

## DISTRICT 13 OH3

### GST (GLOBAL SERVICE TEAM) COMMITTEE REPORT

#### FINAL CABINET MEETING – APRIL 5, 2020

DG Josie Prokop, District Executive Officers and Cabinet Members,

Below is my FINAL update to address our two primary GST committee's goals for FY 2020:

During the year, I met twice with our District Global Action Team (GAT) {DG Josie, GMT PID Steve and GLT PDG Carol} to review progress in meeting our District GAT goals. (November 2019 and February 2020.)

#### **Goal #1: Increase membership & service activity reporting through MyLCI & MyLion.**

- Learned that District Administrator Nina has gained MyLCI access to help Lions Clubs file their Monthly Membership Reports (MMR). (11 of our 55 Clubs [20%] have improved the timeliness of reporting their MMR to LCI)
- However, Nina has not yet received access to LCI's MyLion to enable her to help our clubs report their Service Activities.

As a result in the District newsletter and at Zone/Club meetings, we have encouraged Clubs to improve their Service Reporting to LCI. We had 3 Clubs [Cadiz, Lakemore & Toronto] improve the timeliness in submitting their service activity reports to LCI. However, 31 of our 55 Clubs {56%} did not report their service activities to LCI all year {July 2019 through March 2020}.

**Goal #2: Encourage all Clubs in the District to complete at least one diabetes project in the Lion year.**

- Per review of the LCI Service Activity reports through April 4, 2020, only 2 Clubs reported Diabetes service projects. However, I am aware that a number of Clubs worked with local hospitals to promote Diabetes Education, and hold Diabetes screenings. Unfortunately, those Clubs did not report it on LCI's MyLion.
- Due to the coronavirus quarantine, we were not able to hold a District - wide Diabetes Service Project. However, many Clubs have found a way to serve their communities during this pandemic by assisting food pantries & food programs and making cloth masks to help keep our communities safe.

Although we had mixed results (membership reporting was up and service reporting did not improve), I have enjoyed the journey to promote SERVICE together this year.

Thank you very much for the opportunity to help promote our service projects and improve our reporting through the **Global Service Team**.

Respectfully submitted,

A handwritten signature in cursive script that reads "Rob Murry".
