

Ohio Lions Multiple District 13
State Building Committee Report

April 21, 2020

TO: Governor Josie Prokop
Lions District OH-3

FROM: Lion Ada Ahrens
Ohio Lions Building Trustee, OH-3

I was not able to attend the last meeting of the Building Trustees but the report from the meeting is as follows:

- All spaces leased and all rent paid current.
- The building is in good shape, there are no major problems.
- The Trustees have been investigating installing some new windows due to the fact that they are the original windows and some are leaking and no longer efficient. As of the last report we have selected a contractor to install those windows.

It has been my privilege to serve as the representative from District OH-3 for the past 3+ years and I have enjoyed getting to know some new members of Lions Clubs International from around the State. I hope I have contributed something to this group. The building is in good hands because of the leadership of this committee, they are a group of very dedicated Lions. I know my successor will continue to represent our District on this very important committee.

Respectfully submitted,

Lion Ada M. Ahrens
