams.

The events of 25th Street changed America. It was rowdy. It was a melting pot of people. It was a place where people came to find vice or virtue.

- Friday evening dinner and social will have a Railroad theme. Dress up in your favorite railroad themed attire.
- Request Clubs donate gift baskets and/or auction items for raffle to offset convention costs.
- International Director Bob Block of Illinois will be our special guest.
