Report to the District 13-OH3 Cabinet:
2020

March 31,

District Governor Josie Prokop
1st Vice District Governor Terry Snyder
2nd Vice District Governor Deb Mosier

District 13-OH 3 Pins:

The pins have been selling well. All Zone Chairs should turn in their monies with left over pins to me at the next District Meeting.

I have approved next year's design and the pricing of the 200 pins should stay the same. Next year's pin is the fourth in the series and pays tribute to the Ohio Lions Pilot Dogs.

District GMT:

We have been targeting areas in the district with the hope of chartering one or two new clubs. We have been working with the Korean groups in Cuyahoga County with the hopes of chartering a specialty club. We will continue to work towards that goal.

We had also scheduled two club informational meetings for April in the northern and southern parts of the district. Unfortunately, we had to cancel those two meetings due to the coronavirus and will look to reschedule them in the future.

We also are continuing to work on an exit interview questionnaire to be used when members leave our clubs.

Please do what you can so we can show an increase in club membership to LCI During Governor Josie's term of office.
